

Charter of Rylington Park Institute for Agricultural Training and Research

This Charter confirms that the Rylington Park farming property, home of Rylington Park Institute for Agricultural Training and Research, will be held in trust by the Boyup Brook Shire to benefit the Boyup Brook community and for the use of agricultural training and research.

Rylington Park was gifted to the Shire of Boyup Brook by Mr Eric Farleigh in 1985 to be used for agricultural training and research as this will benefit the town and district as a whole. A quote from Mr Farleigh's last will and testament dated 8th June 1988 states:

"Without creating any specific trust it is my wish that my farming property be retained by the Shire of Boyup Brook for the benefit of persons within the Shire and for research purposes and that my farming records and other records are kept with my farming property."

Eric Farleigh 8th June 1988

The transfer of the farm was officially announced on 2nd November 1985 in order to coincide with a visit to Boyup Brook by the Governor of Western Australia.

After gifting the farm to the Shire, Mr Farleigh continued to live on Rylington Park until his death on 11th November 1988.

OBJECTIVES

The objectives for Rylington Park Institute for Agricultural Training and Research are to:

- Demonstrate good governance and leadership by behaving with integrity and being open and accountable.
- Be recognised as a leader in technology use, training, and sustainable practices.
- Develop, trial and demonstrate the latest agricultural practices and technologies.
- Develop and demonstrate sustainable farming practices to sustainably manage the farm for future generations.
- Deliver industry relevant training.
- Deliver enhanced skills development for the farming community.

ACTIVITIES

To achieve these objectives, the Rylington Park Institute for Agricultural Training and Research will undertake specific activities in the following areas:

- Develop and maintain active partnerships with educational, training and research institutions to conduct training and research in all aspects of agriculture and facilitate these learnings to be shared with the Boyup Brook community.
- Collaborate with local farmers, businesses and organisations to participate in trials and demonstrations.
- Host industry workshops and training days.
- Host rehabilitation and regeneration trials for disused gravel pits and other degraded land.
- Encourage the use of the Rylington Park facilities for broad community participation and involvement.
- Invest in maintenance and ongoing improvements to the farm and facilities to ensure continued use and relevance for future generations.
- Engage the community in annual field days.
- Provide support to the youth of Boyup Brook with agricultural scholarships.
- Contribute to community based projects and activities.
- Provide regular updates on Rylington Park activities to the Boyup Brook community.
