

Flax Mill History Continues

Last year the Shire invested in the history of the Flax Mill by installing interpretive signage outside of the camp kitchen facing Jackson Street. The five large signs detail the history of the flax industry in Boyup Brook.

To complement the signage, a retting tank door has been restored by a generous Boyup Brook local. This community member has volunteered many hours restoring the old door which has been placed next to the interpretive signage to continue the story.

A big thank you for helping to restore and preserve our history.

Boyup Brook Medical Services

With the cooler months approaching, now is the perfect time to book in for your annual flu vaccination. Appointments are available Monday-Friday, 8.30am - 4:30pm.

Do you need a repeat prescription or referral to see a specialist? Before the Doctor can write a prescription or referral for you, they will need to see you for a review. Please phone the Practice on 9765 1026 to make an appointment with the Doctor before your prescriptions need refilling or you need to see the specialist.

Sandakan All Ages Play Space Update

The progress is continuing at the all-ages playground with the project really starting to take shape. We are thrilled to share the latest developments which include:

- Footpaths have now been laid
- The toddler play area is nearly complete, with all equipment installed and just the play sand to be added.
- Framework for the swings has been installed
- Musical play equipment has been installed
- Trampolines are now in place
- Washing line swing has also been successfully installed.
- We're eagerly awaiting the arrival of the main tower, currently en route from Europe.

Meanwhile, the gazebo framework is up, and the accessible BBQ has been installed, adding to the inclusive and welcoming nature of the space. Our team is working hard to bring this vibrant community hub to life, and we can't wait to see it enjoyed by locals of all ages and abilities. Please remember—for everyone's safety, entry to the construction site remains strictly prohibited.

This amazing project has been generously funded by Talison Lithium through the Talison Community Investment Program (CIP).
