"Traffic Lights" Colour Coding:

For the purposes of identifying "material variances" under Local Government (Financial Management) Regulation 34, the Council has defined a formula in Council Policy 2.1.6 (see also Variance Report in these Statements).

To simplify this reporting, a traffic light system is used in the variance column of the Statement of Comprehensive Income and the Rate Setting Statement, as follows:

Revenue:

Green = Actual Revenue is greater than Year-to-Date budgeted revenue by 10% or more

Red = Variance between Actual Revenue and Year-to-Date budget is greater than 10% (low)

Expenditure:

Green = Actual Expenditure is less than Year-to-Date budgeted expenditure

Red = Variance between Actual Expenditure and Year-to-Date budget is greater than 10% (higher)

To whom it may concern

The Tonebridge Progress Association would like to replace the existing toilet at the Tonebridge Rest Area with a new toilet that would allow wheelchair access. DBCA has kindly allowed us to use their plans they use in the National Parks, are fully drawn and engineered .

The existing toilet was placed there in 1988 by the TBPA and has served the travelling public well, The area is maintained by the members and has been featured in one of the tourist magazines.

The materials and construction will be funded by the TBPA. We ask the Boyup Brook Shire to waver any costs associated with the planning approval.

AGM Association Standing Orders

1. INTERPRETATIONS

For the purposes of these Standing Orders, if not inconsistent with the context, the following words shall have the following meanings:

- 1.1 **"Absolute Majority"** means:
a majority of delegates of the Association whether present and voting or not.
- 1.2 **"Association"** means:
all or any part of the Western Australian Local Government Association.
- 1.3 **"Delegate or Deputy Delegate"** means:
those persons duly nominated, from time to time, to represent a Member Local Government at a meeting of the Association.
- 1.4 **"Deputy President"** means:
the Deputy President for the time being of the Association.
- 1.5 **"Meeting"** means:
an Annual or Special General Meeting of the Association.
- 1.6 **"Member Local Government"** means:
a Local Government admitted to ordinary membership of the Association in accordance with the provisions of the Constitution.
- 1.7 **"President"** means:
the President for the time being of the Association.
- 1.8 **"Simple Majority"** means:
a majority of the delegates from the Association that are present and voting.

2. CONDUCT OF MEETINGS

The proceedings and business of meetings of the Association shall be conducted according to these Standing Orders.

3. NOTICE OF MEETING

3.1 Annual General Meeting

The Chief Executive Officer of the Association shall give at least ninety (90) days notice of an Annual General Meeting to all Member Local Governments, advising of the closing date for submission of motions for inclusion on the agenda.

3.2 Special General Meeting

A Special General Meeting of the Association is to be held if a request is received by the Association President, in accordance with the requirements of the Association's Constitution. No business shall be transacted at a Special General Meeting other

than that for which the Special General Meeting was called.

- 3.3 Notice shall be given at the destinations appearing in the records of the Association.

Notice will be deemed to have been delivered immediately if transmitted electronically or on the second working day after posting.

4. QUORUM

- 4.1 The Association shall not conduct business at a meeting unless a quorum is present.

- 4.2 At any meeting of the Association greater than one half of the delegates who are eligible to vote must be present to form a quorum.

- 4.3 The Association is not to transact business at a meeting unless a quorum is present.

- 4.4 If a quorum has not been established within the 30 minutes after a meeting is due to begin then the Association can be adjourned –

- (a) by the President or if the President is not present at the meeting, by the Deputy President;
- (b) if neither the President nor Deputy President is present at the meeting, by a majority of delegates present;
- (c) if only one delegate is present, by that delegate; or
- (d) if no delegate is present, by the Chief Executive Officer or a person authorised by the Chief Executive Officer.

- 4.5 If at any time during a meeting a quorum is not present, the President shall thereupon suspend the proceedings of the meeting for a period of five (5) minutes and if a quorum is not present at the expiration of that period, the meeting shall be deemed to have been adjourned and the person presiding is to reschedule it for some future time.

- 4.6 Notice of a meeting adjourned because of absence of a quorum is to be given to all Member Local Governments.

5. MEETINGS OPEN TO THE PUBLIC

The business of the Association shall be open to the public except upon such occasions as the Association may by resolution otherwise decide.

6. ORDER OF BUSINESS

Unless the Association should decide otherwise, the order of business at meetings of the Association, with the exception of special meetings or an adjourned meeting, shall be as follows:

- (a) Record of attendance and apologies;

- (b) Announcements;
 - (c) Confirmation of minutes of previous meetings;
 - (d) President's report;
 - (e) Financial report for the financial year; and
 - (f) Consideration of Executive and Member Motions.
- 7. VOTING ENTITLEMENTS**
- 7.1** Each Member Local Government shall be entitled to be represented at any meeting of the Association.
- 7.2** Only eligible and registered delegates may vote.
- 7.3** A delegate shall be entitled to exercise one vote on each matter to be decided. Votes are to be exercised in person.
- 7.4** A delegate unable to attend any meeting of the Association shall be entitled to cast a vote by proxy.
- 7.5** A proxy shall be in writing and shall nominate the person in whose favour the proxy is given, which person need not be a delegate. Proxy authorisations shall be delivered to the Chief Executive Officer of the Association before the commencement of the meeting at which the proxy is to be exercised and shall be signed by the delegate or by the Chief Executive Officer of the Member Local Government that nominated the delegate.
- 8. SPECIAL URGENT BUSINESS**
- At any time during a meeting a delegate may, with the approval of an absolute majority, introduce a motion relating to special urgent business that calls for an expression of opinion from the meeting.
- In presenting an item of special urgent business, a delegate shall have sufficient copies of the motion in writing for distribution to all delegates present at the meeting and, where practicable, give prior notice to the President of such intention.
- 9. PRESIDENT**
- In the construction of these Standing Orders unless the context requires otherwise, the word "President" shall in the absence of the President include the Deputy President or the delegate chosen by resolution to preside at any meeting of the Association.
- 10. DELEGATE AND DEPUTY DELEGATE**
- 10.1** In the construction of these Standing Orders unless the context requires otherwise, the word "delegate" shall in the absence of the delegate include the deputy delegate.
- 10.2** A deputy delegate acting in the capacity of a delegate unable to attend a meeting of the Association shall exercise all rights of that delegate.
- 11. PRESIDENT TO PRESIDE**
- 11.1** The President shall preside at all meetings of the Association, but in absence of the President, the Deputy President shall preside.
- 11.2** In the absence of the President and the Deputy President, the delegates shall choose by resolution, a delegate present to preside at the meeting.
- 12. SPEAKING PROTOCOL**
- 12.1** Only registered delegates and members of the Association's State Council shall be entitled to speak at meetings of the Association.
- 12.2** The first person that is entitled to speak at a meeting who attracts the attention of the person presiding shall have precedence in speaking.
- 12.3** Speakers are to use the microphones supplied.
- 12.4** When addressing a meeting, speakers are to:
- (a) rise and remain standing unless unable to do so by reason of sickness or disability;
 - (b) address the meeting through the person presiding;
 - (c) state their name and Local Government before otherwise speaking;
 - (d) refrain from reading comment printed in the agenda paper in support of a motion, but may identify key points or make additional comment; and
 - (e) refrain from using provoking or discourteous expressions that are calculated to disturb the peaceful current of debate.
- 12.5** Mobile phones shall not be switched on while the meeting is in session.
- 13. DEBATE PROCEDURES**
- 13.1** A delegate moving a substantive motion may speak for –
- (a) 5 minutes in his or her opening address; and
 - (b) 3 minutes in exercising the right of reply.
- 13.2** Other speeches for or against motions are to be limited to 3 minutes unless consent of the meeting is obtained which shall be signified without debate.
- 13.3** No delegate, except the mover of a motion in reply, is to speak more than once on the same motion except by way of personal explanation.

13.4 As soon as the right of reply has been exercised, the motion is to be forthwith put to the vote without further comment.

13.5 No discussion shall take place on any motion unless it is moved and seconded. Only one amendment on any one motion shall be received at a time, and such amendment shall be disposed of before any further amendment can be received. Any number of amendments may be proposed.

13.6 The provisions of these Standing Orders applicable to motions apply mutatis mutandis to amendments, except that the mover of an amendment shall have no right of reply.

13.7 When a motion has been moved and seconded, the person presiding shall at once proceed to take a vote thereon unless a delegate opposes it or an amendment is proposed.

13.8 No more than two delegates shall speak in succession on one side, either for or against the question before the meeting, and if at the conclusion of the second speaker's remarks, no delegate speaks on the other side, the motion or amendment may be put to the vote.

13.9 Notwithstanding clause 13.7, where a composite motion is moved which embodies the core aspects of subsequent motions listed on the agenda, a delegate whose motion has been superseded shall have the opportunity to speak on the question of the composite motion before it is put.

Once a composite motion has been carried, no further debate shall be permitted in respect of the superseded motions.

13.10 At any time during a debate, but after the conclusion of a delegate's comments, a delegate who has not spoken during the debate may move, without discussion, "that the question be now put". If that motion is seconded and carried by a majority, the question shall be submitted at once to the meeting, after the mover has replied.

14. QUESTIONS

Any delegate seeking to ask a question at any meeting of the Association shall direct the question to the President.

15. POINT OF ORDER

A delegate who is addressing the President shall not be interrupted except on a point of order, in which event the delegate shall wait until the delegate raising the point of order has been heard and the question of order has been disposed of, whereupon the delegate so interrupted may, if permitted, continue.

16. MOTION - SUBSTANCE TO BE STATED

A delegate seeking to propose an original motion or amendment shall state its substance before addressing the meeting thereon and, if so required by the President, shall put the motion or amendment in writing.

17. PRIORITY OF SPEAKERS

If two or more delegates wish to speak at the same time, the President shall decide who is entitled to priority.

18. PRESIDENT TO BE HEARD

Whenever the President signifies a desire to speak during a debate, any delegate speaking or offering to speak is to be silent, so that the President may be heard without interruption.

19. WITHDRAWAL OF MOTION

A motion or amendment may be withdrawn by the mover with the consent of the meeting, which shall be signified without debate, and it shall not be competent for any delegate to speak upon it after the mover has asked permission for its withdrawal, unless such permission has been refused.

20. PRESIDENT MAY CALL TO ORDER

The President shall preserve order, and may call any delegate to order when holding an opinion that there shall be cause for so doing.

21. RULING BY PRESIDENT

The President shall decide all questions of order or practice. The decision shall be final and be accepted by the meeting without argument or comment unless in any particular case the meeting resolves that a different ruling shall be substituted for the ruling given by the President. Discussions shall be permitted on any such motion.

22. RESOLUTIONS

22.1 Except as otherwise provided in the Association Constitution and these Standing Orders, all motions concerning the affairs of the Association shall be passed by a simple majority.

22.2 Any matter considered by the Association at a Special Meeting shall not be passed unless having received an absolute majority.

23. NO DISCUSSION

Where there is no discussion on a motion, the President may deem the motion to be passed unless the meeting resolves otherwise.

24. PERMISSIBLE MOTIONS DURING DEBATE

- 24.1 When a motion is under debate, no further motion shall be moved except the following:
- (a) that the motion be amended;
 - (b) that the meeting be adjourned;
 - (c) that the debate be adjourned;
 - (d) that the question be now put;
 - (e) that the meeting proceed with the next item of business; or
 - (f) that the meeting sits behind closed doors.
- 24.2 Any delegate who has not already spoken on the subject of a motion at the close of the speech of any other delegate, may move without notice any one of the motions listed in clause 24.1 (b)-(f) and, if the motion is seconded, it shall be put forthwith.
- 24.3 When a debate is adjourned, the delegate who moves the adjournment shall be the first to speak on the motion when the debate is resumed unless the delegate advises of no desire to speak on the motion. Where this occurs, the President shall then call for further speakers, with the exception of those delegates who have previously spoken (unless the meeting otherwise agrees).

25. RESCISSION OF RESOLUTION

- 25.1 **At the same meeting**
Unless a greater majority is required for a particular kind of decision under the Standing Orders (in which event that shall be the majority required), the Association may, by simple majority at the same meeting at which it is passed, rescind or alter a resolution if all delegates who were present at the time when the original resolution was passed are present.
- 25.2 **At a Future Meeting**
Unless a greater majority is required for a particular kind of decision under the Standing Orders (in which event that shall be the majority required), the Association may rescind or alter a resolution made at an earlier meeting:
- (a) by simple majority, where the delegate intending to move the motion has, through the Chief Executive Officer, given written notice of the intended motion to each delegate at least seven (7) days prior to the meeting; or
 - (b) by absolute majority, in any other case.

26. METHOD OF TAKING VOTES

The President shall, in taking a vote on any motion or amendment, put the question first in the affirmative, and then in the negative and may do so as often as is necessary to enable formation and declaration of an opinion as to whether the affirmative or the negative has the majority on the voices or by a show of hands or by an electronic key pad voting system.

27. DIVISION

The result of voting openly is determined on the count of official voting cards and, immediately upon a vote being taken, a delegate may call for a division.

28. ALL DELEGATES TO VOTE

28.1 At meetings of the Association, a delegate present at the meeting when a question is put shall vote on the question.

28.2 Each delegate shall be entitled to exercise one deliberative vote on any matter considered.

29. PRESIDENT'S RIGHT TO VOTE

The President shall have a casting vote only.

30. SUSPENSION OF STANDING ORDERS

30.1 In cases of urgent necessity or whilst the Association is sitting behind closed doors, any of these Standing Orders may be suspended on a motion duly made and seconded, but that motion shall not be declared carried unless a simple majority of the delegates voting on the question have voted in favour of the motion.

30.2 Any delegates moving the suspension of a Standing Order shall state the object of the motion, but discussion shall not otherwise take place.

31. NO ADVERSE REFLECTION ON ASSOCIATION

A delegate shall not reflect adversely upon a resolution of the Association, except on a motion that the resolution be rescinded.

32. NO ADVERSE REFLECTION ON DELEGATE

A delegate of the Association shall not reflect adversely upon the character or actions of another delegate nor impute any motive to a delegate unless the Association resolves, without debate, that the question then before the Association cannot otherwise be adequately considered.

33. MINUTES

33.1 The Chief Executive Officer of the Association is to cause minutes of the meeting to be kept and preserved.

33.2 The minutes of a meeting are to be submitted to the next Annual or Special General Meeting for confirmation.

33.3 Copies of the minutes will be supplied to all delegates prior to the meeting.

3.1 Road Traffic Issues

Shire of Dardanup

RESOLUTION

Moved: President Cr Michael Bennett, Shire of Dardanup
Seconded: Cr Tyrrell Gardiner, Shire of Dardanup

That WALGA Advocate on behalf of the local government sector to the State Government and in particular, Main Roads, to increase importance and weight given to local knowledge and input regarding road traffic issues including requests for speed reduction, intersection treatments and overall preventative and traffic safety measures.

CARRIED

MEMBER COMMENT

The Shire of Dardanup and its community have experienced a number of instances where preventative action was only taken after fatalities occurred on roads and intersections, despite pleas and requests from the local government, community and stakeholders.

Recent examples include the following intersections:

- Hynes Road on Forrest highway, fatalities occurred before safety concerns were addressed and speed limit reduced;
- Hynes Road on South Western Highway, fatalities occurred before safety concerns were addressed and speed limit reduced;
- South Western Highway section from Hynes Road westbound to Picton, high number of fatalities occurred before safety concerns were addressed and speed limit reduced;
- Eaton Drive numerous intersection designs, almost 10 years of traffic studies paid for by the local government as requested by Main Roads which eventually culminated in a treatment plan for all intersection that was agreed to by Main Roads South West, but rejected by Main Roads Perth

request further traffic studies delaying action and deferring addressing community and safety concerns.

SECRETARIAT COMMENT

The Commissioner for Main Roads has the authority to erect, alter or take down any road sign or traffic control signal under the provisions of Regulation 297 of the *Road Traffic Code 2000*. This authority has not been delegated to Local Governments, except under very limited conditions. To effectively manage the local road network Local Governments need to work with Main Roads WA Traffic Management Services. The issues identified in the motion are consistent with the experience of other Local Governments.

In response to advocacy from WALGA and Local Governments, Main Roads WA undertook a review of the Speed Zoning Policy and Application Guidelines in 2020. Following adoption of the new policy, 52 Local Governments that had applied one or more times to amend a speed zone completed a survey undertaken by WALGA in 2021 which found that a higher proportion of applications to reduce speed limits on local roads were rejected under the new policy than was previously the case. Local Governments highlighted that the process was slow, somewhat unpredictable and lacked feedback indicating changes are required.

The proposed motion is broadly consistent with the WALGA State Council advocacy position in relation to travel speed management;

1. That the Road Safety Council initiate the development of a comprehensive speed reform plan. That the speed reform plan be designed, to meet the various needs of metropolitan, rural and remote Western Australian communities, with the aim of improving liveability, amenity and safety.
2. That a speed reform plan incorporates:
 - a. measures to ensure that Local Governments are consulted in the process of changing speed limits on the local road network, and
 - b. processes to reduce the barriers and red tape for Local Governments seeking lower speed limits in targeted locations on local urban roads.

[September 2019 – 99.6/2019]

Main Roads WA has evolved its policy position in relation to intersection treatments in the past three years such that “roundabouts or other treatments will be preferred over traffic signalisation, unless evaluation clearly demonstrates those other solutions are unsuitable”². There have also been significant technical changes in the modelling required, including the type of software to be used to demonstrate the effectiveness of the proposed intersection treatment³. These new policies and operational requirements were introduced without adequate consideration of the long planning timeframes associated with road network development.

3.2 Car Parking and Traffic Congestion Around Schools

City of Wanneroo

RESOLUTION

Moved: Cr Frank Cvitan JP, City of Wanneroo

Seconded: Cr Glynis Parker, City of Wanneroo

That WALGA engages with the State Government on behalf of Local Government to review issues associated with car parking and traffic congestion around school sites including but not limited to:

1. Reviewing car parking standards for schools;
2. Ensuring sufficient land is set aside for the provision of parking on school sites;
3. Reviewing the co-location of schools to avoid issues being exacerbated;
4. Restricting school access from major roads;
5. Developing plans to enable schools to manage school traffic;
6. Develop programs to educate drivers; and
7. Develop options and implement initiatives to encourage alternative modes of transport to school.

CARRIED

MEMBER COMMENT

Background

The City of Wanneroo has for some time been concerned about traffic congestion and car parking in and around school sites. In particular, the City is concerned about the car parking and congestion issues that occur over the morning drop-off and afternoon pick-up times due to the high demand and intensity of activity over relatively short periods of time. Causes seem to range from a lack of parking availability, lack of adequate drop-off and pick-up areas and driver behaviour. The results observed by the City include illegal parking and traffic movements leading to conflict and potentially dangerous situations.

As an outer metropolitan growth council, the City of Wanneroo will continue to face the issue of car parking and traffic congestion unless measures are taken to address the increasing challenges and issues associated with schools throughout the City.

It is apparent that the issue of car parking and traffic congestion around schools is not exclusive to the City of Wanneroo. It follows that a comprehensive and coordinated approach to the problem is called for. This motion is submitted to request that WALGA take a lead role in helping bring about such a solution on behalf of all member councils.

Comment

There is a need to approach the State Government to identify and implement new approaches that can contribute to a comprehensive solution. These include:

- Reviewing parking standards for educational establishments;
- Ensuring sufficient land is set aside for the provision of parking on school sites;
- Reviewing the co-location of schools to avoid issues being exacerbated;
- Restricting school access from major arterial roads;
- Developing plans to enable schools to manage school traffic;
- Develop programs to educate drivers; and

- Develop options and implement initiatives to encourage alternative modes of transport for travel to and from school.

The City's Councillors are very concerned about the issues and are supportive of the City pursuing options to reduce the problems at existing schools and prevent them from occurring where new schools are developed. An example of the problem faced in relation to traffic and congestion has been highlighted by a Councillor. Mercy College in Koondoola is located at the intersection of two major roads (Beach Road and Mirrabooka Avenue) where it has been observed that:

- At school pick-up times, cars stop along Mirrabooka Avenue, approximately 200m before the intersection of Beach Road / Mirrabooka Avenue.
- The gate at Mercy College doesn't open until about 2:45pm. Cars are banked up from 2:30, causing significant congestion issues.
- A drop off / pick up entrance along Beach Road appears to be well managed, unlike the one on Mirrabooka Avenue.

The City has operated a school parking program to provide education, manage parking and where necessary take compliance/enforcement action. The City has also worked with the Department of Transport (DOT) *Your Move* team to help in the development of safe routes to school. Despite these efforts, issues of congestion and parking problems persist.

