### Summary

Council is requested to nominate a representative to join the interview panel for the 2025 Sandakan Scholarship Program, with interviews scheduled for Monday, 8 September 2025.

The program, delivered through Boyup Brook District High School's Humanities and Social Science curriculum, engages Year 9 and 10 students in learning about the history of Sandakan. Students' complete assignments, take part in interviews with RSL, Shire, and community representatives, and present creative works at the annual Sandakan Memorial Service.

The winning student travels to Borneo for Anzac Day to attend commemorations and visit memorial sites, helping to ensure Boyup Brook's and Australia's wartime history is remembered and honoured by future generations.

### Background

The Sandakan Scholarship Program, established in 2002, is a collaborative initiative between the Boyup Brook Lions Club, the Boyup

Brook RSL Sub-Branch, and Boyup Brook District High School (BBDHS), with ongoing support from the Shire of Boyup Brook.

The program plays a significant role in the BBDHS curriculum, providing students with the opportunity to learn about the history and legacy of the Sandakan Death Marches during World War II.

### Report Detail

As part of the Humanities and Social Science (HASS) curriculum, BBDHS includes Australia's involvement in the events at Sandakan during World War II. The school encourages all Year 9 and Year 10 students to participate in the Sandakan Scholarship Program, with relevant lessons incorporated into HASS studies.

With guidance from teaching staff, students submit their assignments to the scholarship program, attend an interview and make a presentation to the community.

The interview section is held with a panel comprising representatives from the Boyup Brook RSL Sub-Branch, a Boyup Brook Shire Councillor, and knowledgeable community members. This interview assesses each student's understanding of the events at Sandakan.

In addition, students produce a creative response such as a poem, speech, or artwork, expressing their personal reflections on Sandakan. These works are presented to peers and members of the public, enabling students to connect the historical events to the local community. This component is scheduled to coincide with the annual Sandakan Memorial Service in September, where the scholarship winner delivers their speech.

The winning student, accompanied by a parent or guardian, travels to Borneo for Anzac Day, attending commemorative services and visiting memorial sites. The scholarship provides a valuable educational experience, fostering continued awareness among local youth of both Boyup Brook's and Australia's wartime history.

### Summary

That Council formally commit to road safety and regular engagement with WALGA's RoadWise program.

### Background

WALGA's RoadWise is Western Australia's dedicated Local Government road safety program, established in 1994 to significantly contribute to both National and WA road safety strategies. Funded by the Road Trauma Trust Account and State Road Funds, its primary objectives are to engage and support Local Governments in adopting safe system-aligned policies and practices, and to ensure accessible child car seat safety fitting services. RoadWise achieves these goals through initiatives like "RoadWise Councils," the "RoadWise Recognised" program, various tools, advocacy, and information dissemination, all guided by its structured "RoadWise Framework" for integrating road safety into local government operations

## Report Detail

### Objectives/Purpose

- WALGA RoadWise is WA's dedicated Local Government road safety program, aiming to significantly contribute to the National Road Safety Strategy and WA's Driving Change strategy.
- To engage and support Local Governments in developing their capacity to adopt and apply safe system-aligned road safety policies and practices.
- To ensure child car seat safety fitting services are accessible to parents and carers across the state.

### Strategic Benefits for the Shire

- Provides the Shire with direct access to WALGA's comprehensive road safety services, specialised tools, resources, and dedicated Road Safety Advisors.
- Directly contributes to state targets for reducing killed and seriously injured individuals, alleviating the social and economic burden of crashes and enhancing community well-being.
- Offers eligibility for "RoadWise Recognised" (points and ribbons), publicly showcasing the Shire's commitment and fostering opportunities for leadership in road safety.

### Getting Started on the RoadWise Program

- The Shire must formally commit to road safety and regular engagement with RoadWise through a CEO/President Declaration or Council Resolution.
- Nominate specific personnel (Elected Members and/or officers) as primary contacts for RoadWise matters.
- Express formal interest to WALGA RoadWise via email to begin direct collaboration with a Road Safety Advisor for tailored support.

### Committing and Achieving Program Goals

- Integrate road safety as "business as usual" across all relevant Shire functions, ensuring systemic and long-term improvements.
- Consistently engage in RoadWise activities, including the "RoadWise Recognised" program, to measure progress and incentivise continuous improvement.
- Continuously utilise WALGA's comprehensive support, including advisors, tools, and professional development opportunities, to enhance internal capabilities.

