### Summary

The Committee is required to consider for adoption the annual Compliance Audit Return 2024 (CAR) and to forward a completed, certified copy to the Department of Local Government, Sport and Cultural Industries.

## Background

The Committee is required to review the annual CAR for approval and for the Shire President and the Chief Executive Officer to certify the document and forward it to the Director General of the relevant department.

## Report Detail

The CAR (Attachment 6.1.1A) consists of the following categories:

- Commercial Enterprises by Local Governments
- Delegation of Power / Duty
- Disclosure of Interest
- Disposal of Property
- Elections
- Finance
- Integrated Planning and Reporting (IPR)
- Employees
- Conduct
- Other
- Tenders
- Documents.

Under each of these categories are a number of questions which test the Shire's compliance with the various Acts and Regulations. The following non-compliance items have been noted:

- Integrated Planning and Reporting

Has the local government adopted by absolute majority a Corporate Business Plan? – No.

The Shire has a draft Corporate Business Plan which will be completed once the Long-Term Financial Plan (LTFP) has been adopted by Council. The LTFP is crucial for the Shire to understand the current financial constraints and to inform the Corporate Business Plan.

- Other

Did the CEO review the appropriateness and effectiveness of the local government's systems and procedures in relation to risk management, internal control, and legislative compliance in accordance with *Local Government (Audit) Regulations 1996* Regulation 17 within the three financial years prior to 31 December 2024? - No.

The required Regulation 17 report was undertaken prior to 31 December 2024 and was endorsed by Council in January 2025.