The City acknowledges the Department of Transport (DOT) report *"The declining rate of walking and cycling to school in Perth"* issued in November 2021. The City generally supports the conclusions and recommendations of the report and looks forward to the implementation of the actions proposed.

The City is also aware of the Department of Planning, Lands and Heritage Development Control Policy 2.4: School Sites and the draft operational Policy 2.4: Planning for School Sites. The former policy has been in place since 1998 and the issues of parking and traffic congestion have continued throughout its duration. While the draft policy discusses sufficient parking and embayments and facilities for drop-off and pick-up it does not appear to have measures in place to deal with the high demand and intensity of activity over short periods of time that deal with the resultant congestion and potentially dangerous situations. There is no requirement for schools to manage the traffic they generate.

The City of Wanneroo's observations are that the issue of car parking and traffic congestion occurs at schools in the entire Local Government area regardless of the type (public or private), age and location. That is to say that the issue has been occurring for many years and according to the DOT report has become more of an issue as the rate of walking and cycling to school has declined over the past 40 years.

There is a need for WALGA, as representative of Local Government, to lead discussions with the State Government to find a solution to the issue of parking and traffic congestion around schools.

Addressing car parking provision, driver behaviour and mode of transport can help reduce the issues occurring at schools.

The City's view is that addressing school location, improving safe pedestrian and cycle access routes, provision of safe bicycle storage facilities, ensuring sufficient car parking provision and drop-off/pick-up areas are provided, improving driver behaviour through education and mode of transport can help reduce the issues occurring in and around schools. Improved and safe pedestrian and cycle routes can lead to healthier outcomes for users and can contribute to stronger connected communities.

SECRETARIAT COMMENT

This motion outlines three key requests:

1. A wide-ranging review of standards and school location

There are two main types of schools: Public schools and private schools.

Land for public schools is required to be identified and set aside as part of the structure planning and subdivision process. Public schools are considered as public works, are not controlled by local planning schemes and are exempt from the requirement to obtain development approval. Consequently, Local Governments have limited direct control over the concerns raised in the motion for new public schools. Private schools, the demand for which usually materialises after neighbourhoods are well established, are controlled by local planning schemes and the parking standards and other requirements set out in these schemes.

Draft Operational Policy 2.4 (Western Australian Planning Commission 2020) is the primary planning policy that sets standards for new schools. This draft policy “is intended to assist in addressing issues that may arise in residential areas between schools and their surroundings particularly in respect of traffic and noise generating activities, and mitigation of impacts on existing transport network and services.” The policy sets standards related to minimum number of road frontages and road types, access to active and public transport connections, and requirements to provide traffic impact assessments. The policy was drafted in 2020 and will be finalised following the review of Liveable Neighbourhoods.

Liveable Neighbourhoods is the Western Australian Planning Commission’s primary policy for the design and assessment of structure plans (regional, district and local) and subdivision for new urban (predominantly residential) areas. This policy includes a component on education facilities, including particular design requirements for schools.

The finalisation of Draft Operational Policy 2.4 and current revision of Liveable Neighbourhoods provide opportunities for Local Governments and WALGA to seek amendments to these documents in accordance with member concerns.

2. Better management of traffic by schools and development of driver education programs

Driver behaviour, as well as transport mode choice, contributes to reducing the impact of traffic congestion and safety around schools.

3. Development of options and programs to alternative modes of travel to and from school

In May 2022 WALGA State Council endorsed the Draft Active Travel to School Roadmap, subject to amending Urban Environment Initiative No 1 to “Consult local governments to identify sub-regional school transport challenges and amend existing planning guidelines and develop new guidelines where gaps exist (RESOLUTION 337.4/2022).

State Council also resolved that WALGA:

- Works with the Department of Transport to finalise the Roadmap and encourage Local Government participation in the initiatives identified where these offer solutions to the local issues encountered in each area; and
- Uses the Draft Active Travel to School Roadmap to strengthen advocacy for increased funding for walking and cycling infrastructure in Western Australia by the State and Federal Government.

WALGA has some involvement with the Active Transport to School Working Group, which is led by the Department of Transport and includes representation from the Department of Education. The Department of Transport has developed a new category within the next round of WA Bicycle Network

Grants to co-fund Active Transport Officers with Local Governments. This is an evolution of the former Travel Smart Officers with the new officers having a greater role in working with schools.

3.3 Proposal for Regional Road Maintenance Contracts with Main Roads WA

Shire of Dundas

RESOLUTION

Moved: President Cr Laurene Bonza, Shire of Dundas
Seconded: Cr Sharon Warner, Shire of Dundas

That WALGA assist Local Governments and work with the Hon Minister Rita Saffioti to introduce a similar program that is currently in play in Queensland and introduce a sole invitee Program for Local Governments to engage in a Road Maintenance Performance Contract with Main Roads WA.

CARRIED

MEMBER COMMENT

On 1 April 2022, the McGowan Labour Government [announced](#) it was returning up to 660 maintenance road workers back in-house to Main Roads.

An interactive Q-Trip Funding Tool ([here](#)) provided by the Queensland Government, details the next four years of State Government and Local Government Partnership providing safer roads and sustainability to regional and remote Shires.

To enable the Shire of Dundas to be involved in the direction of WALGA to assist with issues impacting us directly, and other regional resource communities impacted by the related Acts and Regulations.

Given the recent State Government announcement, there is an opportunity for all Local Governments to look at this proposal from WA State Government on how this proposal to keep jobs in house within Main Roads WA and the possibility to work with local governments when contracting the required road maintenance to Local Governments (see [here](#)).

It is suggested that the Queensland Government model, which can be viewed [here](#), works well and allows Councils to recover costs for usage of plant and equipment and recoup plant costs as hire charges against activities to cover all maintenance, depreciation and operating costs for Local Governments as agreed when undertaking joint routine maintenance on State controlled roads.

It is important that when developing this type of model and contract terms to get the document standards and the WHS and the Main Roads Preferred Suppliers correct. In Queensland, Main Roads assisted with these requirements in a partnership arrangement.

If Local Governments across WA are allowed into this space and work for the State Government on a contractual basis, it could be an opportunity to increase revenue significantly, especially in remote rural areas across WA. This would help Council cover cost relating to new imposed WHS Reforms, Local Government Reforms, Auditing Requirements, and associated costs.

SECRETARIAT COMMENT

The decision by the State Government to move to in-sourcing road maintenance delivery and management provides new opportunities for Local Governments to participate in delivering maintenance and minor capital work on the State road network. Local Governments and Regional Organisations of Council have previously contracted to Main Roads WA to deliver road maintenance services. There were several reasons that Councils and Main Roads WA decided not to continue with these arrangements. The Association will need to understand the interest and capacity of Local Governments to undertake road maintenance work on the State road network, to inform engagement with the State Government.

The extent and type of road works that Main Roads WA will deliver using staff and those operations that will be delivered by contract are likely to vary in different parts of the State.

3.4 Northern Australia Beef Roads Program

Shire of Dundas

RESOLUTION

Moved: President Cr Laurene Bonza, Shire of Dundas
Seconded: Cr Sharon Warner, Shire of Dundas

That WALGA work with the Hon Madeleine King MP Minister for Resources and Minister for Northern Australia to make Beef Road Funding available to all Australian Local Governments north and south, or establish a Southern Australia Beef Road Funding Program to allow for equitable support across Australia's beef and agriculture industries.

CARRIED

MEMBER COMMENT

The extension to the south of the country of Roads and Beef Road Funding will be vital to get cattle to the saleyards and be competitive with their counterparts from the North who receive [Federal Funding](#) to assist them in their efforts to transport cattle.

Reliable access has always been the most significant issue facing the community and businesses operating in the remote Northern Nullarbor region and is a serious concern for those emergency service personnel who are called upon in times of crisis. The 2019-2020 bushfires which closed the Eyre Highway (effectively the gateway into WA) is an example of inaccessibility. The Trans Access Road is the only road servicing this area and has in the past been impassable for months due to flooding. This project would deliver transport efficiencies, stimulate and support economic activity, and provide a safer access road for regular users, tourists, and emergency service personnel. The Eyre highway is the number one strategic link into Western Australia. The Trans-Access Road is the only road East linking the Aboriginal Communities, remote roadhouses, and pastoral stations. Linking the two roads increases accessibility, safety, and improves the social service access between the communities on both roads. Cattle and sheep movements can be hampered when the Trans Access Road is closed, and WA freight movements (in and out) are hampered when the Eyre highway is closed, as per the bushfire season of 2020.

This road improvement will shorten the distance from 1,041 to 91.7km (within our Shire), making traffic movements more efficient, as well as safer with a better-quality formed road. The Commodities can get to market with increased certainty, safety, and more efficiently.

This is only the situation with one road and their numerous pastoral leaseholders having the same issues in Western Australia and all the southern pastoral leaseholders across Southern Australia.

See [here](#) a map showing Northern Australia Local Government Roads receiving Funding.

SECRETARIAT COMMENT

The Northern Australia Beef Roads Program was a \$100 million Federal Government investment within the \$980 million Northern Australia Roads Program, which is delivering upgrades to high priority roads in northern Australia essential to the movement of people and freight to support the North's economic development. The Northern Australia Beef Roads Program is making targeted upgrades to key roads necessary for transporting cattle to improve the reliability, productivity and resilience of cattle supply chains in northern Australia, thereby reducing freight costs and strengthening links to markets. The Federal Government announced projects to be funded in October 2016, and the program is now nearing completion.

A key feature of the Northern Australia Beef Roads Program was the active engagement with the beef industry and transport sector to identify potential projects and modelling of different scenarios by the CSIRO using the Transport Network Strategic Investment Tool (TraNSIT) to determine the benefits and assist in prioritising projects. Success in establishing a new Beef Roads Program in Southern Australia would likely require similar support and evidence. Northern Australia provides 90% of Australia's live cattle exports⁴.

The Northern Australia Program is framed around the [Our North, Our Future: White Paper](#) on Developing Northern Australia, with annual statements to Parliament on progress. It is outside of the Minister for Northern Australia responsibilities to establish funding programs in other parts of Australia.

Depending on the scale of investment required, a business case detailing the costs and benefits of the proposed upgrades will be required to underpin advocacy to State and Federal Ministers. The Hon Catherine King, Minister for Infrastructure, Transport and Regional Development of Australia is a primary decision-maker when seeking funding to respond to the identified needs.

3.5 3D House Printing Building Compliance

Shire of Dundas

RESOLUTION

Moved: President Cr Laurene Bonza, Shire of Dundas

Seconded: Cr Sharon Warner, Shire of Dundas

That WALGA requests:

1. Assistance from Minister for Industry and Science The Hon Ed Husic MP, Minister for Housing and Homelessness, Small Business The Hon Julie Collins MP, Minister for Infrastructure, Transport, Regional Development and Local Government The Hon Catherine King MP to work with Ministers from all State and Territory Governments who have Building and Construction in their portfolios, to collaborate and to consider removing impediments within the National Construction Code Series and associated Australian Standards, that dissuade industry from adopting 3D printing as a building method.
2. That the Government provide instruments to incentivise private industry to develop 3D printing and include this as an acceptable building practice.

CARRIED

MEMBER COMMENT

Australia's construction industry may be in for a shake-up, with the arrival of commercial 3D house-printing technology capable of slashing build times and costs.

On the heels of the country's first 3D-printed house – erected in three days Melbourne in January - COBOD, an international leader in the disruptive field, has partnered with Australian company Fortex to distribute its equipment.

COBOD has spearheaded the development of 3D house-printing, having sold about 50 systems featuring multifunctional construction robots across the globe since 2019. They were used to help build the first single-, two- and three-storey 3D-printed dwellings in Europe, the first 3D-printed house and school in Africa, and first wind turbine tower base.

Unfortunately, laws, codes and regulations rarely keep pace with technology. This is the case for using 3D printing to construct houses.

The Shire of Dundas Elected Members supported this motion at the [Ordinary Council Meeting on 28 July 2022](#) (item 10.1.2 WALGA AGM item – 3D Building Compliance).

Australia is currently experiencing an unprecedented housing crisis. Staff and material shortages are now affecting all industries and especially impacting critical industries like housing construction. The construction of buildings in Australia is controlled through a legislative framework that includes reference to the need to comply with the National Construction Code (NCC) and the Building Code Australia (BCA). The NCC is a uniform set of technical provisions for the design and construction of buildings and other structures, including building systems throughout Australia. In WA the NCC/BCA is called up in the *Building Act 2011* and the Building Regulations 2012. It is a statutory requirement that a building or system must be demonstrated to achieve NCC/BCA compliance. The NCC is a performance-based code, containing all performance requirements for the construction of buildings. It's built around a hierarchy of guidance and code compliance levels, with the performance requirements being the minimum level that

buildings, building elements, and systems must meet. A building will comply with the NCC if it satisfies the performance requirements, which are the mandatory requirements of the NCC. The performance requirements are also supported by general requirements. These cover other aspects of applying the NCC including its' interpretation, reference documents, the acceptance of design and construction, including related evidence of suitability/documentation, and the classification of buildings within the NCC. The key to the performance-based NCC is that there is no obligation to adopt any particular material, component, design factor or construction method. This provides for a choice of compliance pathways.

At the [National General Assembly on 19-22 June 2022](#), Motion number 100 was presented by Murray River Council NSW.

Motion number 100 Murray River Council NSW

This National General Assembly calls on the Australian Government to collaborate with local government to remove impediments within the National Construction Code Series (BCA) and associated Australian Standards, that dissuade industry from adopting 3D printing, and the Government provide instruments to incentivise private industry to develop 3D printing.

OBJECTIVE

There is mounting financial pressure on governments, with limited fiscal levers available, to slow the price trajectory of housing. Major change across any industry is difficult for profit-driven entities, especially smaller players, to orchestrate, as simply the risk is high, the financial capacity is limited, and the reward will soon be diluted across their competitors. There are investigations into housing affordability occurring in NSW already, which is commendable. Further opportunities can be harvested if the state partners with local government to review the building codes (which by default do not currently reflect the new technology).

KEY ARGUMENTS

Often the scale of the research and development required is beyond even the most affluent or well-resourced. The longer an industry has been in existence, the harder it is to change, amplified by the educational institutions and financial commitments that both have long lead times and future commitments. Furthermore, regulations (in this instance building codes and standards) are always slow to change and are often an even bigger impediment. In August 2021, the first 3D printed houses were sold in the USA. The investment in research and development in 3D printed structures over the next few years in many counties, largely driven by price pressures, government policies, international treaty obligations, but also because of the frailty of global supply chains, is profound.

Housing affordability is now becoming critical, yet the policy levers appear to be slow moving. Although it will take some time to achieve, the initial indicators are that 3D Printed houses will lower prices. Therefore, it would be prudent to adapt our rules to facilitate.

- [National Construction Code \(NCC\)](#)

SECRETARIAT COMMENT

Changes to the National Construction Code - All components used for building work in Australia must meet certain performance and legal requirements. These requirements help ensure that buildings are safe, healthy for occupants and maintain performance over the expected life of a building. Following a building fire in Melbourne Docklands in 2014, and the cladding fire at Grenfell Tower in London in 2017 which killed 72 people, all State and Territory Building Ministers agreed to an assessment of the effectiveness of building compliance systems across Australia. The resulting Building Confidence Report, released in 2018, identified that problems exist with building product safety in Australia. Subsequently, all Building Ministers agreed to the development of a National Product Assurance Framework to strengthen building product performance requirements. A discussion paper outlining the proposed framework was released by the Australian Building Codes Board in 2021 and can be found [here](#). Any change allowing new forms of construction would require substantial evidence to be presented by industry to the Australian Building Codes Board.

Alternative construction methods such as modular buildings, buildings with pre-engineered components and Structural Insulated Panels (SIPS panels) have risen in popularity in Western Australia in recent years, partly in response to supply chain issues and labour shortages. For example, a display home was built in Mandurah from SIPS panels that was supplied and installed in 16 weeks. Strategies that seek to promote diverse housing options, supply and sustainability should consider the suite of alternative construction methods.

3.6 South West Native Title Settlement

Shire of Gingin

RESOLUTION

Moved: President Cr Wayne Fewster, Shire of Gingin
Seconded: Cr Andrea Vis, Shire of Gingin

That WALGA advocate to the State Government that Local Governments be provided with the full list of potential land to be requested for transfer as part of the South West Native Title Settlement and that a minimum of three months be provided for Council to provide feedback.

CARRIED

MEMBER COMMENT

The Shire of Gingin and many other Local Governments are being requested to consider parcels of land to be allocated for transfer as part of the South West Native Title Settlement.

The Shire of Gingin has received its third request, totalling approximately 45 parcels of land, for consultation as part of this process and in each instance is provided only 40 days to provide feedback to the Department.

For each land parcel in question, which can be numerous, Council is requested to consider the following:

1. Is the Shire supportive of the transfer of this land to the Noongar People under the Settlement?
2. Does the Shire have any interest in the land?
3. Does the Shire have existing or planned infrastructure within the land parcel that requires protection? If yes, please provide details and advise if access to this infrastructure will need to be maintained.
4. Is the land parcel subject to any mandatory connection to services?
5. Are any future proposals for the land identified? Please provide detail of what is proposed and in what timeframe?
6. Are there any future proposals for adjoining land that may affect the land identified in the spreadsheet? If so, in what timeframe?
7. Please advise of any proposed planning scheme amendments that may affect the zoning of this land at a State or Local Government level. If a scheme amendment is to occur, what is the change proposed and when will it come into effect?
8. Please advise of any known land management issues such as site contamination, hazards, debris or rubbish dumping, unauthorised land use and environmental considerations (such as inundation or similar site constraints).
9. Please provide any additional comments on the proposed transfer of this land as part of the Settlement.

The 40-day consultation does not provide any ability for Local Government to consult with the community regarding Council's support for the land transfer and as such is ignorant as to the changes in land management.

Local Governments, as part of this process, are not advised as to any intent for the future purpose of the land and/or how it is proposed to be managed into the future and this is creating angst as part of the consultation with Council. For example, it is difficult for any Local Government to approve the transfer of the land without understanding as to what purpose the land is being requested for and who will manage the area, and will it be freehold transfer? This advice may be as simple as the site is requested for cultural significance or for commercial purposes and will be administered by SWLCC as a reserve vested.

The Shire of Gingin, through consultation with the Department, have been advised that within the Shire there are an additional some 230 more locations identified for potential transfer. The Shire, and all Local Governments, should be provided this full list to be able to undertake early due diligence on the land identified.

Without knowing what other Councils are being requested to consider, the Shire requested the Department to ensure that the Shire of Gingin and other Local Governments are not being targeted due to the commercial potential for land. There should be more clarity surrounding the lands that have been requested and identified across all Local Government and this be publicly accessible.

SECRETARIAT COMMENT

Background on the South West Native Title Settlement (Settlement):

The Settlement, in the form of six Indigenous Land Use Agreements (ILUAs), is a landmark native title agreement negotiated between the Noongar people and the State Government of Western Australia (State). The Settlement officially commenced on 25 February 2021, followed by the establishment of the Noongar Boodja Trust and the appointment of Perpetual as the initial Noongar Boodja Trustee on 29 March 2021. Following commencement, as prescribed by the ILUAs, native title rights and interests were surrendered on 13 April 2021, in exchange for a negotiated package of benefits that the State is delivering.

The Noongar Land Estate is a key benefit under the Settlement and will be comprised of up to 300,000 hectares of land handed over as reserve, and up to 20,000 hectares of land transferred in freehold. The first transfers of land to create the NLE were executed by all parties on 14 July 2021. The Department of Planning, Lands and Heritage (DPLH) is the agency responsible for the delivery of the NLE, on behalf of the Minister for Lands. The NLE is intended to provide significant opportunities for the Noongar people to achieve sustainable economic, social and cultural outcomes. The land to be transferred to the NLE is primarily drawn from unallocated Crown land (UCL), unmanaged reserves (UMR) and Aboriginal Lands Trust (ALT) properties within the Settlement area and will be determined through the ILUA-prescribed land identification, assessment and eventual transfer processes managed by DPLH over the five year ILUA implementation period. This work is undertaken consultatively with the Trustee, SWALSC and a broad range of key stakeholders.

A key component of this process is the Assessment Phase, at which point DPLH consults with stakeholders, including Local Government. Consultation with Local Government in this manner is consistent with general Crown land administration requirements, where tenure matters are referred for comment under section 14 of the *Land Administration Act 1997* (LAA). Referrals to Local Governments under the Settlement request detail (if available) on the following:

- whether there are existing interests in the land parcels under consideration for inclusion in the NLE that cannot be met elsewhere;
- whether there are future proposals for the same land or land within the same general location;
- whether there are planning scheme amendments that could affect future use of the land;
- whether there are other relevant land use, land management or land development issues; and
- any other advice they may wish to provide in relation to the subject land.

