7.1 WORKS AND SERVICES

7.1.1 Bridge Repairs and Maintenance

Location: Various locations within the Shire of Boyup Brook
Applicant: Shire of Boyup Brook
File: -
Disclosure of Interest: Nil
Date: 7 November 2007
Author: John Eddy – Manager of Works & Services

SUMMARY

To approve the transfer of funds from the Bridge Reserve to Municipal Fund for the funding of emergency structural repairs and maintenance works on various bridges within the Shire of Boyup Brook.

BACKGROUND

Main Roads WA carry out detailed inspections of local authority bridges on a five year rotational basis. A detailed inspection report is provided to the local authority indicating structural repairs and routine maintenance items requiring attention.

Quite often a bridge is affected by the deterioration of structural components between inspections and an assessment of the structures load carrying capacity is conducted by Main Roads WA structural engineers. Main Roads WA have advised the Shire of Boyup Brook that specific structural repairs and maintenance is required on the following bridges:-

BRIDGE NUMBER	LOCATION	ESTIMATED COST
743	Boyup Brook/Arthur River Rd	\$5,000
3306	Jayes Road	\$5,000
3310	Westcliffe Road	\$1,500
3311A	Dwalganup Road	\$1,500
268A	Mayanup/Tonebridge Road	\$500
747	Boyup Brook/Arthur River Road	\$500
3304A	Winnejup Road	\$500
4872	Collie South West Road	\$500

Failure by the Shire of Boyup Brook to complete the requested structural repairs and maintenance works could result in a load limit being applied to the bridges in the future.

COMMENT

The Shire of Boyup Brook is the owner and asset manager of all bridge structures on local roads within the Shire. It is important to maintain the structural integrity of all Shire bridges ensuring that local traffic and transport of goods and produce is maintained without the imposition of load limitations.

The Bridges Reserve has a current balance of \$24,000, it is recommended that \$15,000 be transferred from the Bridges Reserve to the Municipal Fund to enable the proposed bridgeworks to proceed.

<i>File:</i>	<i>GO/19/005</i>
<i>Disclosure of Interest:</i>	<i>Nil</i>
<i>Date:</i>	<i>24th October 2007</i>
<i>Author:</i>	<i>Tony Doust, Chief Executive Officer</i>

SUMMARY

This report is to brief elected members of the elections held on 20 October 2007 and to provide an overview of statistics that relate to the election held.

BACKGROUND

The Shire is divided in four wards:-

Boyup Brook	-	478 Electors	-	3 Councillors
Benjinup	-	231 Electors	-	2 Councillors
Dinninup	-	220 Electors	-	2 Councillors
Scotts Brook	-	229 Electors	-	2 Councillors

This year was the first time ordinary elections have been held in October compared with May in the past years.

Four Councillors terms were due to expire as a part of the normal electoral cycle, one in each ward, and two extraordinary vacancies were created by the resignation of Cr Martin (April 2007) Benjinup Ward and Cr Florey (October 2007) Scotts Brook Ward.

Sitting Councillors, Cr Moir and Cr Oversby did not re-nominate. Nominations close on the 13th September 2007 and as a result the following persons were declared elected unopposed. Where two nominations were received in a ward for two vacancies, the Returning Officer conducted a draw to determine order of retirement.

Brian O'Hare	-	Benjinup Ward	-	Four year term expiring 2011
Eric Muncey	-	Benjinup Ward	-	Two year term expiring 2009
Kym Lamshed	-	Dinninup Ward	-	Four year term expiring 2011
Peter Marshall	-	Scotts Brook Ward	-	Four year term expiring 2011
Michael Giles	-	Scotts Brook Ward	-	Two year term expiring 2009

As two nominations were received for the Boyup Brook Ward, Roger Downing and Wayne Coughlan, an election was held on 20 October 2007. Only one polling place was required, Shire Administration Centre, Boyup Brook. Early voting was available as from Wednesday 19 September 2007.

