What's Happening in the Shire?

The Shire has received approval to proceed with the \$351,364 Local Roads and Community Infrastructure (LRCI) Round 2 projects that will be completed by December 2021. The Flax Mill Community Facilities Improvements project includes building and safety improvements, public viewing area lighting, exterior cladding on the scutching shed (to prepare for a future mural) and camp kitchen upgrade. The Boyup Brook Swimming Pool upgrade will deliver inclusive access, improved safety with a new chlorine delivery system and improved toddler pool access, increased visual amenity with new floor coverings and reticulation, additional shade and a new publicly accessible gym. The funds will also deliver improvements and repairs to the Lesser Hall flooring. Round 1 projects are on track and will be completed by 30 June 2021 including the Boyup Brook Cranbrook Shoulder upgrades, additional street parking on Forrest Street, Stage 1 of the football lights (Stage 2 is pending the CSRFF grant outcome), Flax Mill and Tourist Centre upgrades.

How Many Dogs Can I Have?

Our local law, the *Dog Act 1976* - section 26(4), found on the Shire website, limits the number of dogs living on your property, unless you are granted an exemption under section 26(3) of the Act.

If you have more than 2 dogs in town, or more than 4 dogs out of town, you must apply for an exemption from the Council. Forms are available from the Shire, and a fee applies.

Fines can apply if you are found to have more than the allowed number of dogs living on your property without a Shire exemption.

Contact the Shire on 9765 1200 for more information.

If you are paying your Shire rates by instalments, the next instalment is due by the 12th May 2021

2021 Census

Australia's next national Census will be held on Tuesday 10 August 2021. The Census is a snapshot of who we are and tells the story of how we are changing. It's used to inform many things, from planning schools, healthcare and roads to local services for individuals, families and communities. Your participation is important. The Census provides data on important topics such as populations, rents, mortgages, incomes, religion, languages, housing and more. It helps governments, businesses, researchers, not for profit and community organisations make informed decisions. The Census is a massive undertaking, and is the largest peacetime logistical effort in Australia. It includes around 10 million households and 25 million people.