WALGA asked DPLH if it would it be possible to advise each Local Government of all of the land under consideration within their area at the same time, and DPLH responded as follows:

DPLH regularly provides Local Government Authorities (LGAs) with a list of unallocated Crown land (UCL) and unmanaged reserves (UMR) that may be eligible for inclusion in the Noongar Land Estate within the boundaries of the LGA. This information is provided upon the request of the LGA, in the spirit of proactive and transparent engagement with key stakeholders.

Importantly, DPLH advise that the list provided is reflective of land under consideration at a specific point in time and may be subject to change. Further, all LGAs are advised that DPLH are progressing land through the Phases of the Noongar Land Base Strategy (Strategy) at Annexure J to ILUAs for the Settlement. The Strategy provides an agreed process to be followed and includes a five-year timeframe for the staged delivery of the full 320,000 hectare Noongar Land Estate. As a result, DPLH will likely engage with a number of the involved LGAs numerous times during the five-year period.

WALGA asked DPLH if a 3 month consultation period would be considered, and DPLH responded as follows:

Consultation with LGAs is consistent with general Crown land administration requirements, where tenure matters are referred for comment under section 14 of the LAA. The 40 day timeframe for consultation is prescribed by the Noongar Land Base Strategy (Strategy) at Annexure J to the ILUAs. The sections of the ILUA (including the Settlement Terms) can only be varied by agreement in writing that is executed by or on behalf of the State, each of the Government parties, each Regional Corporation or the relevant Native Title Agreement Group and the Central Services Corporation.

The timeframe for consultation with LGAs is outlined under the Strategy and is intended to ensure the structured delivery of State Government and Trustee for the Noongar Boodja Trust (Trustee) obligations relating to the handover of land. DPLH would also like to emphasise that the LGAs are asked to consider the change of tenure only, not a proposal for the use / development of the land.

The Strategy and therefore the activities of DPLH are consistent with best practice Crown land administration activities, though with prescribed timeframes to ensure adherence to tight project timeframes. The referral questions posed by DPLH during consultation with LGAs are intended to collect detail on what is known to apply to the land at the time of the referral, noting that detailed due diligence and site-specific investigations would need to be undertaken by the Trustee at the point of land use / land development. In the event that an LGA is unable to provide the detailed information within the 40 day timeframe, DPLH is able to discuss and possibly grant timeframe extensions on a case-by-case basis.

WALGA asked DPLH if it was possible to advise Local Governments, at the time of request, as to the intended use of each parcel of land eg cultural or economic development, and DPLH responded as follows:

This information is not provided to DPLH by the representatives of the Noongar people. Instead, the flexible reserve purpose of Noongar Social, Cultural and / or Economic Benefit and the flexibility provided by delivering freehold tenure allows for land to be used by the Trustee in line with the aspirations of the Noongar people – in accordance with the applicable statutory and policy framework. LGAs will retain standard decision-making powers relevant to the use and management of land, under the Local Planning Scheme / Town Planning Scheme and any applicable statute.

The Noongar Land Estate will be a diverse landholding across the six ILUA Areas and approximately 101 involved LGAs. The consultation process undertaken by DPLH is intended to ensure that LGAs can disclose relevant information to inform the decision-making of the Trustee as to whether or not the land should be included in the Noongar Land Estate. Decisions around whether or not land is Cultural Land, Development Land or a combination of both is for the Trustee to make in consultation with the relevant Noongar Regional Corporation after land is accepted for transfer, and may have relevance to the future management of the land. However, LGAs can safely assume that land included into the Noongar Land Estate will be used and managed in accordance with the applicable zoning.

WALGA advised DPLH that generally, a Local Government would consult with their local community about changes to the use of Local Government managed land, and that the 40 day consultation timeframe did not allow for this. DPLH responded as follows:

LGAs may elect to undertake consultation with community regarding tenure change proposals, but it is not a requirement of the Strategy nor of the State Government more broadly. DPLH recommends that the standard approach taken by LGAs for any other Crown land administration matters referred by DPLH is the example to follow.

Community consultation may be more appropriate at the point of a development proposal being submitted to the LGA by the Trustee, as all detail requested above would be known and consultation can be well-informed. It is understood that consultation with community on development proposals is commonly undertaken by LGAs before consideration of a proposal by Council.

Please be advised that UCL and UMR (and Crown land more broadly) are the jurisdiction of the Minister for Lands, and while LGAs may have a role in regulating or to an extent managing UCL and UMR, this role does not form an interest in the land or a veto power for tenure proposals over the land.

DPLH made the additional further comment:

DPLH undertakes comprehensive consultation on land under consideration for possible inclusion in the Noongar Land Estate to obtain any and all information that may be relevant to the future use and management of the land by the Trustee. This includes all relevant LGAs and key State Agencies including the Department of Mines, Industry Regulation and Safety, the Department of Biodiversity, Conservation and Attractions and the Department of Water and Environmental Regulation. Service providers are also consulted on each land parcel.

All are provided with a 40 day timeframe for providing a response. At present, DPLH is actively progressing approximately 100,000 hectares of land across the six ILUA Areas through the Phases of the Strategy towards formal offer to the Trustee. The scope of this process is substantial, so the timeframes within the Strategy are critical for ensuring information collection can occur in a timely manner.

3.7 Land Offset Compensation to Local Governments

Shire of Gingin

RESOLUTION

Moved: President Cr Wayne Fewster, Shire of Gingin
Seconded: Cr Andrea Vis, Shire of Gingin

That WALGA advocate to the State Government that the Developer requiring land offsets should be required to provide the offsets within the Local Government where the clearing occurs and where this is not possible, the Developer requiring land offsets within another Local Government be required to pay a fee to the Local Government for the loss of rates and ongoing maintenance of infrastructure to the Land.

CARRIED

MEMBER COMMENT

It is proposed that Councils similar to the Shire of Gingin who are having large sections of rateable land locked away due to Developer Land Offsets need to be compensated for the loss of revenue.

The Shire of Gingin recently met with the Department of Biodiversity, Conservation and Attractions (DBCA) representatives regarding this matter, and they agreed that the Shire of Gingin is being targeted due to the type of Banksia bush that is within the Shire. The Shire of Gingin is not and will not be the only Local Government targeted through this type of scheme into the future.

The issues for the Shire of Gingin, other Local Governments and future Local Governments are as follows:

1. The requirement of land offsets is currently 1/7. Being that for every acre of land required by a developer, seven acres needs to be provided as offset.
2. What is currently rateable land for the Shire is being purchased and then handed to DPIRD for management.
3. The Shire of Gingin's loss of rates on a once off may seem minimal (last year the reduction was approximately \$10,000) but accumulating every year and then compounding becomes a significant amount of future income.
4. Council still needs to maintain the assets surrounding the site, providing access and egress from the blocks for DBCA and other adjoining ratepayers.
5. The land within the Shire of Gingin is in high demand due to its proximity to the metropolitan area and intensive agriculture and horticulture is dominant.
6. DBCA receives a 7-year management payment from the Developer to manage the newly offset land which is not enough for DBCA to manage the property, yet Council receives nothing other than a negative rates bill and continuous maintenance cost.
7. Whilst the metropolitan based Developer is making large amounts of money from the development and the metropolitan Council is receiving an increased rate book, the loser in the equation is the Local Government where the land is being offset and DBCA.
8. The current amount of non-Rateable land within the Shire is in excess of 30% and growing each year.
9. The additional land that is added to DBCA requires this Department to be appropriately funded, however advice received is that DBCA is underfunded and this in turn affects Local Government in regard to land management and increased fire risk.

The Shire of Gingin is not unique with this matter, however we are being significantly affected at this current time and will be well into the future and as such, request that WALGA advocate to the State to ensure that Local Governments losing rateable land through offset purchases are properly compensated for the loss of rates and continued maintenance.

SECRETARIAT COMMENT

In Western Australia, there are many reasons for land being transferred for public purposes to the Crown. In parts of the State, these lands represent significant portions of the total Local Government area, for example Local Governments with extensive areas of National Parks and State Forest.

The State Government Offsets Register shows offset land acquisitions or land transfers to conservation within these Local Government areas: Shires of Dandaragan, Gingin, Chittering, Waroona, Harvey, Augusta-Margaret River, Cities of Bunbury, Busselton, Mandurah and in the Perth metropolitan region.

Over 50 per cent of new housing construction in the Perth and Peel region is expected to be provided through greenfield development, indicating that the issue identified by the Shire of Gingin is likely to persist.

The requirement to provide environmental offsets is legislated through the Environmental Protection Act 1986 (WA) and under Part 9 of the *Environmental Protection and Biodiversity Conservation Act 1999* (Commonwealth). In Western Australia, offsets are implemented through the WA Environmental Offsets [Framework](#). A [review](#) of this framework was conducted in 2019.

WALGA's comments on the review advocated for adequate resourcing to manage offset lands to address any biosecurity and bush fire risk implications and to require that Local Governments be consulted regarding any proposed offsets in their areas. These points were also raised in WALGA Submissions on the Strategic Assessment for Perth and Peel and the [WA offset metrics guidelines](#).

Under the WA [Environmental Offsets Guidelines](#), it is the responsibility of the proponent to consult all relevant stakeholders regarding offsets, particularly those directly affected, including Local Government. The Guidelines identify the Department of Biodiversity, Conservation and Attractions (DBCA) as the key stakeholder in relation to offset planning due to their role as specialist scientific advisor and manager of the State's conservation lands.

In May 2022, the State Government released the Native Vegetation Policy for Western Australia, with a five year Implementation Roadmap which includes improvements to the environmental offsets framework. This will provide WALGA with the opportunity for continued advocacy on this issue.

3.8 Review of the Rating Methodology used by the Valuer-General

Shire of Serpentine Jarrahdale

RESOLUTION

Moved: President Cr Michelle Rich, Shire of Serpentine Jarrahdale
Seconded: President Cr Wayne Fewster, Shire of Gingin

Advocate for a full review of the rating methodology used by the Valuer-General to value all land in the State of Western Australia.

CARRIED

MEMBER COMMENT

The Valuer-General is an entity created under the *Valuation of Land Act 1978*. The Valuer-General forms part of Landgate's functions.

Landgate valuers conduct independent valuations of property based on the Gross Rental Values (GRVs) or and Unimproved Values (UVs) of a property.

These valuations are used by local governments, government agencies and emergency services as a basis to determine property rates, service charges and levies as well as land tax.

In Victoria, valuations are conducted using the capital improved value of a property. Capital improved value is based on the value of the land plus the buildings on it and any other capital improvements. This method may provide a more fair and equitable assessment of the value of land across various land uses in Western Australia including agriculture, residential, commercial and mining. This in turn would provide a more fair and equitable basis for local government rating.

A review of rating methodologies set in the *Valuation of Land Act 1978* would ensure that valuation methods relied upon by local government represent the most appropriate method.

SECRETARIAT COMMENT

WALGA currently does not have an advocacy position on which is the most appropriate valuation methodology.

3.9 WA Local Government Rating Model

Shire of Gingin

MEMBER MOTION

That WALGA advocate to the State Government and the Valuer Generals' Office that a different rating model be trialled across several Councils whereby the Unimproved Value rate is abolished, and all properties are rated for Gross Rental Value or Capital Value.

THE SHIRE OF GINGIN WITHDREW THE MOTION

MEMBER COMMENT

The Shire of Gingin and many other Local Governments struggle to have appropriate rates raised that are adequate for the correct use of the land within the Shire that addresses the impacts that these ratepayers have on the Shire's Assets.

For example, within the Shire of Gingin, there are large numbers of Unimproved Value (UV) rated properties that have large scale infrastructure servicing significant commercial operations but are captured within the definition as a Rural Pursuit. Some of these properties have tens of millions of dollars of infrastructure but only contribute a UV valuation and an additional differential rate.

If all properties were rated Gross Rental Value (GRV) or the rates based on Capital Value (value that the land would likely sell for on the open market), all rural land would still hold an appropriate GRV/Capital Value that would not be too dissimilar to their current rates, however those that intensify their land would achieve a naturally higher GRV/Capital Value making the rating across a Shire far more equitable, easier to manage and would simplify and reduce the cost of the valuation process.

Whilst not every Council may wish to take this step, it is proposed that the Local Government has the ability to review and decide if it wishes to remove the UV rate. With the Valuer Generals' Office conducting routine valuations for both UV and GRV it would not be out of the question for the valuation to be changed to meet this process.

It is noted that within South Australia and Victoria 89% of the Local Governments use Capital Value, Tasmania is progressing to Capital Value whilst New South Wales is based on Land Value only, Northern Territory is based only on Unimproved Capital Value, Queensland is Site Value and Unimproved Value and the ACT is Unimproved Value only. It is clear that whilst there is a range of valuations across Australia there is a bias growing towards utilising Capital Value of Land.

For example, we have a location within the Shire that has a water license and two bore holes. Whilst this is the extent of the infrastructure, they pump water out 24/7 for bottling in Perth, a GRV/Capital Value would be much higher in value to Council than the minimum rates currently being received. This company has significant heavy vehicles utilising Council roads every day of the week to keep up with the demand and creates significant road maintenance issues for Council.

The impacts of water licenses within the Shire have been dramatic as they are now a strong trading commodity and have doubled the value of land with a water license, yet it is not being considered by the Valuer Generals' Office as part of the overall valuation assessment of the land. Water licenses are incredibly valuable to producers as it increases their productivity and profits from smaller properties and as water licenses are very difficult to access, as allocations are full in most areas, many are trading or selling off portions of licenses clearly showing that water licenses have an inherent value that is increasing rapidly.

Again, the Shire calls on WALGA to advocate to the Minister and Valuer Generals' Office to undertake a review of the rating system to either abolish the UV valuation or provide the ability for the Local Government to choose its rating structure.

SECRETARIAT COMMENT

WALGA currently does not have an advocacy position on which is the most appropriate valuation methodology.

3.10 Reform of the *Cat Act 2011*

Shire of Capel

RESOLUTION

Moved: Cr Rosina Mogg, Shire of Capel
Seconded: Cr Christine Terrantroy, Shire of Capel

That the WA Local Government sector requests the WA State Government prioritise reforms to the *Cat Act 2011*, in accordance with the Statutory Review undertaken and tabled in the State Parliament on 27 November 2019.

CARRIED

MEMBER COMMENT

Background

The Western Australian State Government through the (then) Department of Local Government released a Discussion Paper (January 2011) titled *Proposal for Domestic Cat Control Legislation*.

This consultation and proposed reform process ultimately led to the *Cat Act 2011* (Cat Act) receiving Royal Assent on 1 November 2012. The Cat Act fully commenced in 2013 and was introduced to:

- provide for the control and management of cats; and
- promote and encourage the responsible ownership of cats, and for related matters.

The Department of Local Government, Sport and Cultural Industries (DLGSC) commenced a statutory review of the *Cat Act 2011* and the *Dog Amendment Act 2013* in May 2019. The review undertaken by DLGSC was tabled in the WA Parliament by the Minister for Local Government on 27 November 2019.

Findings of the Review in relation to Cat Act included:

2. Registration of cats is strongly supported. The current three options for periods of registration should remain.
3. Registration periods for cats and dogs should be the same.
4. A central registration database for cats should be explored.
5. Feedback indicated that the wearing of collars and tags achieves the purpose of enabling a cat to be identified by rangers — including making it obvious that it is a domestic cat that has an owner. There is strong support for this to continue with no change.
6. Strong support from the public, local governments and industry exists for the practice of microchipping cats to continue.
7. Improvements could be made to the way microchip details are stored — this could be in either a national or State-based database.
8. Feedback indicated that education on the current requirements of microchipping, focusing on obligations of owners/breeders/rescues when a cat is transferred to a new owner and the need to keep information up-to-date, is necessary to achieve the desired outcomes of reuniting pets with their owners and the obligations of being a responsible cat owner.
9. There is strong support for cat numbers and confinement/curfews of cats to be implemented State-wide (in legislation) rather than through individual local laws — to provide consistency among local governments.
10. As a means of controlling cat numbers, there were multiple requests in the feedback received for the Cat Act to be brought into alignment with the Dog Act by placing greater restrictions on cat owners in relation to the number of cats that people can own.
11. The provisions in the Cat Act for cats to be sterilised should remain.
12. Feedback indicated that the age of cat sterilisation should be lowered, although further expert consultation on this will be needed.

Outcomes from the Statutory Review were:

- The *Dog Amendment (Stop Puppy Farming) Act 2021* received Royal Assent on 22 December 2021 with the aim to:
 - to amend the Dog Act 1976 to provide for matters relating to the sterilisation and breeding of dogs and the supply of dogs to and by relevant pet shop businesses;
 - to amend the Dog Act 1976 and the Cat Act 2011 to provide for a centralised registration system; and
 - to make other amendments to the Dog Act 1976

No further amendments, nor reforms of the *Cat Act 2011* have occurred since.

Comment

Any proposed changes to cat control measures should include public consultation.

The Shire of Capel hopes the State Government prioritises reforms of the Cat Act, similar to recent reforms with the Dog Act and Animal Welfare regulations.

The Shire of Capel supports a review of current cat control measures and to look at initiatives to better protect native wildlife, along with an accompanying education campaign.

Many Local Governments throughout the State have looked at similar reforms recently, however the current Act inhibits the control of cats and their impacts on native wildlife.

Shire understands that many people in the community love cats, with reforms looking to find a balance between valued family pets and protecting our unique and in some cases, endangered native animals.

SECRETARIAT COMMENT

This is a developing issue in the sector. A number of Local Governments have already attempted to make Cat Local Laws that seek to prohibit cats from roaming, require cats to be securely kept on premises of the owner, and prohibited from being in any public place. Parliament's Delegated Legislation Committee has disallowed a number of such attempts on the grounds that the local law-making head of power in the Cat Act does not contemplate local laws to be made for these purposes.

The Committees views are summarised in this excerpt from the Annual Report 2016 (Report 89 at 5.32):

In each of these cases, the Committee considered that the relevant provisions of the local law were inconsistent with or repugnant to the provisions of the Cat Act 2011 which:

- *allow for cats to be in public places unless they do not comply with the provisions of the Act requiring registration, microchipping and sterilisation*
- *empower the making of local laws prohibiting cats in certain specified areas.*

WALGA's current advocacy position supports a review of the Cat Act that will introduce broader powers of cat control.

3.11 WALGA Best Practice Governance Review – Principles

Executive Member motion

RESOLUTION

Moved: Cr Paul Kelly, Town of Claremont
Seconded: President Cr Phillip Blight, Shire of Wagin

That:

1. The update on the Best Practice Governance Review project be noted, and
2. The principles to inform WALGA's future governance model, as follows and as per the attached *Principles* document, be endorsed:
 - a. **Representative** – WALGA unites and represents the entire Local Government sector in WA and understands the diverse nature and needs of members, regional communities and economies.
 - b. **Responsive** – WALGA is an agile association which acts quickly to respond to the needs of members and stakeholders.
 - c. **Results Oriented** – WALGA dedicates resources and efforts to secure the best outcomes for Local Government and supports the delivery of high-quality projects, programs and services.

- *WALGA Best Practice Governance Review: Principles*

Background

State Council commissioned the WALGA Best Practice Governance Review in March 2022 to ensure that WALGA's governance model is contemporary and agile and maximises engagement with members.

Governance Reviews allow organisations to re-examine their membership structure, constitution, board role, board composition, governance approach and policies.

For WALGA, the Best Practice Governance Review represents an opportunity to review and reshape the governance model to ensure WALGA is well-placed to:

- Deliver strong, clear, focused, and consistent policy positions on strategic matters of the most importance to Local Governments in WA,
- Drive advocacy outcomes and impact on behalf of Local Government in WA, and the communities they serve, and
- Embed agility and responsiveness, ensuring member concerns are heard, respected, and represented in a timely, efficient, and effective manner.

There are several drivers for the review.

WALGA's [Corporate Strategy 2020-2025](#) identifies the governance model as a key enabler of performance, with the following description: *We have contemporary governance and engagement models.*

Member and stakeholder feedback from a range of sources over several years has highlighted dissatisfaction with the governance model. Specifically, feedback relates to:

- **Structure** – WALGA’s governance structure is seen by members and stakeholders as creating roadblocks, hindering decision-making, and holding WALGA back.
- **Responsiveness** – there is a perception among members and stakeholders that WALGA’s governance model is slow and bureaucratic in an environment that requires agility.
- **Prioritisation and focus** – members and stakeholders acknowledge the challenges of developing unified Local Government policy positions and advocacy priorities given the diversity of Local Government sector interests.
- **Transparency and accountability** – feedback from members and stakeholders suggests that WALGA should be more transparent about its decision-making processes.
- **Zones** – Feedback from members and stakeholders in relation to Zones and Zone meetings is mixed. A proportion of WALGA’s membership believes that Zones are not as representative, strategic nor effective as they potentially could be.

