Questions from Tony Doust

Whilst I acknowledge that the Council has not adopted the budget for 2018/19, I understand the draft put forward in the agenda for the Special Meeting, has been “workshopped” by Councillors on several occasions. Given this I believe it is appropriate to assume that the draft is based on the Councillors requirements determined at the workshops.

The following questions are put forward for a response by Council.

- I ask the Council to explain to me and to the residents of Boyup Brook in the next issue of the “Boyup Brook Gazette” and record this in minutes of this meeting, why the operating expenditure (including depreciation of assets) on the Boyup Brook Swimming Pool has increased from \$265,695 in the 2017/18 Budget to \$320,900 in the 2018/19 draft Budget. The increase in operating expenditure is \$55,205 or 20.78%. The Swimming Pool employee costs in the past budget have increased from \$97,550 to \$121,535 in the proposed draft or 24.59%. These increases are well above the rate of inflation & WA Local Government cost index and need to be fully explained. The Swimming Pool operating income increase in the draft Budget over the previous adopted budget is \$2,790. I note that the swimming pool entry fees are to be increased by either 3% or no change.*

It is also noted that the total operating costs of the Boyup Brook Swimming Pool represents 35% of the total draft budget Operating Cost (\$930,010) for all the facilities and services included in the activity "Recreation & Culture"

2. *Can Council explain why the total operating costs (including depreciation of assets) for the Boyup Brook Recreation Complex which I understand includes the Oval, Tennis Courts, Hockey Grounds, Basketball/Netball Courts, has decreased from \$149,665 in the 2017/18 adopted budget to \$141,225 in the 2018/19 draft budget. Given the state of the Boyup Brook Oval during the present winter it would indicate that this cost should increase and not decrease. It is also noted that the clubs using these facilities are to pay an additional 3% for their use.*

3. *"Given the draft Budget for 2018/19 includes \$69,680 under Member Expenses Donations, I ask the Council to provide details of the Clubs/ Organisations that are to receive assistance under this allocation, including the amount and purpose of the funding. As this funding is in excess of 2% of the rate revenue and is public money it is important in the interest of accountability that the general public are provided with these details. The minutes of the Special Council Meeting held on the 26th June 2018 has some information however the decision was for the inclusion of donations in the draft budget".
It is also suggested that the details be published in the next issue of the "Boyup Brook Gazette" as I feel the public would like to know the outcome of the annual grants process.*

4. *"I refer to item 4.2 in the agenda and in particular recommendation (3) "Rates in the Dollar" and seek confirmation of the increase in the rates in the dollar over the rates used in the 2017/18 Budget. My calculation is that whilst the total rate revenue in the "Rate Setting Statement" included in the draft budget increases from \$2,658,515 to \$2,765,796 (\$107,281 or 4.35%) the GRV rate in the \$ increases by 4.25% and the UV rate in the \$ by 6.123%. Given the removal of the differential rate for mining it would appear that the properties on UV are meeting the reduction in rates from this sector and not all ratepayers. I seek Councils explanation for the above"*

PURPOSE

Council is requested to consider and adopt 2017-18 reserve account budget amendments, as identified.

BACKGROUND

At its 10 July 2018 meeting Council resolved to: create an unspent grants reserve; and to transfer \$655,020 in forward Federal Assistance and DFES ESL grants (2018-19 funds received in June 2018), into the reserve for carrying over into 2018-19 (Res. 123:18).

In Council's 2017-18 Adopted Annual Budget it was forecast that: \$26,750 in annual interest revenue would derive from term deposits of reserve funds; and so as to fund a range of projects some \$1,105,370 would be transferred to reserves and \$1,860,195 would be transferred from reserves to derive an \$884,580 reserves balance as at 30 June 2018.

DETAILS

Relative to the 2017-18 budgeted interest revenue from reserves (\$26,750), it is forecast that \$29,455 were derived from term deposits.

In the attachment (Reserves Note Detail) a side by side comparison is made of the 2017-18 budgets and "estimated" transfers to and from reserves, and an itemised account of proposed transfers to and from reserves is presented.

Notable reserve balance exceptions to budget include:

- (b) Plant Reserve: estimated transfers from reserve is \$88,910 less than budgeted as the cost of plant purchases in 2017-18 was substantially less than budgeted;
- (i) Commercial Reserve: the forecast balance is \$51,655 more than budgeted, primarily as \$42,273 in unspent Lodge fittings & fixtures funds are to be carried forward into 2018-19;
- (m) Swimming Pool Reserve: the forecast balance is \$118,455 greater than budgeted

represented by Kiddies Pool unspent funds as follows: Department of Sport & Recreation (\$64,000 of grants); Lotterywest (\$20,000 grant); and Council contribution to project (\$36,000);

- (p) Building Reserve: the forecast balance is \$718,730 greater than budgeted, primarily due to 2017-18 Age Accommodation contribution (\$267,590) not spent, and unspent operating and other capital budgets (amounting to \$445,000);
- (s) IT/Office Equipment Reserve: the forecast balance is \$38,265 greater than budgeted, as renewal of Council's server (\$38,500) was carried forward into 2018-19.
- (x) Unspent Community Grants Reserve: this is a proposed new reserve created so as to hold unallocated Community Donations and MOU contributions i.e. balance of 2% of rates not spent, and in 2017-18 this is forecast to be \$7,980.

COMMENT

The following is what was reported to the July Ordinary Meeting of Council:

As in past years, the task is for Council to nominate a reviewer. This could be a consultant, appointed Councillors, the whole of Council etc. The cost of employing a consultant is expected to be in the order of \$4,000.

In accordance with the July resolution Mr Gary Clark was contacted but advised he would not be available until October 2018. Mr John Phillips, who has a great deal of relevant experience, was also contact but is fully booked at this time.

CONSULTATION

This is an established and required process which all Council members have been involved in previously. The Shire currently uses Mike Fitz Gerald of Fitz Gerald Strategies for award and some human resource matters. Mr Fitz Gerald is well experienced in matters such as CEO performance reviews and so it is recommended that Council uses his services to assist in the process this year. The author contacted Mr Clark and Mr Phillips.
