# IMPORTANT INFORMATION FOR DOG OWNERS

<b>Dog:</b>	<b>Breed:</b>	<b>Tag No:</b>
-------------	---------------	----------------

There is a very significant difference in the registration fees for sterilised and unsterilised dogs and you are urged to consider the long term financial benefits of having your dog sterilised.

In addition to the dog registration number tag, each dog must also have a tag on which is inscribed the owners name and address. These are obtainable from the RSPCA, Pet Shops and other sources.

Please note:

1. Definition of a **WORKING DOG** for concessional registration purposes is as follows:  
Dogs used for droving or tending of stock.
2. Definition of a **PENSIONER FOR** concessional registration purposed as follows:
  - Aged Pension
  - Invalid Pension
  - Widowed Pension
  - Supporting Parents Pension
  - Carer's Pension
 \*\* A copy of the pension card is required when registering the dog.
3. Maximum number of dogs to be kept on any premises is two over the age of three months (dispensation can be given to keep more than two dogs in some cases, but subject to written request to council and certain other conditions being met).
4. To register a dog under sterilised concessional rates an owner or agent should either have a veterinarian's certificate or be prepared to sign a Statutory Declaration to that effect.
5. Dogs must be kept on a lead in all public places except designated dog exercise areas.
6. Dog owners must provide means on their property to effectively confine their dog.  
**PLEASE NOTE - DOES NOT MEAN TETHERING**
7. Dog owners are also reminded that dogs three months and over must be microchipped and registered at all times. Council also requests that dog owners inform the Council immediately of any change of ownership, address or death of a dog.
8. Failure to register a dog may result in a penalty under the Dog Act.