Legislative reforms could also impact WALGA’s governance arrangements. The Minister for Local Government’s reforms to the *Local Government Act 1995* propose to remove WALGA from being constituted under the Local Government Act. Secondly, the Review of WA’s *Industrial Relations Act 1979* provides an opportunity for WALGA to be constituted as a registered employer organisation, which would enable WALGA to make applications in its own right on behalf of the sector.

Following several reviews and amendments, the Best Practice Governance Review also represents an opportunity to ensure alignment between WALGA’s governance documentation. In addition, State Council resolved in September 2021 for amendments to the Constitution to be developed to deal with matters related to State Councillors’ candidature for State or Federal elections.

To undertake the Best Practice Governance Review, State Council appointed a Steering Committee comprising the following members:

President Cr Karen Chappel JP	WALGA President (Chair)
Cr Paul Kelly	WALGA Deputy President
President Cr Phil Blight	Country State Councillor
Mayor Carol Adams OAM	Metropolitan State Councillor
President Cr David Menzel, Shire of Wyndham East Kimberley	Country Elected Member
Mayor Albert Jacob, City of Joondalup	Metropolitan Elected Member
Andrew Sharpe, City of Albany	Country Chief Executive Officer
David MacLennan, City of Vincent	Metropolitan Chief Executive Officer
Nick Sloan	WALGA Chief Executive Officer

The Steering Committee is supported by consultants PwC and WALGA officers, Tony Brown, Executive Director Member Services, Tim Lane, Manager Corporate and Association Governance, and Kathy Robertson, Executive Officer Governance.

The Steering Committee has met five times to late August and has:

- Endorsed terms of reference and an overarching project plan
- Considered the 2019 review including previous deliberations and outcomes
- Commissioned and considered work on comparator membership-based advocacy organisations:

- Australian Hotels Association (AHA)
- Australian Medical Association (AMA)
- Chamber of Minerals and Energy (CME)
- Chamber of Commerce and Industry (CCI)
- Pharmacy Guild of WA
- Reviewed governance models of Local Government Associations in other States and New Zealand:
 - Local Government New South Wales (LGNSW)
 - Municipal Association of Victoria (MAV)
 - Local Government Association of Tasmania (LGAT)
 - Local Government Association of South Australia (LGASA)
 - Local Government Association of Queensland (LGAQ)
 - Local Government Association of the Northern Territory (LGAT)
 - Local Government New Zealand (LGNZ)
- Adopted a timeline for the way forward including member consultation and engagement, and
- Endorsed principles to be presented to the membership at the 2022 Annual General Meeting as per this agenda item.

SECRETARIAT COMMENT

Supported by State Council, the Steering Committee is putting forward principles to this Annual General Meeting to gauge member support for progressing the Best Practice Governance Review to the development of potential options for member consultation and engagement.

The principles put forward by the Steering Committee and endorsed by State Council at their 22 August 2022 Special Meeting, will guide the development of potential models for member consultation.

As per the attached Principles document, the three principles – Representative, Responsive and Results Oriented – comprise three or four components, component descriptions and governance implications.

Embedded in the governance implications are considerations for potential changes as well as principles that will be adhered to in the development of model options.

For instance, the principles propose that WALGA's governing body will:

- Maintain equal metropolitan and country representation,
- Continue the practice of electing the President from and by the governing body, and
- Facilitate responsive decision making with clear processes for members to influence policy and advocacy.

Potential models may be considered by the Steering Committee, and subsequently State Council and WALGA members, that could:

- Potentially lead to a reduction in the size of the governing body,
- Consider alternative election arrangements to the governing body, and
- Consider alternative arrangements to the existing Zones.

Following consideration of the principles at the 2022 Annual General Meeting, as per this item, an extensive consultation and engagement process will be undertaken with members on potential governance model options.

The consultation and engagement process will be undertaken during October, November, and December 2022. Feedback from member submissions, workshops, and discussions will inform a final report to be considered at February 2023 Zone meetings and subsequently, the March 2023 State Council meeting.

Constitutional amendments will then be prepared for consideration by State Council followed by the broader membership at the 2023 Annual General Meeting. As per WALGA's Constitution, amendments to the Constitution require endorsement by a 75 percent majority at both State Council and a general meeting of members.

The principles are put forward for member consideration.

Item 3.11 – Attachment: WALGA Best Practice Governance Review Principles

Principle	Principle component	Component description	Governance implications
Representative	Composition	The composition of WALGA's governance model represents Local Government members from metropolitan and country councils	The governing body will maintain equal country and metropolitan local government representation
	Size	An appropriate number of representatives oversees WALGA's governance	Potential reduction in the size of the overarching governing body
	Diversity	WALGA's governance reflects the diversity and experience of its Local Government members	Potential for the introduction of a mechanism to ensure the governance model comprises an appropriate diversity of skills and experience
	Election Process	Considers the processes by which WALGA's governance positions are elected and appointed	Consideration of alternative election and appointment arrangements, with the President to be elected by and from the governing body
Responsive	Timely Decision Making	WALGA's governance supports timely decision making	WALGA's governance model facilitates responsive decision making
	Engaged Decision Making	WALGA's Local Government members are engaged in decision making processes	WALGA's governance model facilitates clear and accessible processes for Local Government members to influence policy and advocacy with consideration to alternatives to the existing zone structure
	Agility	Considers the flexibility of WALGA's governance to adapt to changing circumstances	WALGA's governance model is agile and future proofed for external changes
Results Oriented	Focus	Considers the clarity and separation of responsibilities and accountabilities of WALGA's governance	Governance bodies have clearly defined responsibilities and accountabilities, with the capacity to prioritise and focus on strategic issues
	Value Added Decision Making	Facilitates opportunities for value to be added to decision making	Adoption of best practice board processes, and introduction of governance structures that are empowered to inform decisions
	Continuous Improvement	Considers regular review processes for components of the governance model, their purpose and achieved outcomes	WALGA's governance is regularly reviewed every 3 to 5 years to ensure the best outcomes are achieved for Local Government members

3.12 Special Urgent Business

Two items of Special Urgent Business were submitted to the meeting for consideration.

3.12.1 Abandoned Shopping Trolleys

City of Cockburn

RESOLUTION

Moved: Mayor Logan Howlett JP, City of Cockburn
Seconded: Cr Tarun Dewan, City of Cockburn

That the members agree that the following item of Special Urgent Business relating to Abandoned Shopping Trolleys be considered.

ABSOLUTE MAJORITY DECISION REQUIRED

CARRIED BY ABSOLUTE MAJORITY

MEMBER COMMENT

Many Local Governments (particularly metropolitan and regional areas) in Western Australia and other parts of Australia continue to experience abandoned shopping trolleys in suburbs adjacent to shopping centres.

While some local governments have introduced various policies, it remains as an issue for communities where shopping trolleys are left abandoned in their neighbourhoods.

The owners of supermarkets respond in different ways to the collection of these shopping trolleys or not all, even those that are known as national retailers.

Local Governments increasingly are collecting these trolleys, impounding them, charging a fee to the retailer to collect them, and in some cases are left to dispose of the shopping trolleys to scrap merchants when they remain uncollected.

RESOLUTION

Moved: Mayor Logan Howlett
Seconded: Cr Tarun Dewan

That this meeting supports the recent petition to be tabled in the Legislative Council, Parliament of Western Australia, "Removal and Abandonment of Shopping Trolleys 22-0017" calling on the State Government to implement stringent and uniform shopping trolley containment laws for the whole state of Western Australia.

CARRIED

3.12.2 Mandatory Superannuation for Elected Members in Band 1 and 2 Councils

City of Gosnells

RESOLUTION

Moved: Cr Sarah Patterson, City of Gosnells
Seconded: Cr David Goode JP, City of Gosnells

That the members agree that the following item of Special Urgent Business relating to Mandatory Superannuation for Elected Members in Band 1 and 2 Councils be considered.

ABSOLUTE MAJORITY DECISION REQUIRED
CARRIED BY ABSOLUTE MAJORITY

MEMBER COMMENT

The exclusion of superannuation for Elected Members has significant financial implications for young Elected Members and disproportionately for women.

Minister Carey this morning expressed his support for mandatory superannuation for Local Government Elected Members in Band 1 and Band 2 Councils. Minister Carey acknowledged financial implications are cost prohibitive for Band 3 and Band 4 Local Governments. Which is why, we ask for the support of mandatory superannuation for Bands 1 and 2 and voluntary for Bands 3 and 4.

RESOLUTION

Moved: Cr Sarah Patterson, City of Gosnells
Seconded: Cr David Goode JP, City of Gosnells

That this meeting supports requesting WALGA to advocate for the Local Government reforms to include mandatory superannuation for elected members of Band 1 and Band 2 Councils and supports the optional payment of superannuation for Band 3 and 4 Councils.

CARRIED

4 Closure

The Chair declared the meeting closed at 12:43pm.

Attachment 3: Action Taken on Resolutions of the 2022 AGM

Resolution	Comment / Update
3.1 Road Traffic Issues That WALGA advocate on behalf of the local government sector to the State Government and in particular, Main Roads, to increase importance and weight given to local knowledge and input regarding road traffic issues including requests for speed reduction, intersection treatments and overall preventative and traffic safety measures.	<p>This resolution was referred to the Infrastructure Policy Team for further advocacy work by State Council at its December 2022 meeting.</p> <p>The Infrastructure Policy Team resolved:</p> <p><i>That efforts to increase the importance given to Local Government knowledge regarding traffic issues be deferred for consideration in mid-2023 after a clear Local Government advocacy position on speed management is developed and endorsed.</i></p> <p>This matter is central to the new Speed Management Policy adopted by State Council in May 2023. Implementation strategy being considered.</p>
3.2 Car Parking and Traffic Congestion Around Schools That WALGA engages with the State Government on behalf of Local Government to review issues associated with car parking and traffic congestion around school sites including but not limited to: <ol style="list-style-type: none"> 1. Reviewing car parking standards for schools; 2. Ensuring sufficient land is set aside for the provision of parking on school sites; 3. Reviewing the co-location of schools to avoid issues being exacerbated; 4. Restricting school access from major roads; 5. Developing plans to enable schools to manage school traffic; 6. Develop programs to educate drivers; and 7. Develop options and implement initiatives to encourage alternative modes of transport to school. 	<p>This resolution was referred to the Infrastructure Policy Team for further advocacy work by State Council at its December 2022 meeting.</p> <p>The Infrastructure Policy Team resolved:</p> <p><i>That WALGA uses its role at the Safe Active Travel to School Working Group to advocate for these outcomes and provide advice back to the Local Government sector.</i></p> <p>The Working Group has representation from the Departments of Transport, Education and Health, the Road Safety Commission, IPWEA, Main Roads, PTA and WALGA. The Group has met three times and is grappling with the issue raised at the 2022 AGM. WALGA will continue to advocate and engage on these issues and provide advice back to the sector.</p>

<p>3.3 Proposal for Regional Road Maintenance Contracts with Main Roads WA</p> <p>That WALGA assist Local Governments and work with the Hon Minister Rita Saffioti to introduce a similar program that is currently in play in Queensland and introduce a sole invitee Program for Local Governments to engage in a Road Maintenance Performance Contract with Main Roads WA.</p>	<p>This resolution was referred to the Infrastructure Policy Team for further advocacy work by State Council at its December 2022 meeting.</p> <p>The Infrastructure Policy Team resolved:</p> <p><i>That the opportunities and interest in contracting Local Governments to undertake maintenance and minor works on the State road network be explored in discussion with Main Roads WA.</i></p> <p>The proposal has been referred for discussion to the State Road Funds for Local Government Advisory Committee.</p>
<p>3.4 Northern Australia Beef Roads Program</p> <p>That WALGA work with the Hon Madeleine King MP Minister for Resources and Minister for Northern Australia to make Beef Road Funding available to all Australian Local Governments north and south, or establish a Southern Australia Beef Road Funding Program to allow for equitable support across Australia's beef and agriculture industries.</p>	<p>This resolution was referred to the Infrastructure Policy Team for further advocacy work by State Council at its December 2022 meeting.</p> <p>The Infrastructure Policy Team resolved:</p> <p><i>That the Association write to the Goldfields Esperance Regional Road Group identifying the issue raised and invite them to consider whether they may partner with other organizations such as Meat and Livestock Australia, the Pastoral and Graziers Association and the Regional Development Commission and RDA to develop a business case to fund roads critical to the southern pastoral beef industry.</i></p>
<p>3.5 3D House Printing Building Compliance</p> <p>That WALGA requests:</p> <ol style="list-style-type: none"> 1. Assistance from Minister for Industry and Science The Hon Ed Husic MP, Minister for Housing and Homelessness, Small Business The Hon Julie Collins MP, Minister for Infrastructure, Transport, Regional Development and Local Government The Hon Catherine King MP to work with Ministers from all State and Territory Governments who have Building and Construction in their portfolios, to collaborate and to 	<p>This resolution was referred to the People and Place Policy Team for further advocacy work by State Council at its December 2022 meeting.</p> <p>The People and Place Policy Team considered the motion at a meeting held on 3 May 2023, and resolved to:</p> <ul style="list-style-type: none"> • Note the recommendations of the Goldfields Esperance Country Zone; • Note that housing affordability is now becoming critical and that legislative reforms are required to support compliance pathways for new building technologies;

<p>3.6 South West Native Title Settlement</p> <p>That WALGA advocate to the State Government that Local Governments be provided with the full list of potential land to be requested for transfer as part of the South West Native Title Settlement and that a minimum of three months be provided for Council to provide feedback.</p>	<p>This resolution was referred to the People and Place Policy Team for further advocacy work by State Council at its December 2022 meeting.</p> <p>WALGA wrote to Anthony Kannis, Director General of Department of Planning, Lands and Heritage (DPLH) requesting:</p> <ul style="list-style-type: none"> • A full list of potential land parcels that will be eligible for transfer as part of the Southwest Native Title Settlement to enable Local Governments to undertake early due diligence on the identified land, • The consultation timeframe is increased for consideration of parcels of land for transfer from 40 days to 90 days (3 months) <p>A response was received from DPLH on 28 April 2023 advising that:</p> <ul style="list-style-type: none"> • DPLH regularly provides Local Governments with a list of UCL and UMR under consideration for inclusion in the Noongar Land Estate and the lists are reflective of land under consideration at a specific point in time and may be subject to change, so Local Governments are encouraged to contact DPLH to obtain this information as needed. • The timeframe cannot be extended to 90 days due to yearly obligations of the State and Trustee (Noongar Boodja Trust) and the deadline for the delivery of the Noongar Land Estate. • DPLH does not require a decision from council for land under consideration in the Noongar

	<p>Land Estate and any public consultation undertaken is at the discretion of the Local Government.</p> <ul style="list-style-type: none"> Local Governments retain their decision-making powers for the use, management and development of all land included in the Noongar Land Estate, under the statutory and policy framework applicable to all land in WA.
<p>3.7 Land Offset Compensation to Local Governments</p> <p>That WALGA advocate to the State Government that the Developer requiring land offsets should be required to provide the offsets within the Local Government where the clearing occurs and where this is not possible, the Developer requiring land offsets within another Local Government be required to pay a fee to the Local Government for the loss of rates and ongoing maintenance of infrastructure to the Land.</p>	<p>This resolution was referred to the Environment and Waste Policy Team for further advocacy work by State Council at its December 2022 meeting.</p> <p>WALGA continues to advocate on this issue, including through engagement in the implementation of the Native Vegetation Policy for Western Australia, in particular the Government's commitment to undertake a broad, strategic and economic evaluation of environmental offsets and to improve the environmental offsets framework in line with recommendations of the WA environmental offsets framework review and consultation on a National Environmental Offsets Standard later in 2023.</p>
<p>3.8 Review of the Rating Methodology used by the Valuer-General</p> <p>Advocate for a full review of the rating methodology used by the Valuer-General to value all land in the State of Western Australia.</p>	<p>This resolution was endorsed for action by State Council at its December 2022 meeting.</p> <p>A letter was sent to the Minister for Lands (with a copy also sent to the Minister for Local Government).</p> <p>WALGA recently received a response from the Minister for Local Government. In the response, the Minister noted that a review of the rating and taxing valuation methodology was recently undertaken by the Western Australian Treasury Corporation, on the instructions of the Department of Local Government, Sport and Cultural Industries (DLGSC) and the Western Australian Land Information Authority (Landgate). The review found that the existing system of Unimproved Value (UV) and Gross Rental Value (GRV) rating produce an appropriate outcome in terms of financial equity for ratepayers. Consequently, the State Government does not intend to make any changes to the rating system at this time.</p> <p>Nevertheless, the Minister recognised that there are cases of rating inequity related to the uneven application of UV and GRV as the basis of rates in some districts, particularly where there has been ongoing urban development or where multiple uses of land occur on individual properties. In those cases,</p>

	Local Governments should regularly review the appropriate basis of rates and submit applications to change the basis of rating where appropriate.
3.10 Reform of the Cat Act 2011 That the WA Local Government sector requests the WA State Government prioritise reforms to the <i>Cat Act 2011</i> , in accordance with the Statutory Review undertaken and tabled in the State Parliament on 27 November 2019.	This resolution was endorsed for action by State Council at its December 2022 meeting. A letter has been sent to the Minister for Local Government on this issue.
3.11 WALGA Best Practice Governance Review – Principles That: 1. The update on the Best Practice Governance Review project be noted, and 2. The principles to inform WALGA's future governance model, as follows and as per the attached <i>Principles</i> document, be endorsed: a. Representative – WALGA unites and represents the entire Local Government sector in WA and understands the diverse nature and needs of members, regional communities and economies. b. Responsive – WALGA is an agile association which acts quickly to respond to the needs of members and stakeholders. c. Results Oriented – WALGA dedicates resources and efforts to secure the best outcomes for Local Government and supports the delivery of high-quality projects, programs and services.	This resolution was noted by State Council at its December 2022 meeting. Following the endorsement of the Principles by Members, the Best Practice Governance Review Steering Committee put forward five model options (including the current model) for WALGA's governance structure. These options were circulated to Members in the form of a Consultation Paper. Members engaged with the Paper and 99 provided a submission, representing 71% of WALGA's membership. Model 1 (being the introduction of a new Board above the existing State Council and Zone structure) and the current model were the two most strongly supported models. The Steering Committee considered the submissions, along with supplementary research undertaken by Ipsos, and agreed on a recommendation to State Council to endorse changes to WALGA's governance structure in line with a revised version of Model 1. In March, State Council resolved to further engage Members on the details of the proposed model. When State Council met again in May, they considered the additional Member feedback on the proposed model and resolved that two sets of constitutional changes be developed for consideration by State Council in July to be put to Members at the 2023 Annual General Meeting. State Council resolved by special majority at the July meeting to put two versions of the Constitution to Members:

	<ol style="list-style-type: none"> 1. The first being a new Constitution, giving effect to an alternate governance model, and 2. The second being a marked-up version of the current Constitution, retaining the existing governance model of WALGA, with necessary changes. <p>Amendments to the Constitution require endorsement by a special (75 percent) majority at State Council, as well as a 75 percent majority of Members at a General Meeting.</p>
3.12.1 Abandoned Shopping Trolleys That this meeting supports the recent petition to be tabled in the Legislative Council, Parliament of Western Australia, “Removal and Abandonment of Shopping Trolleys 22-0017” calling on the State Government to implement stringent and uniform shopping trolley containment laws for the whole state of Western Australia.	<p>This resolution was referred to the Governance and Organisational Services Policy Team for further advocacy work by State Council at its December 2022 meeting.</p> <p>At the May 2023 meeting, State Council endorsed the following advocacy position:</p> <p><i>The Local Government Sector advocates for State Government to consult with the Sector and prioritise legislative reforms that require retailers to contain shopping trolleys within shopping centre property boundaries, inclusive of enforcement and modified penalty mechanisms that are a realistic economic imperative for retailers to comply with containment requirements.</i></p> <p>The <u>Advocacy Positions Manual</u> was updated accordingly.</p> <p>Correspondence was sent to the Minister for Local Government advocating for legislative reforms to require retailers to contain shopping trolleys within their property boundary.</p>
3.12.2 Mandatory Superannuation for Elected Members in Band 1 and 2 Councils That this meeting supports requesting WALGA to advocate for the Local Government reforms to include mandatory superannuation for elected members of Band 1 and Band 2 Councils and supports the optional	<p>This resolution was noted by State Council at its December 2022 meeting. At the same meeting, State Council resolved as follows:</p> <p>That WALGA:</p> <ol style="list-style-type: none"> 1. advocates for superannuation to be required to be paid to Elected Members of Local

payment of superannuation for Band 3 and 4 Councils.

