

### Senior Technical Project Coordinator

<b>Position Number</b>	D35	<b>Date Effective</b>	8 <sup>th</sup> April 2022
<b>Level</b>	N/A	<b>Agreement / Award</b>	Contract
<b>Business Unit</b>	Works and Services		
<b>Responsible To</b>	Manager Works and Services		

#### OBJECTIVES OF THE ROLE

The Senior Technical Project Coordinator is responsible for overseeing the Shire's operational needs and objectives with regards to delivery of grant funded and strategic capital works projects and assist the Manager of Works and Services in providing strong leadership and supervision to achieve a high standard of work.

#### ROLES AND RESPONSIBILITIES

1. Provide technical services and advice to the Shire including but not limited to, project management, contract management, engineering survey and design plans.
2. Review and implementation of technical design drawings associated with civil engineering projects including roads, drainage, parks and recreation and community facilities.
3. Coordinate planning and delivery of the Shire's grant funded and major works projects.
4. Maintain Shire's RAMM (infrastructure) database and create reports as required.
5. Supervise maintenance, upgrade, and construction programs for sealed and unsealed roads within the Shire of Boyup Brook.
6. Ensure project funds are managed and acquitted in accordance with funding requirements.
7. Coordinate the development of tender documents for Shire service providers where required.
8. Liaise with the CEO, Deputy CEO and Manager Works and Services and other senior staff to keep them informed of all developments or changes associated with projects.
9. Successfully manage relationships with key stakeholders including ratepayers, residents, local authorities, contractors, and internal parties.
10. Maintain accurate records in accordance with the Shire's Record Keeping Policy.
11. Provide and record responses to customer enquiries in a timely manner.
12. Establish efficient systems and processes to improve, monitor and report on the level of customer service relating to all technical services.
13. Be an active and engaged member of the Works and Services team who adds value by completing high quality work and who is a positive team member.
14. Ensure high work standards are maintained.
15. Assist the Manager Works and Services
  - i. to provide effective supervision, leadership and training for operations, contractors and staff of the Works and Services road construction, road maintenance, major projects, and waste teams.
  - ii. to monitor work practices to ensure safety of employees and compliance with Work Health and Safety Legislation.

- iii. to monitor productivity, availability and utilisation of labour and plant and make appropriate improvement changes.
  - iv. with preparation and delivery of the Works and Services annual budget.
  - v. to develop operational practices and guidelines relevant to work and safety improvements for the construction, maintenance, major projects, and waste areas.
16. Any other duties from time to time as reasonably requested by the Manager Works and Services or the Chief Executive Officer.

## PERFORMANCE OF DUTIES

1. Ensure that your work is carried out efficiently, economically and effectively and that the standard of work reflects favourably both on you and the Shire of Boyup Brook.
2. Perform your duties impartially and in the best interests of the Shire of Boyup Brook.
3. Comply with all Shire policies and procedures including but not limited to Code of Conduct, Shire of Boyup Brook Policy, *Local Government Act 1955* and other relevant Legislation.

## KEY PERFORMANCE INDICATORS

At least once in each financial year the Manager Works and Services will conduct an evaluation of the Senior Technical Project Coordinator's performance. The annual review will include an assessment of achievement against the Objectives of the Role in line with the Role Responsibilities outlined above.

## SAFETY AND DUTY OF CARE

The Shire of Boyup Brook recognises its legal obligations under the *Equal Opportunity Act 1984* and will actively promote equal opportunity based solely on merit to ensure discrimination does not occur on the grounds of gender, age, marital status, pregnancy, race, disability, religious or political convictions.

The Shire is committed to Workplace Health and Safety in all areas of the Shire's operations, and requires you to comply with the requirements of the *Work Health and Safety Act 2020* and accompanying *Work Health and Safety (General) Regulations 2022* which requires that while at work, a worker must:

- a) *take reasonable care for the worker's own health and safety; and*
- b) *take reasonable care that the worker's acts or omissions do not adversely affect the health and safety of other persons; and*
- c) *comply, so far as the worker is reasonably able, with any reasonable instruction that is given by the person conducting the business or undertaking to allow the person to comply with the Act; and*
- d) *cooperate with any reasonable policy or procedure of the person conducting the business or undertaking relating to health or safety at the workplace that has been notified to workers.*

The Shire requires employees to ensure all volunteers, employees and contractors work or behave in a safe manner and to address or report as appropriate any hazards, behaviours or issues that may compromise health and safety.
