INGLIS, David is eligible to stand for election as a resident of the Shire of Boyup Brook.

Hi, I'm David Inglis and I would like to nominate as a Councilor for the Shire of Boyup Brook. I have lived in Boyup Brook for most of my life, and currently farm on Greenfields Road. I believe I have the skills, life experience and commitment to represent Boyup Brook residents to make change in our town.

In the past I have been President of the Boyup Brook Football Club, junior footy coach, Chief Fire Control Officer along with other volunteer roles.

Now, I would like to contribute to the direction of our town. My areas of focus are to improve the Sporting & Recreation facilities; assist with aged care solutions for people to age and remain in town; and to find accommodation solutions for tourists, new residents and retiring farmers.

I would like to see a community cropping program established to fund the development and maintenance of community assets in the sport and recreation precinct.

I'm always interest in listening to new ideas and can be contacted on 0418 651 088.

Thank you