COMMENT

Three staff worked on Election Day from 7.30am to 7.00pm including preparation of the office for the election and count at the end of the day. One of the issues that arose during the day was the number of people that came to vote as they believed they were on previous rolls. It would appear that past rolls have not been prepared in accordance with current legislation with regard to owners and occupiers. The Local Government Act 1995 introduced changes to the requirement for registration on owner/occupier rolls and removed the automatic inclusion that previously existed. When preparing the roll for this election a search of the Shire records revealed that only four registrations had been received and were current. Three of these were no longer eligible as the persons had sold their properties. At the time of the election only one person was registered on the owner/occupier roll for the Shire.

The Boyup Brook Ward Election results and statistics are as follows.

Total number of eligible votes	478	(including one owner/occupier)
Total votes cast:-		
Early Voting	60	
On Election Day	101	
Total	161	
Result of Count		
Roger Downing	142	
Wayne Coughlan	14	
Invalid	5	
Total	<u>161</u>	

33% of eligible voters voted.

7.3.4 Boyup Brook Medical Services – Review of Fees

Location: Medical Centre Abel Street, Boyup Brook
Applicant: Shire of Boyup Brook
File: CM/42/003
Disclosure of Interest: Nil
Date: 29th October 2007
Author: Tony Doust, Chief Executive Officer

SUMMARY

This report outlines the existing fees for services provided by the Boyup Brook Medical Centre, recent review of the Medicare rebates and proposes an increase in the fees.

BACKGROUND

The Council reviewed the fees charged for services provided at the Boyup Brook Medical Centre in November 2006. Subsequent to this several additional charges were added, resulting in the existing fee structure being included in the 2007/08 budget:-

Service	GST Included	Amount
Consultations – Short	No	\$24.00
Consultations – Standard	No	\$45.00
Consultations – Long	No	\$72.00
Consultations – Extra Long	No	\$97.00
PATS – referral	Yes	\$2.50
Late Payment Administration fee – over 30 days	Yes	\$5.00
Late Payment Administration fee – over 60 days	Yes	\$10.00
Late Payment Administration fee – over 90 days	Yes	\$15.00
Administration fee for missed appointments (after 2 notices to patient)	Yes	\$44.00
Reports for Third Parties	Yes	\$180.00 per hour

The existing (1st Nov 2006) medicare rebate for services provided are as follows:-

Consultations	Rebate	GAP
Short	\$14.70	(\$9.30)
Standard	\$32.10	(\$12.90)
Long	\$60.95	(\$11.05)
Extra Long	\$89.75	(\$7.25)

Whilst the fees were adopted in the annual budget for 2007/08, these were based on the level set in November 2006, as it was necessary to wait until the Medicare rebate was reviewed in October/November (the date each year) prior to making any adjustment. The new Medicare rebates have now been published and it is recommended the fees be reviewed to reflect increasing costs.

COMMENT

The Chief Executive Officer has discussed this matter with the Doctor and staff at Boyup Brook Medical Practice and it is recommended that the fees be reviewed to reflect the increased costs of operating the medical centre and the revised Medicare rebates. A small increase each year is far more acceptable that a larger increase after a longer period without an adjustment. The revised Medicare rebates as from 01/11/07 will be:-

	<u>Rebate</u>
Consultation – Short	\$15.00
Standard	\$32.80
Long	\$62.30
Extra Long	\$91.70

The new fee structure proposed is as follows:

Service	GST Included	Amount

Late Payment Administration fee – over 60 days	Yes	\$10.00
Late Payment Administration fee – over 90 days	Yes	\$15.00
Administration fee for missed appointments (after 2 notices to patient)	Yes	\$46.50
Reports for Third Parties	Yes	\$186.00 per hour
Hire of Consulting Rooms – Half Day	Yes	\$44.00
Hire of Consulting Rooms – Half Day – with receptionist	Yes	\$55.00
Hire of Consulting Rooms – Full Day	Yes	\$88.00
Hire of Consulting Rooms – Full Day – with receptionist	Yes	\$110.00
Hire of Consulting Rooms to Visiting health Professionals from Voluntary organizations that do not levy or receive a fee for their services – Half day hire	Yes	\$25.00

The GAP after taking into consideration the revised fee schedule and Medicare rebate will be as follows:-

	GAP
Consultation – Short	\$10.00
Standard	\$13.70
Long	\$12.70
Extra Long	\$ 9.30

The following information has also been provided by the staff at the Boyup Brook Medical Practice:-

Patient type 2006 – 2007 financial year:

Veterans affairs patients	4.5%
Bulk Bill patients	32.6%
Private patients	25%
Organizations	37.9% (workers comp, hospitals, etc)
Total	100%

All patients with a pensioner card, commonwealth senior's card and health care card are bulk billed.