## Shire of Boyup Brook Strategic Community Plan 2021 - 2031

	<b>Key Imperatives</b>	<b>Governance and Organisation</b>
	<b>Objective</b>	Effective Emergency Management and Disaster Preparedness.
	<b>Outcome</b>	Increase road safety, improve community awareness regarding road safety.

### Other Strategic Links

Social / Community

### Statutory Environment

*Local Government Act 1995.*

National Road Safety Strategy 2021-2030.

WA's Driving Change strategy 2020-2030.

### Sustainability and Risk Consideration

**Economic** – (Impact on the Economy of the Shire and Region)

Alignment with state-funded initiatives (Road Trauma Trust Account, State Road Funds to Local Government Agreement) can potentially support local road safety projects.

**Social** – (Quality of life to community and / or affected landowners)

Proactively reduces road trauma, addressing the social and economic burden of crashes, and improving overall community safety and quality of life.

### Policy Implications

A core principle of RoadWise is to integrate safe system principles into the Shire's daily operations, making road safety "business as usual" across all relevant functional areas. This includes land use planning, community development, fleet operations, and the Shire's role as an employer. This cross-cutting responsibility necessitates inter-departmental collaboration, ensuring safety is a fundamental consideration in all relevant undertakings, leading to long-term, systemic improvements.

## **Risk Management Implications**

Shire of Boyup Brook's commitment to the identification and management of risk that may impact on the achievement of its business objectives.

<b>Risk Level</b>	<b>Comment</b>
<b>Low</b>	Action poses a low risk because it does not directly impact the project's core objectives. Administrative action only.

## **Consultation**

Recommended by the Shire of Boyup Brook Local Emergency Management Committee (LEMC) in the 21 May 2025 Meeting Minutes. Report for submission to council, tabled at the 06 August LEMC meeting.

## **Resource Implications**

### **Financial**

### Summary

The Shire received an application, on behalf of the 'Mobrup Riding School', seeking approval to place a shipping container, at 41 Boyup Brook Cranbrook Road, MAYANUP (Reserve 20039).

The shipping container is proposed to be used to store equipment associated with the 'Mobrup Riding School'.

### Background

In accordance with the Shire's *Local Planning Scheme No.2*, the subject land is zoned 'Rural'.

In accordance with Landgate Tenure data, the subject land is 'Reserved' for the purpose of 'Recreation'.

The Crown has granted the Shire management authority over the land, and the Shire has leased the land to the Mayanup Progress Association. The Mayanup Progress Association has agreed to the 'Mobrup Riding School' placing the shipping container at the subject Reserve.

The proposed shipping container conforms with the purpose of the Reserve, which is for Recreation.

### Report Detail

The Shipping Container is proposed to be developed in a cleared area, adjacent to an existing approved shipping container and within walking distance to recreation facilities.

The size and colour of the shipping container is as per the below diagram.

To ensure the shipping container does not detract from the amenity of the area, it is recommended that a condition of approval is included, requiring that the shipping container is painted a colour, to match the existing approved shipping container.

Council is recommended to approve the proposed Shipping Container at the subject location.

### Summary

The Shire received a development application involving an extension (lean-to) to an existing outbuilding located at 13 Kaufmann Close.

The proposed development does not comply with minimum setback and floor area standards, as defined by the Shire's Local Planning Scheme No.2 and Outbuilding Policy PD3.

### Background

The Shire referred the proposed development to neighbours, seeking comments in-relation to the proposed setback and floor area variations. At the close of advertising, no comments were received.

### Report Detail

In accordance with the Shire's *Local Planning Scheme No.2*, the subject land is zoned 'Rural Residential' – area No.6.

In accordance with Scheme standards for the 'Rural Residential' – area No.6 zone, buildings may not be constructed within the 'building exclusion area' which is defined as being:

- 30m from road
- 20m from side boundaries
- 25m from rear boundaries

The proposed development does not comply with the above min side boundary setback standard. The proposed development is seeking a side boundary setback of 17.4m, which is a variation of 2.6m from the min scheme standard.