- Governments in Salaries and Allowances Tribunal (SAT) Band 1 and Band 2; and
2. supports the position that superannuation payments to Elected Members of Local Governments in SAT Band 3 and Band 4 should be optional and determined by Council.

Correspondence was subsequently sent to the Minister for Local Government on this issue and the [Advocacy Positions Manual](#) was updated.

Constitution

Preamble

This Constitution serves as the instrument for establishment of the Western Australian Local Government Association (WALGA).

WALGA marks the progression from a structure in which the Western Australian Municipal Association (WAMA) serves as a federation of three separate constituent Associations to a single association tasked with directly representing the needs and interests of all Western Australia.

The Constituent Associations of WAMA were: the Country Shire Councils' Association (dissolved in August 2003), the Country Urban Councils' Association (dissolved in August 2002) and the Local Government Association (dissolved in August 2003).

The establishment of WALGA in 2001 represents an evolution in the process by Local Government to promote more effective representation on behalf of its elected membership and the broader community.

Central to this process is the recognition of the sense of history and significant contribution of WAMA's constituent Associations, both in terms of the creation of WALGA and in the pursuit of aims and objectives on behalf of all Western Australian Local Governments as represented within this Constitution.

1. NAME

The name of the Association is ***“Western Australian Local Government Association”***.

- (2) In this Constitution:
- (a) a reference to any written law, whether specific or general, includes a reference to all amendments, modifications, re-enactments or replacements and includes all orders, ordinances, regulations, rules and by-laws made under or pursuant to that written law;
 - (b) words meaning persons include natural persons, corporations and associations; and
 - (c) the headings shall not affect the interpretation or construction of this Constitution.

3. OBJECTS

The objects of the Association shall be:

- (a) to provide a united voice for Local Government in Western Australia;
- (b) to promote the credibility and profile of Local Government;
- (c) to speak on behalf of Local Government in Western Australia;
- (d) to represent the views of the Association to the State and Federal Governments on financial, legislative, administration and policy matters;
- (e) to provide services to Local Government in Western Australia;
- (f) to promote Local Government issues of importance by involvement with national bodies;

- (g) to do all and any such other things as in the opinion of the Board may conveniently be carried on by the Association or which promote or assist or are incidental or conducive to the attainment of these objects or any of them, or anything considered beneficial to the members of the Association; and
- (h) to use the property and income of the Association solely for the promotion of the objects or purposes of the Association. No part of the property or income of the Association may be paid or otherwise distributed, directly or indirectly, to Members of the Association, except in good faith in the promotion of those objects or purposes.

4. POWERS

- (1) The Association shall have such specific powers as may be vested in it from time to time by the Ordinary Members or as amended under this Constitution. The initial powers of the Association are set out in the Register of Powers (Schedule One).
- (2) The powers of the Association may be added to, amended, withdrawn, modified or substituted in accordance with the provisions of sub-clauses 10(6) and 12(5).
- (3) The Chief Executive Officer shall keep an up-to-date copy of the Register of Powers which records all changes and the dates thereof. The Register of Powers shall be open for inspection to the representatives of Ordinary Members during office hours and on reasonable notice.
- (4) Subject to obtaining the requisite majority support, the Association shall have general power to act in connection with all other matters in its discretion.
- (5) The Association may do all acts and things as are necessary, incidental or conducive to the attainment or execution of its objects and shall have all the powers conferred on an association constituted under section 9.58 of the Local Government Act including, but without limitation, power to:
 - (a) acquire hold and dispose of real and personal property;
 - (b) accept any gift of any real or personal property or any interest or estate in that property or disclaim the benefit of any such gift;
 - (c) sue and be sued; and
 - (d) do all things that bodies corporate may do.

5. MEMBERSHIP OF THE ASSOCIATION

- (1) Three classes of membership to the Association shall be available:
 - (a) Ordinary Membership;
 - (b) Associate Membership; and
 - (c) Life Membership.
- (2) Ordinary Membership of the Association shall be open to all Local Governments.
- (3) Ordinary Membership shall be immediately conferred upon any new Local Government created by the merger of existing Local Governments that were Ordinary Members of the Association prior to the merger, provided that all membership fees and subscriptions owed to the Association up to the date of merger by the predecessor Local Government of that new Local Government have been paid.
- (4) An Ordinary Member shall belong to either the Metropolitan Constituency or the Country Constituency, but not both.
- (5) Subject to clause 5(6), the membership of Ordinary Members to Zones shall be determined from time to time by the Board in consultation with State Council.

- (6) The Board, on application from an Ordinary Member and in consultation with State Council, may resolve to permit an Ordinary Member to be a member of an alternate Constituency. In considering any application made pursuant to this subclause, the Board shall give regard to the reasons provided in support of the application and any views expressed by Ordinary Members within the two Constituencies. The Board may (in consultation with State Council) approve or refuse any application, advising accordingly and including any reason therefore.
- (7) Associate Members shall be:
 - (a) the Local Government Professionals Australia WA; and
 - (b) any other Associate Member admitted to membership pursuant to sub-clause 5(11).
- (8) Associate Members are ineligible to vote at all meetings of the Association.
- (9) The Board from time to time will determine nominations for Life Membership of the Association.
- (10) Additional Ordinary Members may be admitted from time to time through a decision of the Board.
- (11) Any person or organisation seeking admission as an Associate Member shall make written application to the Chief Executive Officer. The Board or its delegate shall consider the application and may admit or refuse the applicant, advising accordingly including any reason therefore.
- (12) If an application for membership is granted, the membership shall commence upon payment of the appropriate subscription.
- (13) The Chief Executive Officer shall keep and maintain in an up-to-date condition a Register of the Members of the Association. The Register shall be open for inspection to the representatives of Ordinary Members during office hours and on reasonable notice.

6. TERMINATION OF MEMBERSHIP OF THE ASSOCIATION

- (1) Membership of the Association may be terminated upon:
 - (a) receipt by the Chief Executive Officer of not less than 3 months notice in writing from a Member requesting to withdraw from membership of the Association; or
 - (b) non-payment by a Member of the required subscription within three months of the date fixed by the Board for subscriptions to be paid, unless the Board decides otherwise; or
 - (c) expulsion of a Member in accordance with clause 30.
- (2) Pursuant to subclause 6(1), where the membership of an Ordinary Member is terminated, the Chief Executive Officer shall remove the name of the Ordinary Member from the Register of the Members of the Association and that Ordinary Member shall cease to be a Member of the Association.
- (3) A Member who withdraws from membership to the Association shall not be entitled to a refund of any portion of such subscription as the Member will have paid in advance for the period up to and including 30 June of that year.

7. BUDGET

- (1) The Association's Budget shall be prepared annually by the Chief Executive Officer in consultation with the Board, including such other Committees as the Board may deem expedient pursuant to clause 21.
- (2) The Budget shall be submitted to the Board for approval not later than 31 July prior to the financial year to which it relates.

8. SUBSCRIPTION

- (1) The annual subscriptions of all Members of the Association shall be as determined by the Board.
- (2) Subscription levels shall be submitted for approval by the Board together with the relevant Budget each year.
- (3) Subscriptions shall be due and payable on such date or dates as the Board may decide having regard to all relevant circumstances.

9. THE BOARD

- (1) The Board is the governing board of the Association, responsible for the management and affairs of the Association.
- (2) The Board may exercise all of the powers of the Association except those which must, under this Constitution, be exercised by the State Council or the Members at a General Meeting.
- (3) The Board must consist of a minimum of 8 and a maximum of 11 members, comprising the following:
 - (a) The President;
 - (b) The Deputy President;

 - (e) up to 3 eligible Independent Board Members appointed by the Board from time to time on the basis of their skills, experience or background.
- (4) In respect of the appointment of an Independent Board Member, the Board may determine its own procedures and:
 - (a) a State Council Representative is not eligible to be appointed;
 - (b) a Councillor or, subject to clause 9(4)(a), any other person is eligible to be appointed, subject to meeting any additional eligibility criteria, qualification or experience requirements determined by the Board (if any); and
 - (c) the person appointed, holds office for a term of two years from the date of their appointment, and subject to this clause and clause 9(5), is eligible for re-appointment.
- (5) An Independent Board Member may not serve as an Independent Board Member for more than four consecutive terms.
- (6) A Board Member Representative, the President and Deputy President is elected by State Council for a term as determined under clauses 16 – 19.
- (7) A deputy representative of a Zone as elected to State Council is not eligible to be elected as a Board Member Representative.
- (8) Subject to clauses 9(9) and 9(10), a Board Member Representative may not serve as a Board Member Representative for more than four consecutive terms.
- (9) A person serving as the President or Deputy President may not serve in that role for more than two consecutive terms, but for the avoidance of doubt, may serve two consecutive terms as President and two consecutive terms as Deputy President.

- (10) The Board tenure limit for a Board Member Representative is separate and in addition to the tenure limit for the role of the President or Deputy President.

10. BOARD PROCEEDINGS

- (1) The Board must meet together for the dispatch of business not less than six times in each calendar year.
- (2) Ordinary Meetings of the Board shall be called by the Chief Executive Officer in accordance with the Corporate Governance Charter.
- (3) Special Meetings of the Board shall be called by the Chief Executive Officer by providing notice to Board Members of the date, time, place and purpose of the meeting upon the written request of the President or at least three Board Members.
- (4) Each Board Member Present shall be entitled to exercise one (1) deliberative vote on any matter considered by the Board (including the person presiding at the meeting).
- (5) Subject to clauses 10(6), 10(7) and 29(1), any resolution put forward at a Board meeting must be passed by a majority of Board Members Present.
- (6) The following resolutions shall not be passed by the Board unless they receive an Absolute Majority of the Board and of State Council:
- (a) any addition, amendment, withdrawal, modification or substitution to, of or in the powers of the Association; or
 - (b) any allocation or change in allocation of any representation or voting rights on the State Council; or
 - (c) any change to the number of Zones.
- (7) In the event of there being an equality of votes in respect of a matter considered by the Board, the person presiding at the meeting does not have a casting vote.
- (9) At any meeting of the Board, at least 50% of Board Members in office (rounded up to the nearly whole number), Present and entitled to vote shall form a quorum.
- (10) The President shall preside at all meetings of the Board.
- (11) In the absence of the President, or if the President is unwilling or unable to preside, the Deputy President shall preside at a meeting of the Board.
- (12) In the absence of both of the President and Deputy President, or if they are unwilling or unable to preside, the Board shall choose a Board Member to preside at the Board meeting.
- (13) The Board must establish a Corporate Governance Charter.
- (14) The Board must establish a Code of Conduct to which all Board Members and State Council Representatives must comply.
- (15) Subject to this Constitution, the Board Members Present at a Board meeting may determine the procedure and order of business to be followed at the Board meeting.
- (16) The Board is responsible for establishment and review of the processes which are to be applied by the Zones to determine the election of their representatives and deputy representatives to the State Council.

11. STATE COUNCIL

- (1) The State Council is to be a policy advisory council. Members of the State Council are:
 - (a) 12 Councillors elected as primary representatives from amongst the Delegates to the Zones of the Metropolitan Constituency;
 - (b) 12 Councillors elected as primary representatives from amongst the Delegates to the Zones of the Country Constituency;
 - (c) The President (Ex-officio); and
 - (d) The President of Local Government Professionals Australia WA (Ex-officio).
- (2) The primary State Council Representatives and deputy representatives to the State Council shall be elected by Zones of the Constituencies from amongst the Delegates to the Zones (in accordance with the procedures set out in the Corporate Governance Charter) for a term commencing on the day of the first Ordinary Meeting of State Council immediately following the biennial Local Government elections and concluding on the day before the first Ordinary Meeting of State Council of the following biennial Local Government elections.
- (3) The Secretariat shall be the body responsible for coordinating the nominations and election processes by which the Zones of the Constituencies elect their primary representatives and deputy representatives to the State Council.
- (4) A deputy representative elected from amongst the Delegates to that Zone to act in the capacity of a primary representative unable to attend a meeting of the State Council shall exercise all rights of that representative at a State Council meeting, except that a deputy representative is not eligible to be elected as a Board Member Representative.
- (5) If for any reason, a primary representative or deputy representative is unable to hold office for the full period for which the primary representative or deputy representative was appointed to State Council, the affected Zone shall be entitled to fill that vacancy by appointing some other Councillor from within that Zone as a primary representative or deputy representative. The primary representative or deputy representative so appointed shall hold office on State Council for the balance of the term of the primary representative or deputy representative originally elected.
- (6) The State Council must conduct the elections for President, Deputy President and the Board Member Representatives, from amongst State Council Representatives in accordance with the provisions in this Constitution and ensure an equal representation from the Constituencies, at the first Ordinary Meeting of State Council following the biennial Local Government elections.

12. PROCEEDINGS OF STATE COUNCIL

- (1) The State Council must meet together for the dispatch of business not less than three times in each calendar year.
- (2) Ordinary Meetings of the State Council shall be called by the Chief Executive Officer in accordance with the Corporate Governance Charter.
- (3) Special Meetings of the State Council shall be called by the Chief Executive Officer by providing notice to State Council Representatives of the date, time, place and purpose of the meeting upon the written request of the President or at least one quarter of State Council Representatives.
- (4) Each State Council Representative shall be entitled to exercise one (1) deliberative vote on any matter considered by the State Council provided that this clause shall not apply to any Ex-officio members of the State Council. The President shall exercise a casting vote only, in the event of there being an equality of votes in respect of a matter considered by the State Council but

excluding an election held in accordance with Clause 16 in which the President is entitled to a deliberative vote only.

- (5) Except as provided in this clause, all motions at a State Council meeting shall be passed by a Simple Majority of the State Council Representatives, or by their deputy representatives, Present and entitled to vote. The following resolutions shall not be passed by the State Council unless they receive an Absolute Majority of State Council:
 - (a) any addition, amendment, withdrawal, modification or substitution to, of or in the powers of the Association; or
 - (b) any allocation or change in allocation of any representation or voting rights on the State Council; or
 - (c) any change to the number of Zones.
- (6) At any meeting of the State Council, thirteen (13) State Council Representatives Present and entitled to vote shall form a quorum.
- (7) The President shall preside at all meetings of the State Council.
- (8) In the absence of the President, or if the President is unwilling or unable to preside, the Deputy President shall preside at a meeting of the State Council. In presiding, the Deputy President shall be entitled to exercise one (1) deliberative vote in respect of a matter considered by the State Council, and in the event of there being an equality of votes in respect of a matter considered, shall exercise a casting vote.
- (9) In the absence of the President and Deputy President, or if they are unwilling or unable to preside, the State Council shall choose a State Council Representative to preside at the meeting of the State Council. The representative chosen to preside shall exercise a deliberative vote in respect of a matter considered by the State Council, and in the event of there being an equality of votes in respect of a matter being considered, shall exercise a casting vote.
- (10) State Council shall adopt Standing Orders that will apply to all meetings.

13. CHIEF EXECUTIVE OFFICER AND SECRETARIAT

- (1) The Board may appoint a Chief Executive Officer at such remuneration and on such terms and conditions and with such powers, authorities, discretions and duties as it deems appropriate and may terminate the appointment of the Chief Executive Officer.
- (2) The Board may delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under this Constitution from time to time in such manner as the Board determines and as set out in the Corporate Governance Charter or in Schedule Two. The Chief Executive Officer shall be responsible for the establishment and maintenance of a Register of Powers, Authorities, Discretions and Duties delegated by the Board.
- (3) Subject to the control of the Board, the Chief Executive Officer shall be solely responsible for the appointment of the staff of the Secretariat and the administration of the Association.
- (4) The Chief Executive Officer shall be the custodian of records, books, documents and securities of the Association.

14. ZONES

- (1) Ordinary Members of the Association shall be grouped into Zones of the Metropolitan and Country Constituencies.

- (2) Subject to clause 5(6), the membership of Ordinary Members to Zones shall be determined from time to time by the Board in consultation with State Council.
- (3) The number of Zones shall be determined from time to time by the Board and State Council under clauses 10(6)(c) and 12(5)(c) accordingly.
- (4) Each Ordinary Member of a Zone shall be entitled to be represented by a Delegate or Delegates elected or appointed by the Member to represent its interests. Zones shall determine the number of Delegates to which each Member is entitled to be represented by on the Zone.
- (5) The term of a person who is a Delegate of an Ordinary Member of a Zone expires when the person:

- (i) except in respect of an Independent Board Member, is the subject of a resolution passed by the Zone from which that person was originally elected terminating his or her appointment as a representative or deputy representative of that Zone, except where that person is the subject of any resolution consequent upon his or her being elected President of the Association and in pursuance of sub-clause 17(4);
- (j) is a Councillor that has been suspended by the Minister for Local Government under Part 8 of the Local Government Act; or
- (k) is a candidate for election to State or Federal Parliament on or after the date the election writ is issued.

24. COMMITTEES AND SUB-COMMITTEES

- (1) The Board may from time to time as it may deem necessary or expedient appoint, delegate or refer to any person or committee any of its powers, duties and functions as it thinks fit except the powers to:
- (a) acquire, hold and dispose of real property;
 - (b) borrow money;
 - (c) set subscription levels; and
 - (d) progress any matter requiring a decision of the Board pursuant to sub-clause 10(6) of this Constitution.
- (2) The person or the members of any committee so appointed shall not be required to be representatives on the Board.
- (3) Any person or committee in the exercise of the powers, duties or functions so delegated or referred to it shall observe and perform any rules, regulations and directions that may be made by the Board.
- (4) Subject to the Corporate Governance Charter, each Committee shall elect a Chair from the members of the Committee.

25. ANNUAL GENERAL MEETING

- (1) The Annual General Meeting of the Association shall be held at a date to be determined by the Board, provided that such date occurs prior to 31 October each year.
- (2) The Chief Executive Officer shall give at least ninety (90) days' notice of the date of the Annual General Meeting and the closing date on which notice of proposed business for the Annual General Meeting will be received by posting notice thereof to each Ordinary Member at the address appearing in the records of the Association for the time being. Such notice shall be deemed to have been delivered to the Ordinary Member immediately if transmitted electronically or on the second date after posting.
- (3) At an Annual General Meeting, greater than one half of the Delegates of Ordinary Members who are eligible to vote and are Present constitute a quorum.
- (4) At each such Annual General Meeting the order of business shall be as follows:
 - (a) attendance, apologies and announcements;
 - (b) confirmation of minutes from last Annual General Meeting;
 - (c) adoption of President's annual report;
 - (d) consideration of annual financial statements; and
 - (e) consideration of Executive and Member motions.
- (5) In respect of the Annual General Meeting:
 - (a) a notice of motion may only be submitted by the Board or an Ordinary Member; and
 - (b) a motion may only be moved seconded or voted upon by a delegate of an Ordinary Member.
- (6) An agenda paper shall be forwarded by the Chief Executive Officer to each Ordinary Member, at the address appearing in the records of the Association for the time being, at least thirty (30) days before the date of the Annual General Meeting. The agenda paper shall be deemed to have been delivered to the Ordinary Member immediately if transmitted electronically or on the second date after posting.
- (7) Where the Board considers that a direction or decision from an Annual General Meeting has been made without information of a material nature or in circumstances which have materially altered and such direction or decision is not in the best interests of the Association, the Board may decline to follow that direction or decision and, in that event, the Chief Executive Officer by notice shall advise the Ordinary Members of the decision of the Board and the reasons for that decision.
- (8) Notwithstanding the provisions of sub-clause (7), the Board is required to give consideration to any direction or decision made at an Annual General Meeting in its discharge of responsibilities and functions.

26. SPECIAL GENERAL MEETING

- (1) A Special General Meeting shall be called by the Chief Executive Officer upon the instructions of the Board or the written demand of not less than any twenty (20) Ordinary Members.
- (2) The Chief Executive Officer shall give at least thirty (30) days notice of any Special General Meeting by posting notice thereof to each Ordinary Member at the address appearing in the records of the Association for the time being. Such notice shall specify the nature of the business to be transacted at the Special General Meeting and shall be deemed to have been delivered immediately if transmitted electronically or on the second date after posting.

- (3) At a Special General Meeting, greater than one half of the Delegates of Ordinary Members who are eligible to vote and are Present constitute a quorum.
- (4) Where the Board considers that a direction or decision from a Special General Meeting has been made without information of a material nature or in circumstances which have materially altered and such direction or decision is not in the best interests of the Association, the Board may decline to follow that direction or decision and, in that event, the Chief Executive Officer by notice shall advise the Ordinary Members of the decision of the Board and the reasons for that decision.
- (5) Notwithstanding the provisions of sub-clause (4), the Board is required to give consideration to any direction or decision made at a Special General Meeting in its discharge of responsibilities and functions.