Pensioner card:	eligible if you are on a pension.
Health care card:	eligible if taxable income is less than \$429 a week for single, \$714.00 a week for couple.
Commonwealth senior's card:	eligible if taxable income is less than \$80,000 a year for a couple, \$50,000 a year for a single.

CONSULTATION

STATUTORY ENVIRONMENT

Local Government Act 1995 – Section 6.16, 6.17 and 6.19

Section 6.19- Requires a Local Government to advertise its intention to implement a fee structure that was not included in the Annual budget before it introduces the new fee and also to advise as to the date it will apply from.

POLICY IMPLICATIONS

No specific policy that relates to this matter.

FINANCIAL IMPLICATIONS

The revised fee structure will assist in achieving the estimate increase income projected in 2007/08 Budget to be received by the Boyup Brook Medical Centre, however the level depends entirely on the number of patients attending.

STRATEGIC IMPLICATIONS

It is important to continue to provide a viable Medical Service for the community and to provide adequate resources to update the services and facilities provided.

To consider a decision made by the South West Zone Western Australian Local Government Association to request Local Governments to collectively contribute towards the skills shortage project.

BACKGROUND

The meeting of the South West Zone of WALGA at Collie on 28th September 2007 received an address from professor Matthew Tonts (UWA) and Ms Lisa Shreeve (SWACC) on a proposed skills shortage project. (Details of this are attached as appendix no. 1.4)

The Zone resolved accordingly:-

“THAT:

The SW Zone of the WA Local Government Association write to each Member Council seeking their agreement to contribute towards the \$25,000 for the Skills Shortage Project Concept (as outlined during item 7.1) on a pro rate basis according to rate revenue.”

The Executive Officer of the zone has now written to all Local Governments in the South West Zone seeking a decision from each Council on this matter and advises:-

“Based on the 2004/05 rate revenue of the 12 local governments reported in the WA Local Government Director for 2006/07, the following indicative contributions result:

Local Government	2004/05 Rate Revenue	% of Total Rate Revenue	Indicative Share of \$25000
Augusta-Margaret River	\$8,866,7117	13%	\$3,373
Boyup Brook	\$1,307,000	2%	\$497
Bridgetown-Greenbushes	\$2,171,469	3%	\$826
Bunbury	\$15,340,000	23%	\$5,836
Busselton	\$15,777,000	24%	\$6,002
Capel	\$2,858,000	4%	\$1,087
Collie	\$2,830,102	4%	\$1,077
Dardanup	\$3,097,985	5%	\$1,179
Donnybrook-Balingup	\$1,979,000	3%	\$753
Harvey	\$6,771,063	10%	\$2,576
Manjimup	\$3,989,297	6%	\$1,518
Nannup	\$728,469	1%	\$277
Total	\$65,716,102		\$25,000

It is likely that all member councils would be affected by skills shortages and an outcome of the proposed project could be to develop strategies to assist to overcome those shortages.”

COMMENT

Given the problem that all Local Governments are experiencing it is important that every effort is made to improve the position. The small contribution required by Boyup Brook will demonstrate that this Shire is prepared to work towards improving the position.

<i>Disclosure of Interest:</i>	<i>Tony Doust</i>
<i>Date:</i>	<i>6 November 2007</i>

SUMMARY

To formally advise Council of the resignation of Tony Doust as Chief Executive Officer of the Shire, as from 4th July 2008 and to consider requirements for the appointment of a new Chief Executive Officer.

BACKGROUND

Mr. Doust was appointed by Council to the position of Chief Executive Officer in March 2007. The contract between Mr. Doust and Council includes a clause for termination of the contract by the employee provided (3) months notice is given. Mr. Doust recently advised the Shire President accordingly:-

“A number of matters of a private nature and work related have caused me to review and consider my priorities for the future. Whilst I have enjoyed working in Local Government for the past 40 years, including the time I have been at the Shire of Boyup Brook, I have decided that I do not wish to continue employment on a full time basis. I want to have more time to do the things that are important to both Elinor and myself, as well as our family and working in the position of Chief Executive Officer on a full time basis during the past twelve months has really brought home to me the fact that I have limited time to do these.