In accordance with the Shire's Outbuilding Policy, outbuildings in 'Rural Residential' zone areas should not exceed a floor area limit of 200m<sup>2</sup>. The proposed development is seeking an outbuilding size of 225m<sup>2</sup>, 25m<sup>2</sup> over the maximum floor area allowance.

The proposed development is not expected to impact on neighbouring properties. The Shire sought comment from neighbours on the proposed floor area and setback variations. At the close of advertising, no comments were received.

The proposed development is not expected to impact on the amenity of the area. The proposed variations are minor – 2.4m setback variation and 25m<sup>2</sup> floor area variation.

It is recommended that Council approved the proposed development, subject to a condition requiring the planting of trees between the development and the side and rear boundaries.

### Shire of Boyup Brook Strategic Community Plan 2021 – 2031

The Shire's Outbuilding Policy states:

*With the exception of 'Rural' zone properties, outbuildings exceeding 80m<sup>2</sup> shall be constructed out of low-reflective materials that blend with the landscape (dark blue, green, brown or red). The following colours are to be avoided as they are deemed to detract from the landscape and are considered highly reflective: Zincolume, Galvabond, White, Off-white, and Surfmist.*

The colour proposed for the development is 'Monument'.

*The design and location of outbuildings shall comply with the following Table 1.*

**TABLE 1: OUTBUILDING SPECIFICATIONS**

<b>Zoning</b>	<b>Max. Wall Height</b>	<b>Max. Ridge Height</b>	<b>Maximum individual outbuilding area (m<sup>2</sup>)</b>	<b>Maximum total outbuilding area (m<sup>2</sup>)</b>	<b>Set-backs</b>

## Summary

The purpose of this report is for Council to consider proceeding to advertise the draft new Local Planning Scheme No. 3 (LPS3), without modification, in accordance with the *Planning and Development (Local Planning Schemes) Regulations 2015* (Regulations).

The draft new LPS3 seeks to:

- Ensure consistency with the state planning framework, including reflecting any recent changes to the Regulations, state planning policies, guidelines and state policy direction;
- Implement the aims and strategic direction of the Shire's Local Planning Strategy 2023-2038 (Strategy);
- Ensure consistency with the local planning framework, including existing local planning policies and local structure plans.

Once finalised, the draft new LPS3 will replace the existing Local Planning Scheme No. 2 (LPS2). The draft new LPS3 is available for review as the Attachment 1.

## Background

The Regulations require local governments to review their local planning scheme every 5 years. Review of a scheme needs to comply with the state's 'Model Provisions', which are contained in the Regulations.

The Shire's current LPS2 was originally gazetted in 1997. Amendments to the LPS2 have been implemented since its gazettal, including significant changes that were required following gazettal of the Regulations in 2015.

In 2024, the Shire commenced a process to develop a new LPS3, to implement the strategic direction and aims set out under its Strategy. The draft new LPS3 seeks to ensure alignment between the strategic and statutory aspects of the state planning framework and the Shire's local planning framework (Strategy and Policy).

The Shire's Strategy defines the direction of the Shire for the next 10-15 years, with its primary aim being to achieve residential and industrial development through limited fronts.

## Report Detail

The process for the preparation, advertising, modification and approval of a local planning scheme is set out in the *Planning and Development Act 2005* and *Planning and Development (Local Planning Schemes) Regulations 2015*.

See Attachment 4 for a simplified flowchart for the preparation of a new local planning scheme.

The draft new LSP3 involves the following key changes, which are proposed to ensure alignment with strategic direction and legislative requirements:

