

Can you find all the places I've been to?

This place has so much community information.

There's lots of things to make me better when I'm sick.

Time to get my fur dyed Easter pink.

I didn't know there was so much to see in Boyup Brook.

So much music, I want to jump on a turntable.

It's great being a Country bunny.

This Royal shop has heaps of upcycled stuff.

All that hopping has made me hungry for a snack.

I go 'squeak' in this place.

The very last place I visited.

I had so much fun checking out Abel Street.