27. REPRESENTATION AND VOTING AT GENERAL MEETINGS

- (1) Subject to this Constitution, each Ordinary Member shall be entitled to be represented at any Annual General Meeting or Special General Meeting of the Association by two (2) Delegates.
- (2) A Delegate shall be entitled to one (1) deliberative vote at the Annual General Meeting or Special General Meeting of the Association.
- (3) A Delegate unable to attend any Annual General Meeting or Special General Meeting shall be entitled to cast a vote by proxy. A proxy shall be in writing and shall nominate the person in whose favour the proxy is given which person need not be a Delegate. Proxy authorisations shall be delivered to the Chief Executive Officer before the commencement of the General Meeting at which the proxy is to be exercised and shall be signed by the Delegate or by the Chief Executive Officer of the Ordinary Member that nominated the Delegate.
- (4) Except as provided in this Constitution, all matters considered at an Annual General Meeting or Special General Meeting of the Association shall be passed by a Simple Majority of the Ordinary Members' Delegates or by a duly authorised proxy vote exercised on their behalf.

28. MINUTES OF MEETINGS OF ASSOCIATION

- (1) The Chief Executive Officer must cause proper minutes of all proceedings of all General Meetings, Board meetings and State Council meetings to be taken and then to be entered within 30 days after the holding of each General Meeting, Board meeting or State Council meeting, as the case requires, in a minute book kept for that purpose.
- (2) The President must ensure that the minutes taken of a General Meeting, Board meeting or State Council meeting under sub-clause (1) are checked and signed as correct by the person who presided at the General Meeting, Board meeting or State Council meeting to which those minutes relate or by the person who presides at the next succeeding general meeting, Board meeting or State Council meeting, as the case requires.
- (3) When minutes have been entered as correct under this clause, they are, until the contrary is proved, evidence that:
 - (a) the General Meeting, Board meeting or State Council meeting to which they relate (in this sub-clause called "the meeting") was duly convened and held;
 - (b) all proceedings recorded as having taken place at the meeting did in fact take place at the meeting; and
 - (c) all appointments or elections purporting to have been made at the meeting have been validly made.

29. AUDIT

- (1) At least once a year the Board shall cause the Association's accounts to be audited by a person or persons appointed by the Board or its delegated body.
- (2) The accounting records of the Association shall be open for inspection by the representatives of Ordinary Members during office hours and on reasonable notice.

30. BANKING

- (1) All moneys received by the Association shall be banked into an operating account established by the Board, in the name of the Association.
- (2) Payments drawn on the account and other documents relating to such account shall be authorised by the Chief Executive Officer and such other authorised persons as the Board may deem appropriate.
- (3)
 - (a) The operating account to be so established, may be utilised for the purposes of paying salaries and operating expenses and for other purposes authorised by a decision of the Board.
 - (b) The Board on the advice of the Chief Executive Officer, may appoint any member of the Secretariat to manage the operating account.

31. COMMON SEAL

- (1) The Association shall have a common seal on which its corporate name appears in legible characters.
- (2) The common seal of the Association must not be used without the approval of the Board and every use of that common seal must be recorded in the minutes of the Board meeting.
- (3) The affixing of the common seal of the Association must be witnessed by any two of the Chief Executive Officer and any Board Member.
- (4) The common seal of the Association must be kept in the custody of the Chief Executive Officer or of such other persons as the Board from time to time decides.

32. AMENDMENT TO THE CONSTITUTION

The Constitution of the Association may be altered, added to or repealed by:

- (1) A Special Majority resolution at any meeting of the Board; and
- (2) A resolution at an Annual General Meeting or Special General Meeting passed by a Special Majority of Delegates or duly authorise a proxy vote to be exercised on their behalf, provided that:
 - (a) 75% of Ordinary Members who are eligible to vote are present or represented; and
 - (b) the Chief Executive Officer has given not less than sixty (60) days notice of any proposal to alter, add or repeal the Constitution to all Ordinary Members.

33. EXPULSION OF MEMBERS

- (1) An Ordinary Member may be expelled from the Association by resolution at a meeting of the Board on the consent in writing to the proposition for expulsion being first received from not less than 75% of the Ordinary Members.
- (2) The Ordinary Member whom it is proposed to expel must receive at least sixty (60) days notice of the Board meeting referred to in sub-clause (1) and shall be given the opportunity of attending the meeting and being heard with respect to the motion for expulsion.
- (3) An Associate Member may be expelled by decision of the Board.

34. DISPUTES, MEDIATION AND ARBITRATION

- (1) The grievance procedure set out in this clause applies to disputes arising in connection with this Constitution between:
 - (a) a Member and another Member; or
 - (b) a Member and the Association.
- (2) The parties to the dispute must meet and discuss the matter in dispute, and, if possible, resolve the dispute within fourteen (14) days after the dispute comes to the attention of all of the parties.
- (3) If the parties are unable to resolve the dispute at the meeting, or if a party fails to attend that meeting, then the dispute must, within ten (10) days, be referred initially to a panel to settle the dispute by mediation and if the dispute cannot be resolved, to arbitrate the dispute.
- (4) The panel shall be established by the Board having regard to the nature and circumstances of the dispute and shall comprise such number of persons as the Board may decide, being not less than three (3), who shall be drawn from amongst the following:
 - (a) Life Members of the Association;
 - (b) the President or Past Presidents of Local Government Professionals Australia WA;
 - (c) the Director General, Department of Local Government; or
 - (d) such other persons as the Board considers appropriately qualified having regard to the nature and circumstances of the dispute.
- (5) The parties to the dispute must, in good faith, attempt to settle the dispute by mediation.
- (6) The panel, in conducting the mediation, must:
 - (a) give the parties to the mediation process every opportunity to be heard;
 - (b) allow due consideration by all parties of any written statement submitted by any party; and
 - (c) ensure that natural justice is accorded to the parties to the dispute throughout the mediation process.
- (7) Any arbitration shall be conducted in accordance with the provisions of the *Commercial Arbitration Act 1985* (WA) and, notwithstanding section 21 (1) of that Act, each disputant may be represented by a duly qualified legal practitioner or other representative.
- (8) If a matter proceeds to arbitration, then the decision of the panel shall be final and binding on the disputants.
- (9) Any mediation or arbitration conducted under this clause must be confidential and without prejudice.

35. DISTRIBUTION OF SURPLUS PROPERTY ON WINDING UP OF ASSOCIATION

The Board shall if instructed in writing by all of the Ordinary Members dissolve the Association and, after paying and discharging out of the Association's funds and assets all debts and liabilities, transfer the funds or realise the same and transfer the proceeds to any organisation or organisations constituted with similar objects to those of the Association and which organisation or organisations prohibit the distribution of property among the Ordinary Members thereof or in the absence of such an organisation as determined by a Judge of the Supreme Court.

36. TRANSITIONAL PROVISIONS

- (1) The Transitional Provisions shall apply in accordance with their terms as if set out in this Constitution in full.
- (2) In the case of any inconsistency between the Transitional Provisions and any other provision of this Constitution, the Transitional Provisions will prevail.
- (3) The Transitional Provisions shall have continuing force and effect in accordance with their terms.

SCHEDULE ONE

REGISTER OF POWERS

The powers of the Association on incorporation are the:

- (a) advocacy of Federal and State matters;
- (b) progression of Legislative Review;
- (c) management and pursuit of Local Government Act matters;
- (d) management and pursuit of Industrial (Labour) Relations matters;
- (e) direction of the Secretariat and management of the Association's offices; and
- (f) instigation of all things necessary to pursue and achieve the objectives of the Association.

In construing the above powers the following terms shall have the meanings set out opposite them:

- "Federal Affairs" means all matters from time to time under consideration by the Australian Local Government Association and all matters concerned with aspects of Federal legislation including all inter-governmental finance questions between Federal and State Governments but shall not extend to the intra-state distribution of grants;
- "Industrial (Labour) Relations" includes all issues concerned with conditions of employment within Local Government whether award or otherwise, personnel practices and training;
- "Legislative Review" means any review or proposed review of existing or proposed legislation whether State or Federal unless the Board resolves that it is of relevance only to one of either the metropolitan or country constituencies;
- "Local Government Act matters" means all questions pertaining to the provisions of the Local Government Act.

The above powers and definitions may be added to, amended, modified or substituted from time to time in accordance with clause 4 of the Constitution.

Item:	Owner:	Status
REMOVE MATT COLE FROM VFRS CONTACTS	Donna Forsyth -XO	Action Completed
Add Snr Constable Daniel Drummond to LEMC contact list - WAPOL	Donna Forsyth -XO	Completed
Provide EM maps x2	Chris Sousa	Completed
Discuss meeting dates for LEMC	Chairperson	At the last meeting it was put forward to reduce the LEMC meetings to 3 per year. XO highlighted that the 4 meetings per year mirrored the meetings held by the DEMC and SEMC and that made it easier for reporting purposes. It also meant that this meant there would need to be more achieved at less meetings in regards to meeting our objectives under the State EM Preparedness Guide. Erin (DEMA) has also

		<p>stated that reduction of meetings/year also aligned with some LGs not meeting their objectives. Vote was taken and it was decided to continue with quarterly meetings – Action Completed</p>

1.7. Review of Emergency Contact List

- 1.7.1. Welcome new CEO – Leonard Long – Details added to Contact List
- 1.7.2. Snr Constable Sarah Cole is current acting Sargeant @ Boyup Brook Police station. Sargeant Phil Huggins has left and replacement to be announced in the near future
- 1.7.3. Welcome new Chief Bushfire Control Officer – Ben Thompson who will be supported by the previous Chief Tristan Mead as his Deputy
- 1.7.4. Are there any other updates for the Emergency Contact List?

Updates suggested for the contacts list and noted in Action Items below.

1.8. Guest Presentations

- 1.8.1. Michael Nix to discuss his software development – Emergency Mapping/Location Tool

<http://wanm.ddns.net/Spotter/FireMap.htm?c=GF85-63&z=10>

Michael presented a brief overview and demonstration of his Fire Mapping tool that he has created in his own time. The tool allows for current information such as LG area boundaries, BFB boundaries, DPAW/DFES prescribed burns locations, hotspots, fire map references, GPS locations, distance measuring tool, flight Radar, road closures, weather, radio channels, dwellings and residents name (accurate as of 2016 fire map), vehicle tracking and much more. One of the benefits is that a fire could be located via the uploading of a photo of the fire/smoke from a couple of reference points and it's accuracy was within approximately 100m.

He has developed this for his own use using publicly accessible services and apps and has combined them into a on access tool. After development he realised that it might be a useful tool for the Shire of Boyup Brook Emergency management teams.

The information is predominantly lower SW region as this is the data he has most need for although could be expanded if required. It is currently available online via the link above and is run from Michael's own server.

Questions asked included:

Q. How current was the data? A. Most of the data was from platforms which update every ten minutes or so.

Q. Is it legal to use this data? A. Currently most data is from publicly accessible platforms and Michael's own local knowledge. He is not sure if it is a breach of access terms to use it this

way and has suggested that legal advice on the database would probably be beneficial before the database was distributed to EM members.

Q. Is the database easily moved to another server if required? A. If extra data was required on the database it may need to be moved to a larger server. This would come with a cost.

Q. Do all photos hold GPS coordinates? Photos can be uploaded from a drone which always have pretty accurate GPS coordinates embedded in the picture. Mobile phones pictures do have GPS coordinates embedded in the pictures, although they are not always accurate.

Q. If you did not have access to the database to upload the photo, could you send the photo via text to someone who does? A. No, when you send a photo this way or by messenger, WhatsApp etc, to someone else the GPS information is stripped from the image. If you emailed the image, it should retain this information.

Meeting consensus was that we should investigate the legalities and licensing agreements involved with the information used on the database and that the tool, as it is, would be a great source of information during an incident or emergency. DFES do have a similar tool which is not accessible to the BFB and other EM agencies unless it is deemed a significant emergency. Use of this tool would assist in the location of fires after a lightning storm and decrease time it takes to respond. It would also assist in decision making by the IC as it was able to estimate the arrival of resources such as water bombers or fire units if they were trackable via the database.

2. Standard Reporting

2.1. Post Incident Reports – NIL

2.2. Post Exercise Reports – Carolyn and Donna have recently attended a WALGA training session – Emergency Management for Local Government Leaders. Donna has a post exercise report. Copy in Appendix – item 1.

2.3. Exercise – Deputy CBFCO – Tristan Mead to present:

2.4. Local Emergency Management Arrangements LEMA update

2.4.1. Shire currently in discussion with Chris Widmer (Angelika – Grants)
Seeking project timeline, scope and cost. – On-going.

Erin (DEMA) has stated that she can help with a second contact if this falls in the procurement category of requiring two quotes. Offer accepted by XO to source a second quote.

XO stated that an hourly quote has been received by Chris Widmer and that he has suggested a total of 48 hours. XO feels that incorporating a few more workshops to be held at other locations and/or with community groups may be beneficial to sourcing good data and that would mean an increase on the predicted 48 hours. The AWARE grant submissions open mid – August and we are sourcing information for the submission with the shire grants officer.

3. Agenda Items

3.1. Agency/Member Reports

- 3.1.1. **Dept of Communities** – Roma Boucher: *Tabling of the Local Emergency Welfare Plan Feb 2023* – Report Attached – item 2.

Roma advised that the LEWP will need to be endorsed by Council.

- 3.1.2. **WAPOL** - Sarah Cole

Sarah is currently acting OIC. Martin Baraiolo is due to start in Boyup Brook in the next week. There has been an increase of MVA over the last few months. No significant incidents to report.

- 3.1.3. **DFES** – Chris Sousa/Erin Hutchins – Report Attached – item 3

- 3.1.4. **VBFB** – Ben Thompson – not present

- 3.1.5. **SJA** – Angela Hales

Apologies received from Angela. She did ask that it was noted that SJA currently does not have enough volunteers to fill shifts and has had to pass over jobs due to inability to find volunteers to respond.

- 3.1.6. **Dept. Health** – Paige Weaver

Paige had lost Teams connection. Text was sent to see if she would like to reconnect. No reply received.

- 3.1.7. **Boyup Brook VFRS** – Arky Wawilow

AGM has been held by VFRS and there have been no changes to position holders – Arky is the continuing Captain, Gyula is the lieutenant. VFRS have attended a few incidents within town and out. One incident was a vehicle fire with WAPOL and SJA in attendance. Incident control coordination worked well.

- 3.1.8. **DPIRD** – Report Attached – item 4

- 3.1.9. **Boyup Brook CRC** – Jodi Nield

CRC have just released the new Community Directory. They have updated as per received information and kept information that was previously within the directory. This means that some information may not be current within the directory and if found, they would appreciate the information so that they can update their live version on the CRC website. This will make this a very useful tool during an emergency. They have been a part of Drought Preparedness workshops. This is to do with a joint application the SW NRM and Blackwood Basin Group. CRC were the facilitators for the project.

3.2. General Business

Carolyn noted that there were Red Cross Workshops happening that she had heard on the ABC radio – she wondered whether something like this would be suitable to be held in Boyup Brook.

On 10 July, Resilience and Recovery Project Officer, Rebekah Martin, and ES volunteers, Raelene Palmer and Marie Gardiner, packed up the team's new Mobile Hub Toyota van and headed off to the Great Southern region for a two-week roadshow to build resilience capabilities through delivery of Red Cross resilience programs and workshops to community organisations, groups and individuals. The team also provided pre-recovery training to the

local governments and local emergency services to build their own individual and community resilience to emergencies.

Committee decided that this could be investigated further. – Action Item.

1. Introduction

1.1 Outline

The Local Emergency Welfare Plan is to be read in conjunction with the State Emergency Welfare Plan, both prepared by the Department of Communities (Communities).

The State and Local Emergency Welfare Plans are support plans which document the strategic management and coordination of welfare services in emergencies, as part of the Western Australian State Emergency Management (EM) Arrangements.

The scope of this local plan includes:

- Communities responsibilities for the planning, response and recovery stages for the management and coordination of welfare services, including resources, within the identified geographical boundaries;
- agreed responsibilities of emergency management partnering agencies, coordinated by Communities to provide welfare services during emergencies.

1.2 Exercise and review period

This plan is to be exercised at least annually, and will be reviewed every two years, with Appendices and contact details reviewed quarterly and after each activation.

1.3 Welfare services definition

The provision of immediate and ongoing supportive services to alleviate, as far as practicable, the effects on people affected by an emergency. To assist in coordinating the provision of welfare services, six (6) functional areas have been identified:

- **emergency accommodation including welfare centres** – see Appendix 5
- **emergency catering** – see Appendix 7
- **emergency clothing and personal requisites** – see Appendix 8
- **personal support services** – see Appendix 9
- **registration and reunification** – see Appendix 6
- **financial assistance** - in Western Australia there are a number of financial assistance programs that may be put in place following a major emergency.

Communities has the provision of some financial assistance being available for assessed immediate needs. This is determined at the time of the emergency using the principle of needs on a case-by-case basis for affected persons, as approved by Communities State Welfare Coordinator/ Communities Emergency Services Coordinator.

2. Preparedness and Operation of this Plan

2.1 Organisational responsibilities

The development and maintenance of this plan is allocated to the Communities District Emergency Services Officer, in consultation with members of the Emergency Welfare Coordination Group (EWCG), if there is one, and the Local Emergency Management Committee (LEMC). A contact list of the organisations that constitute the EWCG is provided in Appendix 3 and their agreed organisational responsibilities are provided in Appendix 4.

2.2 Special considerations

Local Governments (LGs) plan for special considerations as per the State EM Policy 4.6.1 –

EM planning must consider where special arrangements will be required. For example any groups within the community whose circumstances may create barriers to obtaining information, understanding instructions, or reacting to an emergency. This includes but is not limited to:

- children and youth;
- older people;
- people with disability;
- those who are medically reliant;
- Aboriginal and Torres Strait Islanders;
- individuals from culturally and linguistically diverse (CaLD) backgrounds;
- isolated individuals and communities; and
- transient individuals and communities.

In addition, EM planning must consider special arrangements for animals as per the State Emergency Welfare Plan 2.3.6 -

Animals in welfare centres

For health and safety reasons no animals, including pets, are permitted in welfare centres with the exception only of Assistance animals e.g. Guide Dogs, “Hearing” Dogs and Disability Aid Dogs. Some local governments may have an Animal Welfare Plan for them to coordinate the management of animals and pets in emergencies.

Services specifically for children and families, including child and family friendly spaces at Welfare Centres, are to be considered at the local level and included in Local Emergency Management Arrangements. Also see Appendix 5 Emergency Accommodation, point 5.4 Children, organisations, educational and care facilities.

Communities prioritises its response in line with its operational capacity, and relies on those agencies or organisations which provide support to these groups having suitable plans and response capabilities in place, prior to an emergency to cater for these groups' needs.

2.3 Resources – Preparedness and Operational

Communities has primary responsibility for managing and coordinating welfare services resources. This plan is based on the utilisation of resources existing within a community and to supplement those resources when required at the State level. In some emergencies interstate/national resources may be required. Requests for additional resource support should be made by the Local Welfare Coordinator to the State Welfare Coordinator/Emergency Services Coordinator. Communities is responsible for appointing Welfare Coordinators as follows:

Welfare Resource	Responsibilities during Preparedness, Operation and Recovery
Communities State Welfare Coordinator (SWC)	<p>The title “State Welfare Coordinator” used throughout this plan is the Communities representative appointed by the Communities Director General (DG). This role is delegated to the Director Emergency Services. Responsibilities include:</p> <ul style="list-style-type: none">(a) Coordination of all emergency welfare support services at the State level;(b) Represent the DG on the State Emergency Coordination Group (SECG) and State Recovery Coordination Group (SRCG) as required;(c) Act as the DG’s representative on the following:<ul style="list-style-type: none">• SEMC Response and Capability Subcommittee;• SEMC Recovery Subcommittee;• SEMC Community Engagement Subcommittee;• Other State and national level committees as appropriate.(d) Chairing the State Welfare Emergency Committee (SWEC);(e) Coordination of all partnering agencies within the State Welfare Coordination Centre.

