

APPLICATION REQUIREMENTS DEVELOPMENT APPROVAL

For all applications for Development Approval the following information is required:

- 2 copies of a scaled site plan (refer below);
- 2 copies of elevations of any proposed new buildings or existing buildings if additions are proposed;
- 2 copies of the floor plan of any proposed new buildings;
- Type and colour of building materials to be used; and
- A brief letter explaining the nature of your application (*please be aware that information provided with the application may be made public during any advertising or public comment period*).

Your plans should show as much information as possible, otherwise delays in processing approvals may occur. If you need help deciding what information you should show, please consult with the Shire's Planning Department.

Depending on the nature of your application additional information may be required than what is listed above. A Planning Officer will contact you if more information is required.
