

Tea-riffic Zoom in a Teacup!

With COVID-19 causing the cancellation of most regional events over the past few months, it was wonderful to deliver the annual Rylington Park Storm in a Teacup as an engaging digital experience on Friday 25th March. The event saw over 60 women attend from the comfort of their lounge rooms, work offices, kitchens, and even tractors. This year's theme 'Women in Uniform' saw a range of women share the inspiring stories behind their uniforms. Whilst there was significant diversity in the uniforms donned by speakers – from Police to Chef's, there was one thing that all presenters had in common, their passion and love of what they do, and unwavering dedication to their role in uniform. Congratulations to Rylington Park's Erlanda Deas, along with her team of talented volunteers for organising another inspiring Storm in a Teacup.

RANGER NEWS

Do you have an up-to-date Emergency Plan?

We have hopefully passed the worst of the Fire Season and now we brace ourselves for storms, possible power outages and floods as we ride out the cooler months. When an emergency occurs, it's vital that you and your family are prepared to either evacuate immediately or have the resources available at home to be able to live comfortably for several days without power, water and access to shops. Everyone needs an effective emergency plan and it needs to be communicated to your household members, neighbours and friends. The Shire is a great place to pick up some information on Emergency Preparedness or you can visit the DFES website www.dfes.wa.gov.au for more great tips on how to be "Disaster Ready". Plan to be ready for the unplanned!