Welfare Resource	Responsibilities during Preparedness, Operation and Recovery
Communities Emergency Services Coordinator (ESC)	<p>This role may be delegated by Communities Emergency Services (ES) Director to the rostered Communities ES On Call Officer during activation and operations to carry out Communities emergency management functions. The ESC is the link between the Local Welfare Coordinators and the State Welfare Coordinator and, where applicable, with the relevant HMA/Controlling Agency. The ESC is authorised to activate responses to emergencies and approve emergency expenditure and utilisation of resources to meet the emergency welfare requirements. Responsibilities include:</p> <ul style="list-style-type: none"> (a) Establish the State Welfare Coordination Centre and manage centre functions during operation; (b) Activate responses to emergency situations, authorise emergency expenditure and utilise resources to meet those responses; (c) Assist the State Welfare Coordinator with their functions as required; (d) Manage emergency welfare services functions as required; (e) Provide support to country staff/offices involved in emergencies; (f) Represent Communities on the State Emergency Coordination Group (SECG) and State Recovery Coordination Group (SRCG) as required.
Communities District Welfare Representatives	<ul style="list-style-type: none"> (a) Represent Communities on District Emergency Management Committees (DEMCs) to address emergency welfare support matters (Communities District Director or proxy); (b) Ensure the arrangements of this plan are clearly understood at the district level;

Welfare Resource	Responsibilities during Preparedness, Operation and Recovery
	<ul style="list-style-type: none"> (c) Clarify Communities policy on emergency welfare matters where required; (d) Refer matters of a contentious nature to Communities Emergency Services for resolution; (e) Ensure development, testing and maintenance of Local Emergency Welfare Plans for the district in which the Local Government (LG) areas fall; (f) Appointing Local Welfare Coordinators for each Local Emergency Management Committee (LEMC); (g) Represent Communities on Operational Area Support Groups (OASGs) as required.
District Emergency Services Officer (DESO)	<ul style="list-style-type: none"> a) As a local emergency management resource, develop local arrangements, procedures and resources eg EM Kits; b) Develop, test and maintain the Local Emergency Welfare Plans for the district in which the LG areas fall; c) Ensure staff and volunteers of Communities and partnering agencies are trained and exercised in their welfare responsibilities by conducting training sessions and exercises annually; d) Liaise and establish networks and partnerships with agencies; e) Assist with activations if available; f) Assist and support the District Welfare representatives and Local Welfare Coordinators to carry out their roles.
Communities Local Welfare Coordinators (LWC)	<p>Local Welfare Coordinators (LWCs) shall be nominated officers of Communities within an LG area/s.</p> <p>A Communities LWC responsibilities include:</p> <ul style="list-style-type: none"> (a) Establish and manage the activities of the local Emergency Welfare Coordination Groups (EWCG), where determined appropriate by the District Director;

Communities Welfare Centre Coordinator (WCC)	<p>In some circumstances Welfare Centre Coordinators (WCCs) are appointed. They shall be nominated officers of Communities and the WCC responsibilities include:</p> <ul style="list-style-type: none"> (a) Establish and manage the operations of the welfare centre/s, including coordinating staff and partnering agencies staff and volunteers, to provide appropriate welfare services to the evacuees in the welfare centre. Local Government Welfare Support	<ul style="list-style-type: none"> a) When an emergency event takes places within the boundaries of an LG, they may be activated by the HMA or by Communities to provide the initial welfare response to evacuating community members. This is primarily due to their close proximity to the emergency event and their ability to quickly identify and open a pre-determined welfare centre. If the activation request is from the HMA the LG should contact Communities to inform and consult with them of the activation to open a welfare centre. The role of the LG in these early stages would be to ensure

Welfare Resource	Responsibilities during Preparedness, Operation and Recovery
	<p>that evacuees have a safe location to relocate to, and that they can be provided with basic needs and services until such time as Communities can arrive to take on the coordination role of the welfare centre. Basic needs and services may include refreshments, registration, basic information, and personal support. On arrival of Communities, the LG would then provide a handover to the designated Communities Welfare Coordinator, and take on the LG Welfare Liaison Officer role as a support to Communities.</p> <p>b) In some circumstances the emergency event may not escalate to a significant level, and the LG may determine that they are able to continue to operate the welfare centre without the need for deployment of Communities staff. If this situation arises the LG must seek approval from Communities to retain the coordination role and have this decision documented formally.</p> <p>c) In some circumstances it may not be possible for Communities to attend the welfare centre due to geographical distances, road conditions, conflicting events, or other unforeseen circumstances. In these cases the LG may be asked to continue to provide the coordination role for the welfare centre, with support and advice being available from Communities via telephone or other means. In these situations Communities would approve in advance any required expenditures in relation to operating the welfare centre, and would meet these costs if required.</p>

Welfare Resource	Responsibilities during Preparedness, Operation and Recovery
	If LGs elect to undertake their own welfare arrangements without Communities consultation, LGs are responsible for their own costs.

2.4 Training

Training, both internally and inter-agency, will be determined by Communities and Emergency Welfare Coordination Groups. All training is to ensure staff and volunteers of Communities and partnering agencies have the necessary skills to provide appropriate welfare services under this plan, and in accordance with their roles and responsibilities.

2.5 Plan Activation Procedures

Communities will activate this plan from two sources:

- (1) As per State Emergency Management Policy 5.3.4 'A Support Organisation is responsible for specific activities in support of the Controlling Agency/HMA, and may also support Combat Agencies and other Support Organisations upon request'.
- (2) The State Welfare Coordinator/Emergency Services Coordinator based on information provided internally and/or externally, may identify the need to activate this support plan.

Regardless of who first identifies the need, the HMA/Controlling Agency and Communities State Welfare Coordinator (SWC), Emergency Services Coordinator (ESC) or Local Welfare Coordinator shall confer and agree that this plan should be activated; discuss the safe location of welfare centres and welfare services required. If activated at the local level the Local Welfare Coordinator will advise Communities SWC/ESC.

Once this decision is made the State or Local Welfare Coordinator shall assess the immediate welfare services required and activate Communities and partnering agencies if required and available. See Appendix 1 Communities Standard Operating Procedures for activation procedures.

Communities, representing partnering agencies, should be included as a member of the ISG and OASG, if formed, and will appoint an appropriate Communities representative accordingly.

2.6 Plan Activation Stages

The plan will normally be activated in stages. In an impact event for which there is no warning period, these stages may be condensed with stages being activated concurrently.

Activation Stage number	Activation Stage name and actions
Stage 1	<p>Alert: By the HMA/Controlling Agency or by Communities SWC/ESC based on information provided from within Communities.</p> <ul style="list-style-type: none">(a) Partnering agencies are alerted by the SWC/ESC or Local Welfare Coordinator;(b) Partnering agencies alert their own personnel;(c) Additional information allowing partnering agencies time to arrange preliminary preparations is provided;(d) Key personnel are briefed on action to be taken;(e) Establish liaison as appropriate with the HMA/Controlling Agency and/or Emergency Coordinator.
Stage 2	<p>Activation: By the HMA/Controlling Agency or by Communities SWC/ESC based on information provided internally and/or externally.</p> <ul style="list-style-type: none">(a) On behalf of the HMA/Controlling agency, and in consultation with the welfare centre owners, the Local Welfare Coordinator organises for the designated welfare centre to be opened if required. The safest and most appropriate centre needs to be agreed on by the HMA, LG and Communities;

Activation Stage number	Activation Stage name and actions
	<ul style="list-style-type: none"> (b) Required partnering agencies are activated by the SWC/ESC or Local Welfare Coordinator and proceed to the welfare centre; (c) Welfare services are provided under the coordination of the Local Welfare Coordinator with partnering agencies assisting as required; (d) Communications are maintained with the HMA/Controlling Agency, Emergency Coordinator, Local Welfare Coordinator and partnering agencies; (e) Welfare services requirements are continuously monitored and reviewed by the Local Welfare Coordinator and adjusted accordingly. (f) If required, requests for additional resource support at the local level should be made by the Local Welfare Coordinator to the SWC/ESC.
Stage 3	<p>Stand Down: HMA/Controlling Agency to officially notify Communities to Stand Down; or SWC/ESC or Local Welfare Coordinator to request of HMA/Controller Agency to Stand Down if they assess welfare services no longer required.</p> <ul style="list-style-type: none"> (a) Partnering agencies are informed of the Stand Down by the SWC/ESC or Local Welfare Coordinator; (b) Partnering agencies stand down in accordance with relevant procedures for their agency; (c) Partnering agencies are to advise the SWC/ESC or Local Welfare Coordinator when stand down has been completed; (d) Communities to officially hand back the welfare centre facility to the owner and coordinate cleaning and any repairs required whilst the facility operated as a welfare centre;

Activation Stage number	Activation Stage name and actions
	(e) The SWC/ESC or Local Welfare Coordinator advises partnering agencies of debriefing arrangements which will be conducted as soon as practicably possible; (f) Post operation reports to be written by Communities – see 2.9.

2.7 Public Information Management

The HMA/Controlling Agency is responsible for the provision and management of media and public information during emergencies, and all non-welfare matters will be referred to them. Communities and partnering agencies to this plan should only provide information to the public and the media on issues that are directly their responsibility, and with approval from the Communities SWC/ESC.

If the **Register.Find.Reunite. system** is activated, Communities SWC/ESC will give approval for Australian Red Cross to provide R.F.R. information to the HMA/Controlling Agency, or the State Emergency Public Information Coordinator (SEPIC).

2.8 Exchange of Information

During a state of emergency or emergency situation, emergency management agencies can share personal information relating to persons affected by the emergency, State EM Plan 5.2.5. Communities Local Welfare Coordinator is to contact Communities SWC/ESC to seek approval before there is any exchange of information.

2.9 Debriefs and Post Operation Reports

The Local Welfare Coordinator conducts a debrief of participating staff and agencies as soon as practical after all agencies are stood down. This is to identify lessons learnt through the activation for continuous improvement of any future activations. Following this, the Local Welfare Coordinator, or appointed Communities officer, writes the Post Operation Report.

3 Recovery

3.1 Recovery Definition

The Emergency Management Act 2005 (s. 3) defines recovery as the support of emergency affected communities in the reconstruction and restoration of physical infrastructure, the environment and community, psychosocial, and economic wellbeing.

As per the State Emergency Management Plan and the State Emergency Welfare Plan, it is the responsibility during recovery for the Department of Communities to coordinate the welfare components of recovery in line with the services outlined in this Plan for people affected by an emergency.

3.2 Emergency relief and assistance in recovery

Where possible, all offers of assistance and donations, including donated goods and services, should be coordinated through the Local Recovery Committee to avoid duplication of effort and confusion, State EM Policy 6.9.

Communities, as a support organisation, is not responsible for the coordination or collection of monetary donations or donated goods or services; restocking perishables or transporting people to/from homes and communities.

3.3 Financial Assistance in recovery

Sourced from State EM Plan 6.10 –

Through the **Disaster Recovery Funding Arrangements – Western Australia (DRFA-WA)**, the State Government provides a range of relief measures to assist communities recover from an eligible natural event

Department of Communities may provide some financial assistance in recovery for individuals and families if DRFA-WA is activated. This assistance is to alleviate the personal hardship or distress arising as a direct result of an eligible natural disaster and is assessed on a case by case basis by Communities SWC/ESC. Some categories are subject to income and/or assets testing.

Other financial assistance that may be available after an emergency are:-

- **Services Australia – Centrelink, Medicare and Child Support** – will ensure payments to its existing clients in the area affected by the emergency are not disrupted. It can often provide financial assistance to any person whose livelihood has been affected by the emergency. Where possible, Centrelink should be invited to join the Local Recovery Coordination Group.
If activated by the Australian Government, Centrelink can administer –
 - **Australian Government Disaster Recovery Payment (AGDRP)** - a one-off payment to assist people who have been significantly affected by a disaster. It is not for minor damage or inconvenience.
 - **Australian Government Disaster Recovery Allowance (AGDRA)** - a short term payment to assist individuals who can demonstrate their income has been affected as a direct result of a declared disaster.
- **Public Appeals – Lord Mayor’s Distress Relief Fund** – City of Perth established and manage this fund to provide relief of personal hardship and distress arising from natural disasters occurring within Western Australia.

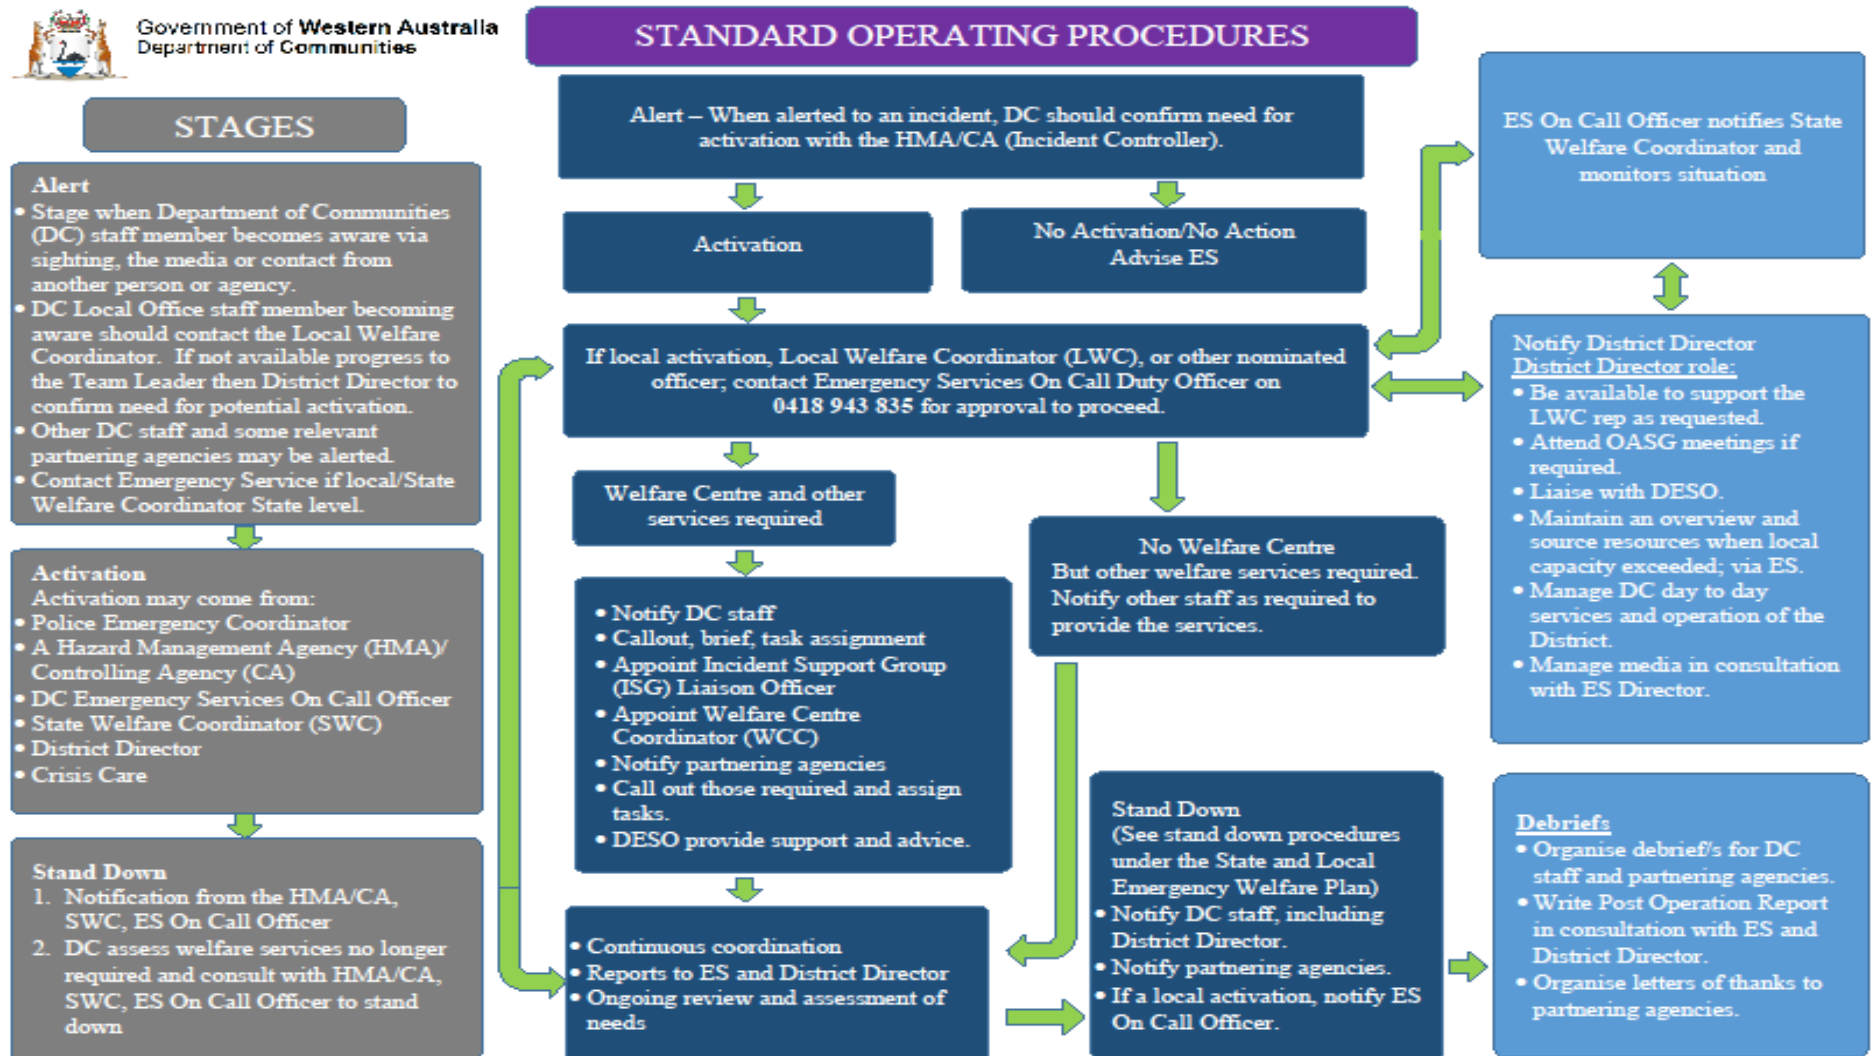

3.4 Cessation of recovery

Communities cessation of welfare services in recovery will be dependent on community needs, access to existing community services, and individuals' and communities' resilience. Accordingly, Communities cessation may vary from other recovery services.

3.5 Review of recovery activities

Communities will undertake an evaluation of the effectiveness of its own recovery activities including an assessment of preparedness for any future event.

Appendix 1 – Department of Communities Standard Operating Procedures

Appendix 2 – Local Emergency Welfare Coordination

Please see Appendix 4 – Organisational Responsibilities for details of each partnering agency's responsibilities.

Appendix 3 –Emergency Welfare Coordination Group/Partnering Agencies

- In some locations where there are enough local partnering agencies, Communities will establish an Emergency Welfare Coordination Group.
- This coordination group is an advisory, consultative and referral group to oversee and assist in the planning and operation of local level welfare services. Their agreed organisational responsibilities are provided in Appendix 4.
- All partnering agencies staff and volunteers assisting Communities in accordance with this plan are required to comply with Communities policies, including those relating to working with children, volunteers, Occupational Health and Safety and emergency management.
- In multi-agency responses Team Leaders for each functional area may be appointed, i.e. Registration Team Leader, Emergency Catering Team Leader.

Appendix 4 – Organisational Responsibilities

- Partnering agencies that may be engaged by Department of Communities (Communities) to assist in fulfilling their welfare obligations as part of the Local Emergency Welfare Plan.
- Communities as an emergency management support organisation coordinates emergency welfare services when activated via this plan – the Local Emergency Welfare Plan.
- To coordinate emergency welfare services requires the support of a number of statutory, private and voluntary organisations, known as partnering agencies. These responsibilities are allocated on a state-wide basis and have been determined by agreement between the respective agencies at the State level via the State Welfare Emergency Committee and Communities.
- At the local level these responsibilities may be varied to suit the capabilities and availability of welfare organisations. The responsibilities are negotiated between Communities and the agency at the local level and are reflected in this Appendix.
- The allocated responsibilities do not restrict one agency from assisting another, regardless of its primary role.
- Should a partnering agency not be able to manage its primary responsibilities, support with those responsibilities may be requested from the Local Welfare Coordinator. Ultimately, Communities is responsible for these functions where no partnering agency assistance is available.

Other agencies may be invited to join the Emergency Welfare Coordination Group as required

Appendix 5 – Emergency Accommodation

The provision of temporary shelter for persons rendered homeless by an emergency, or due to evacuation from an emergency, ranging from short to medium term accommodation, is coordinated and assessed by Communities.

Please note - in the event of an evacuation, people may make their own accommodation arrangements eg stay with family or friends locally (if this is safe) or in another town.

Points of clarification:

5.1 Establishment of welfare centres

As per State EM Policy -

- (a) 5.7.3 - The Controlling Agency is responsible for the management of evacuation during an incident, and this continues during an emergency response.
- (b) 5.7.4 - Local governments, HMAs, relevant EMAs (i.e. Support Organisations and Controlling Agencies), in consultation with relevant Local Emergency Management Committees (LEMCs), must identify and advise of refuge site and welfare centres including evacuation centres appropriate for the hazard. The welfare centres should be documented in the LEMA and are also recorded on the State Welfare Centre Database which HMAs and Controlling Agencies have access to.
- (c) 5.9.5.5 - LEMCs must ensure that LEMA identify appropriate facilities and existing infrastructure within their boundaries are available for use by EMAs or note where there are no facilities.