As you will recall I was not interested in the permanent position of Chief Executive Officer when I commenced as Acting CEO, however after the difficulties that Council experienced in obtaining a person, I reviewed my position and decided to put my hand up for the job. On reflection, having not held a position on a permanent basis for some time, the extent of the work required, including the ever increasing devolution of responsibility from Governments, together with my own personal standards to achieve a high level of administration and compliance, I have come to realize that it will be very difficult for me to achieve the standards that I aspire to and at the same time have time to undertake the private priorities I have.

In view of the above I have decided to advise you that I will be resigning from the position of Chief Executive Officer as from the 4th July 2008. I have given the Council more notice than what is required under my contract to allow adequate time to advertise and appoint a replacement and consider the housing requirements for the Chief Executive Officer.

Terry my decision is one that I have given a lot of consideration too and believe that it is important that one must be happy with what they are doing and derive a high level of satisfaction. I don't feel that I am achieving this under the present conditions.”

COMMENT

In view of the above Council will need to put in place measures to allow the advertising and selection of a new Chief Executive Officer (CEO), including consideration of the residential requirements.

The Chief Executive Officer has completed preliminary work on the provision of a new residence for a CEO, on Lot 17 Knapp Street Boyup Brook. The CEO was hopeful that a proposal would have been ready for consideration by Council at this meeting, however several matters have not been concluded.

It is recommended that Council appoint three Councillors to make arrangements for the recruitment of a new Chief Executive Officer, including determining the package/salary, advertising, selection/interviews and future housing requirements. The Councillors will be required to provide Council with recommendation relating to future housing and in due course the person selected as the preferred applicant for the position including the salary package negotiated.

7.3.8 **Authority to Incur Debts and Make Payments Policy**

<i>Disclosure of Interest:</i>	<i>Nil</i>
<i>Date:</i>	<i>06 November 2007</i>
<i>Author:</i>	<i>Tony Doust – Chief Executive Officer</i>

SUMMARY

This item reviews the existing Authority to Incur Debts and Make Payments Policy and recommends Council adopt the changes as highlighted in the Draft Policy provided.

BACKGROUND

The Council has delegated the CEO under Delegation No. 14 the power to make payments from the Municipal and Trust Accounts which is in accordance with the requirements of the Regulations.

The Local Government (Financial Management) Regulations 1996 Section (12) provides:-

Payments from municipal fund or trust fund

- (1) A payment may only be made from the municipal fund or the trust fund —
 - (a) if the local government has delegated to the CEO the exercise of its power to make payments from those funds — by the CEO; or
 - (b) otherwise, if the payment is authorised in advance by a resolution of the council.
- (2) The council must not authorise a payment from those funds until a list prepared under regulation 13(2) containing details of the accounts to be paid has been presented to the council.

The current policy Authority to Incur Debts and make Payments is attached as an appendix. This policy sets out the manner in which payments can be made.

COMMENT

The existing delegation conflicts in some ways with the current Policy - Authority to Incur Debts and Make Payments, as the delegation clearly authorises the CEO to make payments from the Municipal and Trust Funds

Whilst the Shire of Boyup Brook Policy Manual is still to be fully reviewed, due to the recent change of Councillors and the need to update bank authorities, it is opportune to review this particular policy.

The Chief Executive Officer has amended the current policy to reflect the standard operating procedures utilized by many other Local Government instrumentalities and compliment the Council Delegation No. 14. It is recommended that Council adopt the revised policy.

10.1 Correction To Fees Schedule 2007/08 Budget – Swimming Pool Season Tickets

The CEO advised the meeting that there had been a typing error in the Swimming Pool Entry Fees on page 6 of the 2007/08 Budget - Schedule of Fees. The wording "Child under sixteen years of age \$55.00" should have read "Child under six years of age \$55.00.

As there has already been some confusion about this cost between the Pool Manager and the Shire Administration staff resulting in patrons being charged different amounts, this matter needs to be corrected now at the beginning of the pool season.
