12. Assist the Executive Manager Operational Services with the preparation of Council's annual works program for roads and associated infrastructure, parks, bridges, reserves and public open space.
13. Assist the Executive Manager Operational Services with the preparation of Council's annual Engineering budget.
14. Assist with the monthly updated reports on the progress of works and expenditure against budget allocations and report anticipated discrepancies to the Executive Manager Operational Services.
15. Close out processing of works completed.

16. Liaise with public utilities and authorities for the co-ordination of works and the protection of services.
17. Assist where required in Council Asset Management, including ROMANS, Buildings and Parks and Gardens.
18. Assist in design of traffic management for road projects and maintenance activities.
19. Liaise with the CEO, Executive Manager Corporate Services and Executive Manager Operational Services and other senior staff to keep them informed of all developments or changes associated with projects.
20. Successfully manage relationships with key stakeholders including ratepayers, residents, local authorities, contractors, and internal parties, as directed by the Executive Manager Operational Services.
21. Maintain accurate records in accordance with the Shire's Record Keeping Policy.
22. Provide and record responses to customer enquiries in a timely manner.
23. Establish efficient systems and processes to improve, monitor and report on the level of customer service relating to all technical services.
24. Be an active and engaged member of the Works and Services team who adds value by completing high quality work and who is a positive team member.
25. Ensure high work standards are maintained.
26. Assist the Executive Manager Operational Services;
 - i. to provide effective supervision, leadership and training for operations, contractors and staff of the Works and Services road construction, road maintenance, major projects, and waste teams.
 - ii. to monitor work practices to ensure safety of employees and compliance with Work Health and Safety Legislation.
 - iii. to monitor productivity, availability and utilisation of labour and plant and make appropriate improvement changes.
 - iv. with preparation and delivery of the Works and Services annual budget.
 - v. to develop operational practices and guidelines relevant to work and safety improvements for the construction, maintenance, major projects, and waste areas.
27. Any other duties from time to time as reasonably requested by the Manager Works and Services or the Chief Executive Officer.

PERFORMANCE OF DUTIES

1. Ensure that your work is carried out efficiently, economically and effectively and that the standard of work reflects favourably both on you and the Shire of Boyup Brook.
2. Perform your duties impartially and in the best interests of the Shire of Boyup Brook.
3. Comply with all Shire policies and procedures including but not limited to Code of Conduct, Shire of Boyup Brook Policy, *Local Government Act 1955* and other relevant Legislation.
4. Demonstrate and model our Corporate Values.
5. Act with integrity – being consistent with Shire's core values in all your tasks and interactions with others. Demonstrating integrity includes:
 - Demonstrating a personal quality that shows a strong respect for ethical principles in all aspects of your work.
 - Being dependable and following through on your commitments.
 - Being respectful when communicating with others.
 - Taking responsibility for your actions and holding yourself accountable for your mistakes.

KEY PERFORMANCE INDICATORS

At least once in each financial year the Executive Manager Operational Services will conduct an evaluation of the Assets Officer's performance. The annual review will include an assessment of achievement against the Objectives of the Role in line with the Role Responsibilities outlined above.

SAFETY AND DUTY OF CARE

WHS Responsibilities – Managers/Supervisors

- Ensure adherence to WHS policies and procedures.
- Consult with workers and WH&S representatives on WHS issues.
- Ensure that workers are equipped with the information, instruction, training and supervision that they need to work safely.
- Identify, assess if necessary and control hazards within their area of responsibility.
- Encourage early reporting of incidents and forward information to RTW Coordinators immediately.
- Assist with initiating an early return to work on suitable duties after a workplace injury.
- Access sources of WHS information and systematically disseminate information to all workers.
- Ensure that workers including volunteers and contractors are aware of, and abide by, all relevant health and safety procedures particularly those relating to the operation of plant and equipment.
- Develop safe work procedures as required and ensure adherence to procedures.
- Provide PPE as required and ensure workers are aware of correct usage and storage requirements.
- Ensure all plant and equipment is properly maintained.
- Maintain relevant knowledge of WHS issues.
- Act as a role model by demonstrating safe work behaviours.

WHS Responsibilities - Employees

The Shire of Boyup Brook recognises its legal obligations under the *Equal Opportunity Act 1984* and will actively promote equal opportunity based solely on merit to ensure discrimination does not occur on the grounds of gender, age, marital status, pregnancy, race, disability, religious or political convictions.

The Shire is committed to Workplace Health and Safety in all areas of the Shire's operations, and requires you to comply with the requirements of the *Work Health and Safety Act 2020* and accompanying *Work Health and Safety (General) Regulations 2022* which requires that while at work, a worker must:

- a) take reasonable care for the worker's own health and safety; and*
- b) take reasonable care that the worker's acts or omissions do not adversely affect the health and safety of other persons; and*
- c) comply, so far as the worker is reasonably able, with any reasonable instruction that is given by the person conducting the business or undertaking to allow the person to comply with the Act; and*
- d) cooperate with any reasonable policy or procedure of the person conducting the business or undertaking relating to health or safety at the workplace that has been notified to workers.*

The Shire requires employees to ensure all volunteers, employees and contractors work or behave in a safe manner and to address or report as appropriate any hazards, behaviours or issues that may compromise health and safety.
