

## Successful Grants for the Community

### Outdoor Movies are coming to Boyup Brook this summer and beyond!

Talison Lithium have once again been very generous in accepting our grant application through their Community Investment Fund to fund \$9,499 for a complete outdoor movie package. This will include a large outdoor screen, projector and speakers, in addition to a special surprise that we'll be giving to the first 200 attendees at our first outdoor film screening!

### Seating to be installed along Abel Street

We've recently been awarded a \$5,000 Streets Alive grant thanks to Main Roads. Following consultation with the community we'll be installing four bench-style seats along Abel Street at useful points where our community congregate, such as outside the Pharmacy and Medical Centre.

The Rylington Park Scholarship, founded by the Rylington Park Management Committee Inc., embodies Eric Farleigh's vision of engaging and nurturing Boyup Brook's youth in agricultural endeavours. Supported by the Shire of Boyup Brook, which continued its commitment after assuming management of Rylington Park farm, the scholarship aims to sustain the agricultural heritage of the community. This exclusive scholarship will be awarded to two deserving year 10 students who currently reside within the Boyup Brook Shire and who have been accepted to attend, or are currently attending an Agricultural College for Years 11 and 12.

Applications for the Scholarship open Monday 1<sup>st</sup> September 2025 and close Friday 26<sup>th</sup> September 2025. For more information visit the Shire website <https://www.boyupbrook.wa.gov.au/community/education/rylington-park.aspx>

## Help prevent the spread of PSHB this winter

DO NOT move wood out of the quarantine areas. Polyphagous shot-hole borer (PSHB) does not move far on its own but can travel long distances when people move firewood. Buy your firewood where you burn it.

DO NOT burn any PSHB infested wood. This can cause PSHB to leave the material, increasing the risk of further spread.

Report any suspected PSHB infestations to DPIRD via MyPestGuide® Reporter app.

Find out more about PSHB and the quarantine areas online at <https://www.dpiird.wa.gov.au/businesses/pests-weeds-and-diseases/animal-pests-diseases/pest-insects/polyphagous-shot-hole-borer/>

## Protecting Our Public Toilets

The Shire of Boyup Brook is asking for community support after recent damage and misuse of some of the public toilets.

These facilities are provided and maintained, at the expense of ratepayers, for the benefit of everyone – both locals and visitors – and we all have a part to play in keeping them clean, safe and in good condition.

To help prevent further issues, the Shire is considering after hours closures at some locations and will be installing security cameras outside selected public toilets.

We thank everyone for their support in helping us look after our public facilities.

We kindly ask all dog owners to pick up after their dogs and dispose of waste properly. Leaving dog poo behind affects the environment and makes shared spaces unpleasant. Let's work together to keep our town clean and enjoyable.

## Go Paperless - Receive your Rates Notice by Email

The Shire of Boyup Brook is encouraging ratepayers to go paperless by choosing to receive your rates notices via email.

Switching from paper to email delivery is a safer, faster and more environmentally friendly way to receive your notices.

Benefits of going digital include:

-  **Prompt delivery - no delays or risk of notices being lost in the mail**
-  **Convenience - view your current rates notice online anytime**
-  **Cost savings - helps reduce printing, paper, envelopes and postage expenses**
-  **Reduce paper items in your filing cabinets**

It's quick and easy to sign up! Simply send an email to [shire@boyupbrook.wa.gov.au](mailto:shire@boyupbrook.wa.gov.au) with the following details:

- The name that appears on your rate notice
- Your Assessment Number and / or property address
- Your preferred email address

**Help us reduce our environmental footprint and improve efficiency - go paperless today!**

## Are you thinking about standing for Council?

There are many great reasons why locals choose to nominate for Council – from the satisfaction of giving back to the community, to having a say in the future direction of our beautiful region. Serving as an Elected Member for the Shire of Boyup Brook is a rewarding opportunity, offering a chance to contribute to decisions that shape our shire and community.

This year's Local Government Election is being held on 18 October 2025. Four Council positions will be open, offering community members the opportunity to step forward and represent Boyup Brook. Nominations open 28 August 2025 and close at 4:00pm on 4 September 2025.

If you're interested in making a difference, we encourage you to find out more:

- <https://www.elections.wa.gov.au/candidates-and-parties/local-government-candidates>
- <https://www.dlgsc.wa.gov.au/local-government/local-governments/council-elections/nominating-to-be-a-council-member>

Important information to note:

-  All potential candidates are required to complete a mandatory candidate induction before nominating. Details are available on the Department of Local Government, Sport and Cultural Industries website.
-  Candidates and donors also have an obligation to disclose any election-related gifts received or promised in the six months leading up to polling day.
-  As per the Local Government Act 1995, all candidates must follow the Shire of Boyup Brook Code of Conduct for Council Members, Committee Members and Candidates. This applies throughout the election period and continues if elected. Breaches of the code may result in formal complaints and action under the Act.