- Modifying the aims of the scheme to align with the Shire's Strategy
- Introducing new reserve classifications to align with state legislation (e.g. Drainage / Waterway)
- Combining the zone objectives in Table 2, with the standards applicable to each zone classification
- Modifying the land use classifications in the Zoning Table, to align with the Model Scheme
- Modifying permissibility's in the Zoning Table, to allow for more flexibility
- Allowing high-density (R60) development for aged person housing in the Residential zone, as instigated by the Shire's Strategy
- Introducing new standards dealing with:
  - Modifications to the Residential Design Codes (e.g. for ancillary dwellings and outbuildings)
  - Matters associated with the environment (e.g. development of access roads and intensive agricultural industries)
  - Caravan parks and holiday accommodation developments
  - Extractive industries
  - Outbuildings and shipping containers
- Introducing a new Special Control Area, to deal with areas that may be subject to inundation
- Introducing new development exemptions for the erection of a single house, outbuilding and ancillary dwelling, for land where the Residential Design Codes do-not apply (e.g. Rural and Rural Residential land).
- Deleting schedules in the scheme dealing with structure plans, rural residential development, rural smallholdings development and non-conforming uses. Standards for these are dealt with elsewhere in the scheme or as a guide document adopted under the scheme.
- Map zone and reserve changes where necessary to align with the Shire's Strategy and Regulations. In particular:
  - Some reserve classifications have been changed to align with the underlying reserve purpose (E.g. Introduction of 'Environmental conservation' reserve classification for conservation reserves and 'Civic and Community' for community areas)
  - Crown reserves with a zone classification, have been transferred to a reserve classification
  - The land adjacent to Williams Street has been rezoned from Rural Residential to Residential, as recommended by the Shire's

### Strategy.

- Lots on the corner of Short Street and Abel Street have been transferred to the Light Industry zone to reflect their current use.

The changes proposed in the new scheme are expected to provide sufficient dwelling density, development control, land use permissibility, and other essential details to allow for growth and development within the Shire of Boyup Brook.

This report item is requesting the approval of the Council to forward copies of the draft new Scheme to the Commission for certification to advertise, and to refer the draft Scheme to the Environmental Protection Authority (EPA) to consider if the Scheme requires formal environmental assessment.

Subject to favourable advice from the EPA and the Commission, the Shire can proceed to advertise the draft LPS3 in accordance with the Regulations. Following closure of advertising, the draft LPS3, along with public and agency submissions, will be referred back to Council requesting final approval, with or without modifications.

### Shire of Boyup Brook Strategic Community Plan 2021 – 2031

	<b>Key Imperatives</b>	<b>Economic Development</b>
	<b>Outcome</b>	Be a business friendly Shire and create conditions for economic growth.
	<b>Objective</b>	2.1 Reduce red tape and promote a supportive business friendly culture.

### Statutory Environment

A local planning scheme comes into force in a similar manner to an Act of Parliament.

A local planning scheme must therefore receive the consent of the Minister for Planning before it becomes a legal document.

Once a scheme is gazetted, it sets up a statutory framework for the development of the Municipality and becomes the primary tool to guide private sector investment

### Sustainability and Risk Considerations

**Policy Implications**

There are no policy implications relating to the proposal to introduce a new local planning scheme.

Provisions from a number of local planning policies are proposed to be consolidated into the draft LPS3 (e.g. outbuildings).

In accordance with Part 5, s.77A of the *Planning and Development Act 2005*, the Minister may, on the recommendation of the Commission, order a local government to prepare and submit for the approval of the Minister an amendment to a local planning scheme for the purpose of rendering the local planning scheme consistent with a specified State planning policy.

**Risk Management Implications**

Shire of Boyup Brook's commitment to the identification and management of risks that may impact the achievement of its business objectives.

<b>Risk Level</b>	<b>Comment</b>
<b>Low</b>	Not updating the Shire's Local Planning Scheme to conform with the Shire's Strategy and state Regulation may result in decision making that is not in line with community and state expectations.

**Consultation**

Pursuant to r. 22 of the Planning Regulations, the local government must advertise the draft local planning scheme for public inspection as follows:

- a) Publish in accordance with r. 76A:
  - the notice; and
  - the draft local planning scheme
- b) Give a copy of the notice to each public authority that the local government considers is likely to be affected by the draft local planning scheme
- c) Advertise the draft local planning scheme as directed by the WAPC and in any other way the local government considers appropriate.
- d) The period for making submissions on a draft local planning scheme is:

- the period of 90 days after the day on which the notice is first published; or
- a longer period approved by the WAPC.

The purpose of the engagement is to inform stakeholders and the community about the changes that are introduced with draft LPS3 and to provide an opportunity for the Shire to answer questions and address concerns.

Pursuant to r. 25 of the Regulations, the local government must consider all submissions on a draft local planning scheme lodged with the local government within 120 days after the end of the submission period for the draft scheme.

### **Resource Implications**

#### **Financial**

The proposal is within Planning Budget.