Therefore the establishment and management of welfare centres by Communities is on behalf of the HMA or Controlling Agency, in consultation with welfare centre owners. This could be LGs or private facility owners. Welfare centres are established as emergency facilities from which Communities coordinate accommodation, food, clothing, financial assistance, registration, personal support and other welfare services until alternative arrangements can be made.

5.2 Welfare centres definition

In Western Australia welfare centres are a facility that may provide for evacuation, reception, accommodation and relief and recovery (commonly referred to as a 'one-stop-shop') for an impacted community. Welfare centres may continue the extended provision of services into the recovery phase where LGs take responsibility as the lead agency in recovery. For the purposes of this plan all such facilities are classified as Welfare Centres.

5.3 Safety considerations

To ensure the safety of evacuees and welfare centre staff and volunteers, Communities will not establish welfare centres –

- in Bushfire Emergency Warning areas, and will only establish welfare centres in Bushfire Watch and Act areas with the assurance of the HMA/Controlling Agency that it is deemed safe to do so;
- if there is not safe access routes to the welfare centres;
- if there are structural concerns about the facility, and/or health concerns e.g. no running water, no drinking water, non-functioning sewage system, gas or chemical leaks in the area.

5.4 Children, organisations, educational and care facilities

As per State EM Plan 5.3.2 Community Evacuation, Stage 4: Shelter –

Children and vulnerable people in Evacuation Centres

Unaccompanied children, without direct parental or responsible adult supervision, should be evacuated into the care of the Department of Communities at the evacuation centre.

The preferred option for agencies, organisations or educational and care facilities such as women's refuges, men's hostels, group homes, is for them to have arrangements in place to either evacuate to a similar facility or shelter in place if safe.

If it is necessary to evacuate to a welfare centre, supervisory staff or members with responsibility for the care, supervision or provision of services to children and their clients must remain at the centre and continue to supervise and provide services until such time as alternative arrangements are made. This may include children being returned to parents or other responsible adult approved by that agency, organisation or educational and care facility.

Agencies, organisations and educational and care facilities at evacuation centres should liaise with the welfare coordinator at these centres for further advice and assistance in relation to unaccompanied children.

Services specifically for children and families, including child and family friendly spaces at Welfare Centres, are to be considered at the local level and included in Local Emergency Management Arrangements, State EM Plan 4.6.1 Special Considerations.

5.5 Animals in welfare centres

For health and safety reasons no animals, including pets, are permitted in welfare centres with the exception only of Assistance animals e.g. Guide Dogs, "Hearing" Dogs and Disability Aid Dogs. Some LGs may have an Animal Welfare Plan for them to coordinate the management of animals and pets in emergencies.

5.6 Responsibility for the welfare centre premises

Communities will take responsibility for the premises utilised as welfare centres from the time of their operations until their closure. Communities shall exercise reasonable care in the conduct of its activities and agree to replace or reimburse for supplies used in the operation of welfare centres.

As Communities operate welfare centres on behalf of the relevant HMA/Controlling Agency, in the event of any claim for unusual damage incurred as a result of the use of a facility as a welfare centre, Communities will facilitate processes with the HMA/Controlling Agency to respond to the claim. The owner/s of the facilities agrees to utilise their building insurance in the event of damage resulting from the actual disaster event to the structure of the building.

Communities will utilise contract cleaners or pay for the use of the facilities' cleaners to restore the facilities directly utilised as welfare centres back to serviceable condition, if requested.

5.7 School evacuations

If a school needs to evacuate upon receiving advice/instructions from the Incident Controller or HMA, they should try to evacuate to another school as a first option, or self-manage in a Communities designated welfare centre. Schools can evacuate to the community welfare centre with the schools' students under the duty of care and responsibility of the evacuated school.

Schools should use resources within the school such as gym mats, blankets if they have them, any food in school canteens etc. However if these resources are not available and Communities have spare items, these items will be shared with the school. If schools and Communities do not have these resources available, Communities will share any information on sourcing items as listed in the Local Emergency Welfare Plan.

5.8 State Welfare Centres

In some circumstances, particularly in larger State level sized emergencies, facilities in a local area in which an emergency or disaster has occurred may not be suitable/sufficient to ensure the safety of all evacuees, welfare staff and volunteers. In these circumstances LGs or private facility owners may be asked for use of their facility as a 'State Welfare Centre' to assist affected members of other LG areas. At these times it would be the expectation that the State Welfare Centre would operate in a similar manner with the same procedures as if operating as a Local Welfare Centre as outlined in this plan.

See over for the list of Pre-determined Welfare Centres.

Appendix 5A - List of Pre-Determined Welfare Centres

Welfare Centres are pre-determined by Communities in partnership with the Local Government/s' LEMCs. The LEMCs are to ensure Local Emergency Management Arrangements (LEMA) identify such facilities and existing infrastructure that are available for use by Emergency Management Agencies (including Communities) within their respective boundaries. In the event of a lack of facilities the LEMC are to note this in the LEMA's and advise the HMA/Controlling Agency to make alternative arrangements.

WELFARE CENTRE SAFETY INSPECTION

Facility Name & Address

Name:

Address:

In the event that this facility is required for use as welfare centre, this checklist (often completed in conjunction with the facility condition report) must be completed jointly between Department of Communities (DC or Communities) and the facility site representative directly prior to Communities taking control of the facility and again prior to handing the facility back. Identified hazards should be reported, removed/barricaded or handled/resolved as soon as possible.

Areas to check at a minimum

1. Facility access

- How many entrances/exits to the centre are there?
- Are any entrances/exits a hazard for children/people with special needs?
- Do any entrances/exits need to be blocked off or better sign posted? Are any of them fire exits?
- Is the car park able to be accessed? Is suitable access for people with disabilities available e.g. ramps/rails etc.
- Stage/side halls – are these safe for children?

☐

2. Slips, trips and fall from height hazards

- Floors, stairs and ramps - are these free from obstructions that may cause a person to trip or fall – do any need to be barricaded?
- Drains, plumbing and wet areas – are these leaking causing a slip hazard – check under sinks, dishwasher.
- Are floor surfaces free from uneven surfaces/potholes/other hazards?
- Are stair/steps barricaded from children?
- Are heavy/frequently used items stored away from top shelves and/or steps/safety ladders available if needing to reach heights (to be secured away at all other times)?

☐

3. Drowning hazards - Is there a drowning hazard e.g. swimming pool/spa etc? If so have these been barricaded?

☐

4. Electrical hazards

- Is the switchboard free of any obstructions and switchboard components are clearly marked?
- Are plugs, sockets, extension leads, power boards and/or electrical installations in good condition and protected (e.g. covered from damage and not overloaded)?
- Are flexible cords and extension cords being used in a safe manner (e.g. not lying across walkways and no use of multiple extension cords)
- Heaters – are these a hazard that needs to be barricaded?
- Kitchen – is this barricaded from children?
- Urns/Kettles – have these been barricaded from children?
- Other electrical equipment / hazards?

☐

5. Hazardous substances

- Are all potentially dangerous hazardous substances e.g. and chemicals including cleaning products etc locked away?

☐

6. Other

- Please include an outline of other areas checked for hazards/risks.

In the event that this facility is required for use as welfare centre, this report (often in conjunction with the facility safety inspection) must be completed jointly between Department of Communities (DC or Communities) and the facility site representative directly prior to Communities taking control of the facility and again prior to handing the facility back.

Identified damage or excessive wear and tear to the facility or equipment must be recorded. It is highly recommended that photos and/or video of the full facility (or at a minimum the parts of the facility that may be used) are taken so that the facility condition is accurately recorded.

Photos/video often assists in confirming at a later date existing facility/equipment damage (that may have been missed in a visual inspection).

Facility Handover Info

In the event that this facility is required for use as welfare centre, this handover / hand back report seeks to collate information useful to the party taking over/back 'control' of the facility. It should be completed jointly between Department of Communities and the facility site representative (or for local emergencies the Local Government representative). The information provided streamlines the process of handing over management of the centre, particularly in regards to knowing the current issues, staffing, agencies and evacuees utilising the centre

Areas to consider as a minimum	
1. Has a Safety Inspection and Condition Report been completed? Are there any concerns	<input type="checkbox"/>
<hr/> <hr/> <hr/>	
2. How many Evacuees have been registered? Where are the Registration Forms? Have they been faxed?	<input type="checkbox"/>
<hr/> <hr/> <hr/>	
3. Has hospitality been provided? Have any Meals been organised for the Evacuees? Have any meals or food has already been served?	<input type="checkbox"/>
<hr/> <hr/> <hr/>	
4. Have you assigned any Liaison Officers to work in the centre? How Long? Have you arranged any rosters for on-going support?	<input type="checkbox"/>
<hr/> <hr/> <hr/>	

5. Are other community members/groups going to be utilising the centre whilst it is open as a Welfare Evacuation Centre and will disturb its current purpose? Has the community been made aware of this centre being used as a Welfare Evacuation Centre? Have alternative plans been made for activities? ☐

6. Are there any other concerns or issues that have arisen since the opening of the centre or any that you foresee being an issue whilst the centre is open as a Welfare Evacuation Centre? ☐

7. Other Notes? ☐

Appendix 5B – Alternative Temporary Accommodation Services

In the event of an evacuation, people may make their own accommodation arrangements eg stay with family or friends locally (if this is safe) or in another town.

If a small number of people were required to evacuate, or there is extenuating circumstances for some individuals and families, Communities Emergency Services would explore alternative arrangements, depending upon the situation at the time. This may include a range of options such as commercial facilities. **Note: accommodation providers requiring payment need to have ABNs** – providers cannot receive payment without one.

Contact the Emergency Services On Call Duty Officer to seek approval for use of commercial accommodation – 0418 943 835.

In a larger emergency Communities Emergency Services may need assistance in organising accommodation for evacuees and ADRA can assist with this in designated areas. If additional help is required please contact the **Emergency Services On Call Duty Officer – 0418 943 835** and the Officer will activate ADRA if appropriate.

Appendix 6 – Welfare function of Registration and Reunification

- This functional area enables individuals within an emergency affected community to be traced, families reunited and inquiries about individuals coordinated, intrastate, interstate or internationally.
- To facilitate the accounting of persons affected by such incidents, Communities may use the registration and reunification Register.Find.Reunite. system or other options as appropriate. The Register.Find.Reunite. system has been developed at the State and national level. In Western Australia this system is activated by Communities and managed by the Australian Red Cross on behalf of Communities.
- The system provides for the registration and reunification of affected persons using standardised forms. Stocks of these forms are held by Communities offices, the Australian Red Cross State Inquiry Centre and its local teams and some LGs to be readily available for immediate use at welfare centres.
- In addition, impacted individuals may choose to register themselves online using the Register.Find.Reunite. system once it has been activated.

See over for Communities Standard Operating Procedures for the welfare function of Registration and Reunification.

Communities Standard Operating Procedures for the welfare function of Registration and Reunification

Government of Western Australia
Department of Communities

Department of Communities Emergency Services - Standard Operating Procedures for the welfare function of Registration and Reunification Dec 2017

Registration and Reunification (R & R) is one of the 6 welfare functional areas Department of Communities (DC) is responsible for under the WA Emergency Management Act 2005 and State Emergency Management Arrangements. Welfare arrangements are detailed in the State Emergency Welfare Plan and Local Emergency Welfare Plans. Registration and reunification enables individuals within an emergency affected community to be traced, families reunited and inquiries about individuals coordinated, intrastate, interstate or internationally. To facilitate the accounting of persons affected by such incidents, DC may use the registration and reunification Register.Find.Reunite. (R.F.R.) system or other options as appropriate. R.F.R. has been developed at the State and national level. In Western Australia this system is activated by DC as the commissioning agency and managed by the Australian Red Cross (ARC) as a partnering agency, on behalf of DC. ARC operates the State Inquiry Centre when authorised by the DC State Welfare Coordinator.

Registration and Reunification Standard Operating Procedures – State and Local Levels

Appendix 7 – Emergency Catering Services

Communities will coordinate the establishment of an emergency catering service for those rendered homeless, evacuees and welfare workers engaged during an event. Dependent on the catering requirements, Communities may engage a variety of service providers to provide this service, such as voluntary groups, fast food outlets or hospital, hotel, motel or public catering services. Communities cannot accept other prepared food e.g. sandwiches, cakes, sausage rolls, unless the person/organisation has a Food Handling Certificate issued by the LG.

Responsibility for the provision of meals for non-welfare emergency workers is the responsibility of the HMA/Controlling Agency.

A resource list of catering agencies and other options is included below, with consideration of catering for large numbers of evacuees and/or protracted emergency events.

Fast Food Outlets can provide quick food in an emergency but only for the short term.

Appendix 8 – Emergency Clothing and Personal Requisites

Communities coordinates the provision of essential clothing and personal requisites, to persons affected by an emergency. This function includes the provision of basic necessities such as toiletry packs, blankets, towels, mattresses, pillows, bedding, disposable nappies, and sanitary needs, as required.

Where possible, new clothing, or financial assistance for the purchase of new clothing, should be provided to eligible persons as soon as practicable. The use of ‘recycled’ clothing is a last resort.

A resource list of emergency clothing and personal requisites suppliers and options is included below. This lists organisations and retail outlets who agree to participate in these arrangements, and ensures that acceptable procedural matters have been established.

Appendix 9 – Personal Support Services

Communities will coordinate and provide personal support services, and where necessary, will work with other specialist agencies to ensure affected persons receive the necessary personal support to cope with the effects of loss, stress, confusion, trauma and family disruption. These include specialised counselling and psychological services and other appropriate services.

Personal Support Services can include practical assistance, emotional support, information, referral to other services, advocacy, advice, counselling and psychological services.

Information and advisory services may include other relief measures not necessarily provided by Communities, such as availability of grants and other forms of financial assistance, healthcare, provision of child care and financial counselling.

A list of relevant agencies and services is included below.

That the Minutes of the Rylington Park Committee Meeting held on 12 July 2023 be confirmed as being a true and accurate record.

Moved: Cr O'Connell

Seconded: Mr McElroy

CARRIED 7/0

6. BUSINESS ARISING FROM PREVIOUS MINUTES**6.1 Rylington Park Future Trial Plans**

Please find attached results from 2022 for Boyup Brook Ag Supplies pasture and crop trials held at Rylington Park Mayanup.

Attachment 6.1 – Boyup Brook 2022 Trial Report

6.2 Rylington Park Aeration Trials

Feedback on the aeration of the soil done by Cr King and the progress made on the installation of the fence / cage suggested at the previous meeting.

Mr Deas has installed fencing on one side. Nothing noticeable as it's still too cold.

6.3 Western Australian Agricultural Collaboration (WAAC) – Research Funding Opportunities

Prof. Brown will be providing further feedback on the issue at either the October or November meeting.

6.4 ECU Drone Usage Report

Prof. K Brown to provide feedback on the current projects that the drone is being used for.

Nothing further to report, drone not used on RP since June 2023. Waiting on report on other aspects the drone measured. Full report to be provided at the RP field day.

Prof. Brown indicated that it is still the same report since the sheep count.

The drone has not been utilised at Rylington Park since the end of June 2023.

Awaiting a report on some of the elements that was measured and mapped. The data is being analysed and the full report will be available at September Field Day.

Dr Dave Blake (drone pilot) will make a presentation at the Field Day on data collected.

A second report on the terrain and other data collected will be available for the Field Day.

Mr McElroy mentioned ground-breaking work being done over east with drones.

Prof. Brown indicated that using the drone is gaining momentum. Sheep counts have been conducted by hand for the past two (2) years (1 by Audit office and 2 by stock agents) and cost thereof high, opportunity to test with the drone count compared to the hand count was available to Rylington Park and that is an experiment which is ground-breaking and the mapping thereof is quite innovative.

Different terrain and different soil and moisture is about doing tests and getting software and building calibration of the drone as an aerial vehicle and test the drone in field conditions.

Starting on a greenfield site for drone work and a lot of work building the capabilities and it will roll out will be opportunity further down the track and Field Day opportunity to reveal the ability of the drone.

8. GENERAL BUSINESS

- **Trial Agreements**

CEO is currently reviewing the agreements and will in due course put a 'letter of agreement' in place for all commercial and collaboration agreements and that it encapsulates that results of trials be communicated to the Committee and that researchers should showcase at Rylington Park Field Days.

- **Potential research project proposed by Greening Australia (rehabilitating creek line and establishing a native plant seed bank).**

Professor Brown communicated that the collaboration with Greening Australia has been put back due to a delay at government level.

9. FURTHER BUSINESS**Bursaries from South-West WA Drought Resilience Adoption and Innovation Hub**

Ms Gillian has been dealing with KJ from Grower Group Alliance, there is opportunity for research projects to apply for bursary funding.

Several (12) bursaries available currently, approximately \$8,000 per bursary funding for students to get into the field to do extensions/show practical application of research and demonstrating results of research.

Prof. Brown is point of contact at ECU and will work with research students to identify appropriate projects and support them in putting together their applications with Grower Group Alliance.

Grower Group Alliance is looking at social research projects that has an impact on the community as well as agricultural based research projects.

Ms Gillian requested to put on the agenda: looking at an opportunity to participate in evokeAG WA, scheduled for 20 – 21 February 2024. Perth is the host city, 2023 event was held in Adelaide. evokeAG Conference information was distributed during the course of the meeting which included statistics from the 2023 event.

ECU in discussion with DPIRD on Rylington Park being a possible delegation visit opportunity to demonstrate what Rylington Park is doing as part of Perth evokeAG 2024.

Expression of Interest for delegation and event proposal opens in August 2023 and closes October 2023.

ECU to work together with Rylington Park Committee and representatives from the Shire of Boyup Brook to set up a proposal for a delegation tour.

Expression of Interest to be submitted in September 2023.

Ms Gillian has a tentative meeting on 25 August 2023 with DPIRD & internal representative, Tony Makaito, project manager from ECU, as long as they have Rylington Park Committee and the Shire of Boyup Brook's endorsement to move forward in looking at a possible delegation.

Question from CEO: When do you need set approval from Council for EOI?

Ms Gillian to obtain clarity on 25 August 2023 around deadline as to when EOI are to be submitted.

Ms Gillian aims to have worked up a draft plan around 14 September 2023.

Looking at regional South West delegations tours where educational hubs are on 23 and 24 February 2024, post evokeAG event.

Beneficial for partnership between ECU and Rylington Park and Shire of Boyup Brook. Benefit: cross pollination, exposure to other industries, new innovations etc.

COMMITTEE RESOLUTION RP 23/08/008

That the Rylington Park Committee Resolve to:

Recommend the appointment of Mr McElroy, Cr Caldwell and Cr Walker as a Sub-Committee of the Rylington Park Committee with delegated authority to provide quick response to managers requests.

Moved: Cr O'Connell

Seconded: Cr King

Rylington Park Sub-committee

1. Context

The creation of Rylington Park Sub-committee (sub-committee) is important to ensure swift decision making can be made when required.

The need for the sub-committee has arisen due to the requirement to make swift timeous decisions to allow the Farm Manager to utilise funds at short notice due to favourable market conditions.

2. Scope

- (a) The sub-committee will consist of three Rylington Park Committee members voted in by Absolute Majority of the Rylington Park Committee, and then referred to Council to be endorsed by Absolute Majority.
- (b) The sub-committee is in place solely for the purpose of ensuring swift timely decisions be made on operational issues associated with the sale and purchase of the various crops and biological assets located at the Rylington Park Institute for Agricultural Training and Research (Rylington Park) only.
- (c) The sub-committee has no other authority other than that referred to in (a) above.

3. Governance

Rylington Park being a local government asset, the procurement of goods and services as well as the sale of goods and services is governed by Council Policy (to be developed).

Any other operational matters relating to Rylington Park is governed by the Rylington Park Committee and is required to be ratified by the Shire of Boyup Brook Council.

4. Process

When the sale of goods and services or the purchase of goods or services has been identified by the Farm Manager, the Farm Manager is to email the details of the sale / purchase of goods or services to the Chief Executive Officer. The Chief Executive Officer will then forward the email to the sub-committee members requesting either their approval or refusal to proceed with the sale / purchase of the goods or services requested by the Farm Manager.

5. Deliverables

Upon receipt of a request from the Farm Manager in writing (email) requesting the sale / purchase of goods and services, the Chief Executive Officer shall within one (1) hour (if possible) forward such request to the sub-committee who will within one (1) hour of receiving the request (if possible) respond back to the Chief Executive Officer.
